

WHAT IS OUR MISSION

To advance excellence in nursing care for the prevention and treatment of addiction for diverse populations across all practice settings through advocacy, collaboration, education, research and policy development.

HOW

By providing knowledge and support to our members, including clinicians, educators, managers, and researchers who practice in a wide variety of settings, including treatment centers, hospitals, schools, private practices, primary care, and other community agencies.

WHEN

We meet quarterly to share knowledge, to learn from each other, to discover ways to enhance our nursing practice and to provide networking opportunities. Remote members encouraged to join virtually!
