**DEPARTMENT OF SAFETY AND PROFESSIONAL SERVICES**  
**CORRESPONDENCE / MEMORANDUM**

**DATE: January 1, 2026**

**TO: Board, Council, and Committee Members**

**FROM: Legal Counsel**

**SUBJECT: Liaison Definitions and Delegations Explanations**

### **Executive Summary**

This memorandum provides an overview of the liaison roles and common delegation authorities that enable DSPS Boards, Sections, and Committees to efficiently fulfill their statutory responsibilities. It explains the function of each liaison position, such as, Credentialing, Monitoring, PAP, Education and Examination, Legislative, Travel Authorization, and Communication Liaisons, as well as Screening Panel Members, and outlines how these roles support Board operations between meetings. This memorandum also includes model motions for liaisons, Department staff, and Department attorneys to ensure timely processing of credential applications, monitoring requests, disciplinary matters, and administrative tasks. The delegations promote consistency, reduce delays, and allow the Department and Boards to respond promptly to legal and operational needs while maintaining their responsibility to protect public health, safety, and welfare.

### **Overall Purpose of Liaison Appointments**

Each Board/Section (Board) has inherent authority that is established in our Wisconsin Statutes. This authority may change from Board to Board. Further information on your Board's authority can be found in Wis. Stat. ch. 15. Generally, each Board has authority to grant credentials, discipline credential holders, and set standards for education and examinations and unprofessional conduct. In order to efficiently accomplish these tasks, Boards may appoint Liaisons. Liaisons assist with the operations of the Boards' purpose by weighing in on legislative matters, traveling to national conferences, or communicating with stakeholders.

At the first Board meeting of each year, the Department asks the Boards to make Liaison appointments. Your practical knowledge and experience as an appointed member of a professional board are essential in making determinations regularly. The Liaison positions listed below assist

the Department to complete operations between Board meetings. In most cases, Liaisons can make decisions for the full Board in their designated area. However, these areas are determined through the delegation process. Please note a Liaison may also decide to send the delegated matter to the full Board for consideration as appropriate. Delegations assist the Board in defining the roles and authorities of each Liaison and other Board functions.

## **Liaison Definitions**

**Credentialing Liaison:** The Credentialing Liaison is empowered by the Board to review and make determinations regarding certain credential applications. The Credentialing Liaison may be called on by Department staff to answer questions that pertain to qualifications for licensure, which may include whether a particular degree is suitable for the application requirements, whether an applicant's specific work experience satisfies the requirements in statute or rule for licensure, or whether an applicant's criminal or disciplinary history is substantially related to the practice of the profession in such a way that granting the applicant a credential would create a risk of harm to the public. The Credentialing Liaison serves a very important role in the credentialing process. If the Credentialing Liaison has a question on a request, it is advisable for the Liaison to consult further with Department staff or bring the matter to the full Board for consideration.

**Monitoring Liaison:** The Monitoring Liaison is empowered by the Board to make decisions on any credential that is subject to Monitoring either through a disciplinary order or initial licensure. The Department Monitors will send requests from credential holders to the Monitoring Liaison. A common request could be to remove a limitation that has been placed on a credential or to petition for full licensure. The Monitoring Liaison can review these requests and make decisions on behalf of the Board. If the Monitoring Liaison has a question on a request, it is advisable for the Liaison to consult further with Department staff or bring the matter to the full Board for consideration.

**Professional Assistance Procedure (PAP) Liaison:** PAP is a voluntary program open to credential holders with substance abuse issues who wish to seek help by being held accountable through treatment and monitoring by the Department and Board. As part of PAP, the credential holder enters into an agreement with the Department to undergo testing, counseling, or other rehabilitation. The PAP Liaison's role includes responding to credential holders' requests for modifications and terminations of provisions of the agreement. Similar to the Monitoring Liaison, the Department Monitors will send requests from credential holders to the PAP Liaison for further review.

**Education and Examination Liaison:** Some Boards are required by statute or rule to approve qualifying education and examinations. The Education and Examination Liaison provides guidance to Department staff to exercise authority of the Board to approve or decline examinations and educational programs and related requests. This determination requires a level of professional expertise and should be performed by a professional member of the Board. For some Boards, the Education and Examination Liaison will also be tasked with approving continuing education programs and courses.

**Legislative Liaison:** The Legislative Liaison is not the Board's designated lobbyist and should exercise their delegated authority carefully. The Legislative Liaison is permitted to act and speak

on the Board's behalf regarding pending and enacted legislation or actions being considered by the legislature outside of Board meetings. Please review Wis. Stat. ch. 13 for important reminders on lobbying.

**Travel Authorization Liaison:** The Travel Authorization Liaison is authorized to approve a Board member to travel to events and speak or act on the Board's behalf between Board meetings. The Travel Authorization Liaison is called upon to make decisions when sufficient notice was not received, and the full Board could not determine a representative to travel. The Travel Authorization Liaison is tasked with making determinations if the Board appointed representative is not able to attend or if the Board becomes authorized to send additional members as scholarship and funding streams can be unpredictable.

**Communication Liaison:** The Communication Liaison responds to questions that arise on behalf of the Board. The Communication Liaison works with the Department to cultivate an appropriate response which will be sent by the Executive Director or Board Counsel. The Communication Liaison **can** be responsible for all types of communication on behalf of the Board. However, the Board can appoint a separate **Website Liaison** to work with DSPS staff to make changes and ensure the Board webpage contains updated and accurate information. Additionally, for the Boards that are required by statute to produce a newsletter or digest, the Board can appoint a separate **Newsletter/Digest Liaison** to assemble and approve content for those communications.

**Screening Panel Members:** Screening Panel Members review incoming complaints against credential holders and determine which complaints should be opened for investigation and which complaints should be closed without further action. The complexity and amount of work in this role depends substantially on your Board. As a member of the Screening Panel, you are asked to apply your professional expertise to determine if a complaint alleges unprofessional conduct.

## **Delegations Explanations**

### **CREDENTIALING DELEGATIONS**

*The overall purpose of credentialing delegations is to allow the credentialing process to proceed as efficiently and effectively as possible.*

#### **Delegation of Authority to Credentialing Liaison (Generic)**

MOTION EXAMPLE: to delegate authority to the Credentialing Liaison(s) to serve as a liaison between the Department and the Board and to act on behalf of the Board in regard to credentialing applications or questions presented to them, including the signing of documents related to applications.

PURPOSE: To allow a representative of the Board to assist Department staff with credentialing applications and eliminate the need for the entire Board to convene to consider credential application content or questions. Additionally, it is most efficient to have the designated liaison

who has assisted with the credentialing process be able to effectuate decisions which require a signature.

### **Delegation of Authority to DSPS When Credentialing Criteria is Met**

MOTION EXAMPLE: to delegate credentialing authority to the Department to act upon applications that meet all credentialing statutory and regulatory requirements without Board or Board liaison review.

PURPOSE: To permit Department staff to efficiently issue credentials and eliminate the need for Board/Section/Liaison review when all credentialing legal requirements are met in an application. This delegation greatly decreases the workload of Board members and cuts down processing time on applications.

### **Delegation of Authority for Predetermination Reviews**

MOTION EXAMPLE: to delegate authority to the Department attorneys to make decisions regarding predetermination applications pursuant to Wis. Stat. § 111.335(4)(f).

PURPOSE: In general, the Wisconsin Fair Employment Act (codified in Wis. Stat. Ch. 111) prohibits licensing agencies from discriminating against applicants because of their arrest and/or conviction record. However, there are exceptions which permit denial of a license in certain circumstances. Individuals who do not possess a license have a legal right to apply for a determination of whether they are disqualified from obtaining a license due to their conviction record. This process is called “Predetermination.” Predetermination reviews must be completed within 30 days. This delegation allows Department attorneys to conduct predetermination reviews and efficiently make these legal determinations without need for Board/Section/Liaison review.

### **Delegation of Authority for Conviction Reviews**

MOTION EXAMPLE: to delegate authority to the Department attorneys to review and approve applications with convictions which are not substantially related to the relevant professional practice.

PURPOSE: As used here, “substantially related” is a legal standard that is used in the Wisconsin Fair Employment Act. The concept of what is “substantially related” is informed by case law. This delegation permits Department attorneys to independently conduct conviction reviews and efficiently approve applications if convictions are not substantially related to the practice of the profession. Applications that contain conviction records that may be substantially related to the practice of a profession will still be submitted to the Credentialing Liaison for input.

### **Delegation to DSPS When Applicant's Disciplinary History Has Been Previously Reviewed**

MOTION EXAMPLE: to delegate authority to Department staff to approve applications where Applicant's prior discipline has been approved for a previous credential and there is no new discipline.

PURPOSE: Some Boards offer progressive levels of credentials. This delegation eliminates the need for a re-review of discipline that has already been considered and approved by the Board/Section/Liaison for a lower-level credential.

### **Delegation to DSPS When Applicant's Conviction History Has Been Previously Reviewed**

MOTION EXAMPLE: to delegate authority to Department staff to approve applications where criminal background checks have been approved for a previous credential and there is no new conviction record.

PURPOSE: Some Boards offer progressive levels of credentials. This delegation eliminates the need for a re-review of conviction history that has already been reviewed and approved for a lower-level credential.

### **Delegation of Authority for Reciprocity Reviews**

MOTION EXAMPLE: to delegate authority to the Department attorneys to review and approve reciprocity applications in which the out-of-state license requirements meet Wisconsin license requirements. (Specific legal standards are referenced in the motion depending on credential/profession type.)

PURPOSE: Applications via reciprocity or endorsement require comparison of Wisconsin licensing requirements to the licensing requirements of another jurisdiction. These reviews consider the legal standard for reciprocity, which varies by profession, as well as the specified legal requirements to obtain licensure in the profession. This delegation permits Department attorneys to independently conduct reciprocity reviews and efficiently approve applications if legal standards and requirements are met for licensure. Applications for which reciprocity may not be available will still be submitted to the Credentialing Liaison for input.

### **Delegation of Authority for Military Reciprocity Reviews**

MOTION EXAMPLE: to delegate authority to the Department attorneys to review and approve military reciprocity applications in which the individual meets the requirements of Wis. Stat. § 440.09.

PURPOSE: The law permits service members, former service members, and their spouses to be licensed if they hold licensure in other jurisdictions that qualify them to perform acts authorized by the credential they are seeking in Wisconsin. This is a shortened path to licensure that does not require meeting the specific requirements/standards for licensure/reciprocity in a profession. By law, the Department/Board must expedite the issuance of a reciprocal license via military

reciprocity. This delegation permits Department attorneys to independently conduct military reciprocity reviews and efficiently approve applications if legal standards and requirements are met for licensure. Applications for which reciprocity may not be available will still be submitted to the Credentialing Liaison for input.

### **Delegation of Authority for Application Denial Reviews**

MOTION EXAMPLE: to delegate authority to the Department's attorney supervisors to serve as the Board designee for purposes of reviewing and acting on requests for hearing as a result of a denial of a credential.

PURPOSE: When an application is denied, the applicant has a legal right to appeal the denial determination. Applicants must meet a specified legal standard in order to have an appeal granted. Additionally, Wisconsin law sets specific time frames for appeal decisions. This delegation permits Department attorney supervisors to independently review and efficiently act on requests for hearing as a result of a denial of a credential.

### **Delegation to Department Attorneys to Approve Duplicate Legal Issue**

MOTION EXAMPLE: to delegate authority to Department attorneys to approve a legal matter in connection with a renewal application when that same/similar matter was already addressed by the Board and there are no new legal issues for that credential holder.

PURPOSE: The intent of this delegation is to be able to approve prior discipline by the Board for the renewal applicant. This delegation eliminates the need for a re-review of discipline that has already been considered and approved by the Board/Section/Liaison.

### **Delegation to Department Attorneys to Approve Prior Discipline**

MOTION EXAMPLE: to delegate authority to Department attorneys to approve an applicant's prior professional discipline which resulted in a forfeiture/fine/other monetary penalty, remedial education, and/or reprimand, that is 10 years old or older, and the previously disciplined credential is currently in good standing.

PURPOSE: In order to continue improving processing application legal reviews in a timely matter, this delegation gives Department attorneys authority to approve prior professional discipline which meets all of the following criteria: (1) it is at least ten years old; (2) it resulted in a monetary penalty, remedial education, and/or reprimand; and (3) the previously disciplined credential is currently in good standing.

## **MONITORING DELEGATIONS**

*The overall purpose of monitoring delegations is to be able to enforce the Boards orders and limited licenses as efficiently and effectively as possible. Monitoring delegations have two categories: delegations to the Monitoring Liaison and delegations to the Department Monitor.*

## **Delegation of Authority to Department Monitor**

MOTION EXAMPLE: to delegate authority to the Department Monitor:

- a. to grant full reinstatement of licensure if education is the only limitation and credential holder has submitted the required proof of course completion.
- b. to suspend the credential if the credential holder has not completed Board ordered education, paid costs, paid forfeitures, within the time specified by the Board Order.
- c. to lift a suspension when compliance with education and costs provisions have been met.

PURPOSE: These delegations allow for the Department Monitor to automatically act on requests when certain criteria are met or not met without needing to burden the Monitoring Liaison. The Board can set their own criteria for what actions they would like to be handled by the Department, the Monitoring Liaison, and the full Board.

## **Delegation of Authority to Monitoring Liaison**

MOTION EXAMPLE: to delegate authority to the Monitoring Liaison to approve or deny all requests received from the credential holder.

PURPOSE: These delegations allow the Board to set criteria for what decisions can be made by the Board member(s) serving as the Monitoring Liaison and what matters should be decided by the full Board.

## **Education and Examination Delegations**

MOTION EXAMPLE: to delegate authority to the Education and Examination Liaison(s) to address all issues related to qualifying education, continuing education and examinations. Motion carried unanimously. (Differs by Board.)

PURPOSE: Some Boards are responsible for approving qualifying educational programs or continuing education courses. A delegation is executed in order for an Education and Examination Liaison to make these determinations on behalf of the Board and with assistance of the Department. Additionally, some Boards review examinations and individual scores to qualify for a credential.

## **MISCELLANEOUS DELEGATIONS**

### **Document Signature**

MOTION EXAMPLE: to delegate authority to the Chairperson (or in absence of the Chairperson, the highest-ranking officer or longest serving board member in that succession) to sign documents on behalf of the Board in order to carry out its duties. Motion carried unanimously.

MOTION EXAMPLE: in order to carry out duties of the Board, the Chairperson (or in absence of the Chairperson, the highest-ranking officer or longest serving board member in that succession) has the ability to delegate signature authority for purposes of facilitating the completion of assignments during or between meetings. The members of the Board hereby delegate to the

Executive Director, Board Counsel, or DPD Division Administrator, the authority to sign on behalf of a Board member as necessary. Motion carried unanimously.

**PURPOSE:** To take the action approved at Board meetings, the Department may need to draft correspondence and/or Orders after the meetings have adjourned. These actions then need to be signed by a Board Member. This interaction usually takes place over email and a Board member can authorize the use of their signature that is kept on file.

### **Urgent Matters**

**MOTION EXAMPLE:** in order to facilitate the completion of urgent matters between meetings, the Board delegates its authority to the Chairperson (or, in the absence of the Chairperson, the highest-ranking officer or longest serving Board member in that succession), to appoint liaisons to the Department to act in urgent matters. Motion carried unanimously.

**PURPOSE:** Allows for quick responses to urgent matters that may need Board approval or for which the Department requires guidance from the Board.

### **Delegation to Chief Legal Counsel-Due to Loss of Quorum**

**MOTION EXAMPLE:** to delegate the review and authority to act on disciplinary cases to the Department's Chief Legal Counsel due to lack of/loss of quorum after two consecutive meetings. Motion carried unanimously.

**PURPOSE:** Sometimes Boards can struggle to meet quorum necessary to conduct business. This happens for a multitude of reasons, but this delegation allows for the Boards to have disciplinary cases decided by Chief Legal Counsel if the Board fails to meet quorum for two consecutive meetings.

### **Delegation to Chief Legal Counsel-Stipulated Resolutions**

**MOTION EXAMPLE:** to delegate to the Department's Chief Legal Counsel the authority to act on behalf of the Board concerning stipulated resolutions providing for a surrender, suspension, or revocation of a credential, where the underlying merits involve serious and dangerous behavior, and where the signed stipulation is received between Board meetings. The Board further requests that Chief Legal Counsel only act on such matters when the best interests of the Board, Department, and the Public are best served by acting upon the stipulated resolution at the time the signed stipulation is received versus waiting for the next Board meeting. Motion carried unanimously.

**PURPOSE:** For matters of public safety, it may be necessary to take immediate action on a stipulated agreement rather than allowing a credential holder to continue practicing unencumbered until the next scheduled meeting. This delegation allows Chief Legal Counsel to act on behalf of the Board when there is a stipulated agreement. A stipulated agreement is an agreement to which all relevant parties have consented to the terms.

## **Voluntary Surrenders**

MOTION EXAMPLE: to delegate authority to the assigned case advisor to accept or refuse a request for voluntary surrender pursuant to Wis. Stat. § 440.19 for a credential holder who has a pending complaint or disciplinary matter.

MOTION EXAMPLE: to delegate authority to the Department to accept the voluntary surrender of a credential when there is no pending complaint or disciplinary matter with the Department pursuant to Wis. Stat. § 440.19.

PURPOSE: Credential holders can ask the Boards to accept surrender of their credentials at any time. These delegations are in place for the different situations that arise from those requests. If a credential holder is seeking to surrender their credential because they wish to leave the profession, that can be processed with this delegation by the Department if they have no pending disciplinary complaints. If the credential holder wishes to surrender while they have a pending disciplinary complaint, that request is reviewed by the individual Board member assigned to the case.

## **DLSC Pre-screening**

MOTION EXAMPLE: to delegate pre-screening decision making authority to the DSPS screening attorney for opening cases where the credential holder has failed to respond to allegations contained in the complaint when requested by intake (case will be opened on failure to respond and the merits of the complaint).

PURPOSE: Pre-screening delegations exist so the Board can define specific parameters where the Department can review disciplinary complaints and open those cases if they meet certain criteria. Boards also have the authority to set certain criteria that would allow the Department to review and close a case if the criteria is met.

## **Delegation to Handle Administrative Rule Matters**

MOTION EXAMPLE: to delegate authority to the Chairperson (or, in the absence of the Chairperson, the highest-ranking officer or longest serving Board member in that succession), to act on behalf of the Board regarding administrative rule matters between meetings. Motion carried unanimously.

PURPOSE: In order to advance the administrative rules process, action may need to occur between meetings. This allows for quick responses to urgent matters that may need Board approval or for which the Department requires guidance from the Board.
