ANALYSIS

**Statutes interpreted:** Section 459.12 (1), Stats.

**Statutory authority:** Sections 15.08 (5) (b), and 459.12 (1), Stats.

**Explanation of agency authority:**

Section 15.08 (5) (b), Stats.: “Each examining board shall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains, and define and enforce professional conduct and unethical practices not inconsistent with the law relating to the particular trade or profession.”

Section 459.12 (1), Stats.: “The examining board may make rules not inconsistent with the laws of this state which are necessary to carry out the intent of this chapter.”

**Related statute or rule:** None.

**Plain language analysis:**

The objective of the rule is to update renewal requirements for applicants who are expired for 5 years or more to include that they need to complete their continuing education consistent with HAS 8.03 and pay the renewal fee. This was accomplished by repealing and recreating section HAS 7.03 (2) (b), to reflect this change.

**Summary of, and comparison with, existing or proposed federal regulation:** None.

**Comparison with rules in adjacent states:**

**Illinois:** In the Illinois Compiled Statutes 225 Chapter 50, the Hearing Instrument Consumer Protection Act outlines the requirements for licensure, continuing education, and discipline of Hearing Instrument Dispensers, among other requirements [225 Illinois Compiled Statutes 50]. The related rules in the Illinois Administrative Code Title 77 Part 682 contain the requirements for applications, supervision of students,

examinations, expiration of license, and renewal. For renewal of a Hearing Instrument Dispenser License that has been expired for more than 2 years, the individual shall pay the renewal fee, a late fee, and complete continuing education requirements. The individual may also be required to successfully complete the Illinois Hearing Instrument Dispenser examinations, if they have no evidence of practice in the previous two years [Illinois Administrative Code Title 77 Part 682 Section 682.250].

In the Illinois Compiled Statutes 2250 Chapter 110, the Illinois Speech-Language Pathology and Audiology Practice Act outlines the requirements for licensure, continuing education, renewal, and discipline of Licensed Audiologists and Licensed Speech-Language Pathologists, among other requirements. An individual with a license that has expired for 5 years or more may apply for reinstatement if they file proof of their fitness to have their license restored, including proof of practice in another jurisdiction and paying the restoration fee. An individual who has not maintained active practice in another jurisdiction shall complete an evaluation process determined by rule which may include evaluated clinical experience and an examination [225 Illinois Compiled Statutes 110]. The related administrative rules in the Illinois Administrative Code Title 68 Part 1465 include requirements for the restoration evaluation process. An individual who has an expired license for more than 5 years shall submit either evidence of active practice in another United States jurisdiction, an affidavit attesting to military service, or successful completion of the PRAXIS examination within one year prior to application for restoration. The individual shall also complete at least 20 hours of continuing education, pay the required restoration fee, and complete an interview before the Illinois Board [Illinois Administrative Code Title 68 Part 1465 Section 1465.80].

**Iowa:** Chapter 154A of the Iowa Code outlines the requirements for the licensure of Hearing Aid Specialists. Hearing Aid Specialists may perform hearing aid fitting which includes the sale of hearing aids and making earmold impressions as part of the fitting process [Iowa Code Chapter 154A]. Chapters 2060 through 2064 of the Iowa Administrative Code further elaborate on the requirements for the practice of Hearing Aid Specialists including licensure, renewal, supervision, continuing education, and dispensing of hearing aids. An individual who has a license that has been inactive for more than 5 years shall complete a reactivation application, submit verification of their licenses from other jurisdictions, verification of 48 hours of continuing education within two years of application for reactivation [Iowa Administrative Code Chapter 2060 Section 2060.8 (2) b.].

of passing the PRAXIS examination within two years prior to application for reactivation [Iowa Administrative Code Chapter 740 Section 740.11 (2) b.].

In Michigan, licensed Hearing Aid Dealers perform the practice of selling or fitting a hearing aid, which includes audiometric testing and making ear mold impressions [Michigan Compiled Laws Sections 339.1301 to 1309]. Additionally, a Hearing Aid Dealer who has an expired license for 3 years or more must meet the requirements for licensure established by the Michigan Department of Regulator Affairs, which may include passing an examination completing continuing education requirements, or meeting current education and training requirements [Michigan Compiled Laws Section 339.411] Other renewal requirements include that a Hearing Aid Dealer shall renew on a biennial basis [Michigan Administrative Rules R 339.1003].
