§ 457.03(3) Upon the advice of the social worker section, promulgate rules establishing levels of social work practice for individuals with master's or doctoral degrees in social work, in addition to the levels of practice for which certificates are granted under s. 457.08 (2) and (3), and establishing appropriate educational, training, experience, examination, and continuing education requirements for certification and renewal of a certificate at each level of practice established in rules promulgated under this subsection.

# STATEMENT OF SCOPE

## Marriage and Family Therapy, Professional Counseling, and Social Work Examining Board

Rule No.: MPSW 11.01

Relating to: Degrees from programs accredited by the Commission for Accreditation of Counseling or the Council on Rehabilitation Education

Rule Type: Permanent

**1. Finding/nature of emergency (Emergency Rule only):** N/A

**2. Detailed description of the objective of the proposed rule:**

The objective is to remove the automatic acceptance to meet the educational standards of programs which are accredited by the Commission for Accreditation of Copounseling and Related Educational Programs (CACREP) or the Council on Rehabilitation Education (CORE).

**3. Description of the existing policies relevant to the rule, new policies proposed to be included in the rule, and an analysis of policy alternatives:**

Currently programs which are accredited by CACREP or the CORE are accepted as meeting the educational requirements for being equivalent to a master's or doctoral degree in professional counseling. While the requirements in MPSW 14 are based upon the accreditation standards, the requirements are not identical and not all CACREP and CORE programs meet the requirements. Therefore, the Board is proposing the removal of the automatic acceptance of CACREP and CORE accredited programs in order to meet requirements equivalent to a degree in professional counseling.

**4. Detailed explanation of statutory authority for the rule (including the statutory citation and language):**

§ 15.08(5)(b) Each examining board shall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains, and define and enforce professional conduct and unethical practices not inconsistent with the law relating to the particular trade or profession.

§ 457.03(1) Upon the advice of the social worker section, marriage and family therapist section, and professional counselor section, promulgate rules establishing minimum standards for educational programs that must be completed for certification or licensure under this chapter and for supervised clinical training that must be completed for licensure as a clinical social worker, marriage and family therapist, or professional counselor under this chapter and approve educational programs and supervised clinical training programs in accordance with those standards.

**5. Estimate of amount of time that state employees will spend developing the rule and of other resources necessary to develop the rule:**

50 hours

**6. List with description of all entities that may be affected by the proposed rule:**

Applicants for a professional counseling license

Rev. 3/6/2012

**7. Summary and preliminary comparison with any existing or proposed federal regulation that is intended to address the activities to be regulated by the proposed rule:**

None

**8. Anticipated economic impact of implementing the rule (note if the rule is likely to have a significant economic impact on small businesses):**

PROPOSED ORDER

An order of the Marriage and Family Therapy, Professional Counseling, and Social Work Examining Board to repeal and recreate MPSW 3.01 (5), 3.05 (5), 3.07 (6), 3.09 (6), 3.12 (1) (d), (2) (d), (3) (d), (4) (d), 3.13 (1) (c), 11.01 (5), 11.04 (4), and 16.01 (5), and to create MPSW 11.04 (4m), relating to discrimination based on arrest or conviction record.

Analysis prepared by the Department of Safety and Professional Services.

ANALYSIS

**Statutes interpreted:** ss. 111.321, 111.322, and 111.335, Stats.

**Statutory authority:** ss. 15.08 (5) (b) and 227.11 (2) (a), Stats.

**Explanation of agency authority:**

“Each examining board [s]hall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains, and define and enforce professional conduct and unethical practices not inconsistent with the law relating to the particular trade or profession.” [s. 15.08 (5) (b), Stats.]

“Each agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency, if the agency considers it necessary to effectuate the purpose of the statute...” [s. 227.11 (2) (a), Stats.]

**Related statute or rule:** None.

**Plain language analysis:**

2017 Wisconsin Act 278 enacted statutory changes to ch. 111, Stats., prohibiting a licensing agency from refusing to license an individual, or suspending a license, on the basis of a substantially related pending criminal charge, unless the charge is for one of certain specified crimes against a child or life and bodily security, or a violent crime against a child.

This rule project revises the MPSW code pertaining to applications in order to clarify that applicants are required to submit documentation of their conviction record, and are only required to submit documentation of a pending charge if it is substantially related and it involves a crime against a child or life and bodily security, or a violent crime against a child, as defined in s. 111.335, Stats.

**Summary of public comments received on statement of scope and a description of how and to what extent those comments and feedback were taken into account in drafting the proposed rule:**

**Summary of, and comparison with, existing or proposed federal regulation:** None.

**Comparison with rules in adjacent states:**

**Illinois:** Marriage and family therapists, social workers, and professional counselors are regulated by the Illinois Department of Financial and Professional Regulation.

The rules of professional conduct for marriage and family therapists provide that a therapist convicted of any crime, or who engages in conduct which could lead to a conviction, related to the therapists qualifications or professional responsibilities may be subject to disciplinary action. (s. 1283.100 Professional Conduct).

The rules of professional conduct for social workers provide that the division may revoke, refuse to issue, or renew a license or take other disciplinary action if a social worker providing services or supervising services commits any dishonest, corrupt, or fraudulent act that is substantially related to the social worker's functions or duties. (s. 1470.96 Unethical, Unauthorized, and Unprofessional Conduct).

The Department of Financial and Professional Regulation code does not provide for disciplinary action against professional counselors who face charges or have a conviction record.

**Iowa:** The Board of Behavioral Science within the Iowa Department of Public Health regulates marital and family therapists and mental health counselors. Marital and family therapists and mental health counselors may be disciplined if convicted of a crime related to the profession, or a crime that would affect the ability to practice within the profession (Iowa Administrative Code s. 645.33.2). There is no provision in the rules to discipline a licensee who merely has a pending charge.

The Board of Social Work within the Iowa Department of Public Health regulates social workers. Social workers may be disciplined if convicted of a crime related to the profession, or a crime that would affect the ability to practice within the profession (Iowa Administrative Code s. 645.283.2). There is no provision in the rules to discipline a licensee who merely has a pending charge.

**Michigan:** The Michigan Department of Licensing and Regulatory Affairs regulates marriage and family therapists, professional counselors, and social workers. Individuals licensed under the Michigan Public Health Code (including marriage and family therapists, professional counselors, and social workers) must be “of good moral character.” (MCL 333.16174 (1) (b)). The agency may consider a judgment of guilt in a criminal prosecution or a judgment in a civil action in determining whether an individual is of good moral character. The individual can provide evidence showing that they are of good moral character to rebut a previous criminal or civil judgment (MCL 338.42).

**Minnesota:** The Minnesota Marriage and Family Therapy Board regulates marriage and family therapists. The board may suspend, revoke, condition, limit, qualify, or restrict a license if the individual is convicted of a crime that renders the person unfit to practice marriage and family therapy. These crimes are enumerated in 5300.0330 Sup. 2 of the Minnesota Administrative Rules.

The Minnesota Board of Behavioral Health and Therapy regulates professional counselors. A professional counselor may not violate any law in which the facts giving rise to the violation involve the practice of professional counseling.

The Minnesota Board of Social Work regulates social workers. The Board’s rules have all been repealed and codified into statute. Section 148E.210 of the Minnesota Statutes provides that the board may take action against a social worker who “engages in acts or conduct adversely affecting the applicant or licensee’s current ability or fitness to engage in social work practice, whether or not the acts or conduct occurred while engaged in the practice of social work.”

**Summary of factual data and analytical methodologies:**

The MPSW board reviewed and revised its rules to bring them into compliance with the statutory changes enacted by 2017 Wisconsin Act 278.

**Analysis and supporting documents used to determine effect on small business or in preparation of economic impact analysis:**

The rule will be posted for 14 days for economic comments.

**Fiscal Estimate and Economic Impact Analysis:**

The Fiscal Estimate and Economic Impact Analysis is attached.

**Effect on small business:**

These proposed rules do not have an economic impact on small businesses, as defined in s. 227.114 (1), Stats. The Department’s Regulatory Review Coordinator may be contacted by email at Daniel.Hereth@wisconsin.gov, or by calling (608) 267-2435.

**Place where comments are to be submitted and deadline for submission:**

Comments may be submitted to Sharon Henes, Administrative Rules Coordinator, Department of Safety and Professional Services, Division of Policy Development, 4822 Madison Yards Way, P.O. # STATEMENT OF SCOPE

## Marriage and Family Therapy, Professional Counseling and Social Work Examining Board

Rule No.: MPSW 1, 3, 5

Relating to: Examinations

Rule Type: Permanent

1. Finding/nature of emergency (Emergency Rule only): N/A

2. Detailed description of the objective of the proposed rule:

The objective of the proposed rule is to update the Board's processes and procedures by removing obsolete provisions and clarifying and streamlining examination provisions which impact all the professions credentialed by the Board. In addition, the Board will clarify the examinations required for licensure and certification of social workers.

3. Description of the existing policies relevant to the rule, new policies proposed to be included in the rule, and an analysis of policy alternatives:

There are provisions in the examination procedures which are obsolete or outdated. The Board will update the examination processes and procedures by removing obsolete provisions and clarifying and streamlining examination provisions which impact all the professions credentialed by the Board.

The Board will clarify the examinations required for licensure and certification of social workers. The Joint Committee for Review of Administrative Rules objected to a portion of CR 15-082 which provided for the elimination of the requirement that applicants for an initial credential pass an examination that tests knowledge of state laws relating to the practice. 2017 Act 357 allows the Board to require multiple examinations, including an examination on the state laws relating to the relevant practice. The Board recognizes that due to 2017 Act 357, the requirement currently in rule to pass the state law exam is no longer an unauthorized rule and can remain in the code. However, this proposed rule would update the language to clarify there are two social worker examinations rather than two parts of an examination.

4. Detailed explanation of statutory authority for the rule (including the statutory citation and language):

15.08 (5) (b) Each examining board shall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains, and define and enforce professional conduct and unethical practices not inconsistent with the law relating to the particular trade or profession.

457.03 (1m) Upon the advice of the social worker section, marriage and family therapist section, and professional counselor section, and consistent with s. 457.16, promulgate rules establishing examination requirements for certification and licensure under this chapter.

457.03 (3) Upon the advice of the social worker section, promulgate rules establishing levels of social work practice for individuals with master's or doctoral degrees in social work, in addition to the levels of practice for which certificates are granted under s. 457.08 (2) and (3), and establishing appropriate educational, training, experience, examination, and continuing education requirements for certification

and renewal of a certificate at each level of practice established in rules promulgated under this subsection.

**5. Estimate of amount of time that state employees will spend developing the rule and of other resources necessary to develop the rule:**

50 hours

**6. List with description of all entities that may be affected by the proposed rule:**

Applicants for marriage and family therapist, professional counselor and social worker credentials.

**7. Summary and preliminary comparison with any existing or proposed federal regulation that is intended to address the activities to be regulated by the proposed rule:**

May 2019

Dear State of Wisconsin Boards, Councils and Committee Member,

As you may already know, operation of the Department of Safety and Professional Services (DSPS) is self-funded by the fees associated with the occupation or business credentials it issues and regulates under chapters [440](#) to [480](#) of Wisconsin Statutes.

Wisconsin State Statute § 440.03(9)(a) requires DSPS to conduct a professional licensure fee study every two years to adjust fees for the succeeding fiscal biennium. The purpose of the fee study is to reflect the approximate administrative and enforcement costs of the department that are attributable to the regulation of the referenced credentials.

On February 20, 2019, the Joint Finance Committee approved the FY 2019-2021 professional licensure fee study conducted by the DSPS. I am pleased to provide you with the new fee schedule that will take effect on July 1, 2019.

The new fees are based on actual operating costs and revenues for DSPS for fiscal years 2017 and 2018 (July 1, 2016 to June 30, 2018). A detailed explanation how the fees were recalculated, including licensure/credential participation rates, complaints and investigations, and adjustments for inflation can be found in the Frequently Asked Questions document.

For all regulated professional and medical licenses and credentials (except the renewal fee for one profession noted in the enclosed fee schedule), initial application and renewal fees will be reduced or maintained at the current level, including the following:

- Maintaining initial and renewal fees for 43 licenses/credentials (approximately 25 percent)
- Reducing initial fees for 82 licenses/credentials (approx. 48 percent) with an average reduction of \$26.78
- Reducing renewal fees for 121 licenses/credentials (approx. 71 percent) with an average reduction of \$57.42
- Reducing both the initial and renewal fees for 80 licenses/credentials (approx. 47 percent)
- Providing a fee reduction to at least one of the fees (initial and/or renewal) for 127 licenses/credentials (approx. 75 percent)
- Establishing equal fees for both initial applications and renewals with a maximum fee of \$75 for 163 licenses/credentials (approx. 96 percent) (exceptions per state statute for fees related to Appraisal Management Companies and Transportation Network Companies; exception per administrative code for fees related to Unarmed Combat Sports)
- Providing a reduced fee to an estimated 361,000 Wisconsin licensure/credential applicants over the next biennium, (approx. 96 percent of all applicants)

The new fee schedule will take effect beginning with initial license applications received in the Department and/or postmarked on or after July 1, 2019, and for license renewals that have an effective date of July 1, 2019 or later. It should be noted that if a license holder receives a notice of renewal prior to July 1, 2019, for a renew-by date of after July 1, 2019, the new fees will apply regardless of when the notice is received or when payment is made. If a license holder's renew-by date is before July 1, 2019, and the payment is made after July 1, 2019, the fee noted on the notice of renewal will still apply. If the license holder's renew-by date is on or after July 1, 2019, the new fees will apply.

If you have any questions regarding the information provided, please do not hesitate to contact Yolanda McGowan, Division Administrator, Division of Policy Development.

Sincerely,

A handwritten signature in cursive script that reads "Dawn B. Crim". The signature is written in black ink and is positioned above the typed name and title.
