STATE OF WISCONSIN
PHARMACY EXAMINING BOARD

IN THE MATTER OF RULEMAKING	:	ORDER OF THE
PROCEEDINGS BEFORE THE	:	PHARMACY EXAMINING BOARD
PHARMACY EXAMINING BOARD	:	ADOPTING RULES

The Pharmacy Examining Board is petitioning the
Joint Committee for Review of Administrative Rules to
repeal a rule the Pharmacy Examining Board has determined to be
an unauthorized rule using the process under s. 227.26 (4), Stats.

ORDER

An order of the Pharmacy Examining Board to repeal Phar 5.03 relating to a requirement that a pharmacist display his or her license at the pharmacy.

Analysis prepared by the Department of Safety and Professional Services.

ANALYSIS

Statutes interpreted: s. 450.09 (5), Stats.

Statutory authority: ss. 15.08 (5) (b), 450.02 (2), (3) (d) and (3), Stats.

Explanation of agency authority:

The Board shall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains, and define and enforce professional conduct and unethical practices not inconsistent with the law relating to the particular trade or profession. [15.08 (5) (b), Stats.]

The board shall adopt rules defining the active practice of pharmacy. The rules shall apply to all applicants for licensure under s. 450.05. [450.02 (2), Stats.]

450.02 (3) (d) The Board may promulgate rules necessary for the administration and enforcement of this chapter and ch. 961. The Board may promulgate rules establishing minimum standards for the practice of pharmacy. [450.02 (3) (d) and (e), Stats.]

Related statute or rule: n/a

Plain language analysis:

Phar 5.03 requires a pharmacist to display his or her license in a manner conspicuous to the public view at the pharmacy where he or she engages in the practice of pharmacy.

2017 Act 18 repealed s. 450.09 (5), Stats. which required every original license issued by the board and the renewal license currently in force, if any, to be displayed in the place of practice.

Therefore, the board has determined that Phar 5.03 is an unauthorized rule and seeks its repeal under s. 227.26 (4).

Agency contact person:

Sharon Henes, Administrative Rules Coordinator, Department of Safety and Professional Services, Division of Policy Development, 4822 Madison Yards Way, P.O. Box 8366, Madison, Wisconsin 53708; telephone 608-261-2377; email at DSPSAdminRules@wisconsin.gov.

TEXT OF RULE

SECTION 1. Phar 5.03 is repealed.

SECTION 2. EFFECTIVE DATE. The rules adopted in this order shall take effect on the first day of the month following publication in the Wisconsin Administrative Register, pursuant to s. 227.22 (2) (intro.), Stats.

(END OF TEXT OF RULE)

STATE OF WISCONSIN
PHARMACY EXAMINING BOARD

IN THE MATTER OF RULEMAKING	:	ORDER OF THE
PROCEEDINGS BEFORE THE	:	PHARMACY EXAMINING BOARD
PHARMACY EXAMINING BOARD	:	ADOPTING RULES

The Pharmacy Examining Board is petitioning the
Joint Committee for Review of Administrative Rules to
partially repeal a rule the Pharmacy Examining Board has determined to be
an unauthorized rule using the process under s. 227.26 (4), Stats.

ORDER

An order of the Pharmacy Examining Board to amend Phar 13.02 (12) relating to 3rd
party logistics providers.

Analysis prepared by the Department of Safety and Professional Services.

ANALYSIS

Statutes interpreted: s. 450.01 (24), Stats.

Statutory authority: ss. 15.08 (5) (b) and 450.02 (3) (d), Stats.

Explanation of agency authority:

The Board shall promulgate rules for its own guidance and for the guidance of the trade
or profession to which it pertains, and define and enforce professional conduct and
unethical practices not inconsistent with the law relating to the particular trade or
profession. [15.08 (5) (b), Stats.]

The Board may promulgate rules necessary for the administration and enforcement of this
chapter and ch. 961. [450.02 (3) (d), Stats.]

Related statute or rule: n/a

Plain language analysis:

Section Phar 13.02 (12) includes 3rd party logistics providers in the definition of
“wholesale distributors”.

2017 Act 328 amended s. 450.01 (24), Stats., to remove 3rd party logistics providers from
the definition of “wholesale distributors”.

Therefore, the board has determined that the inclusion of 3rd party logistics providers in s. Phar 13.02 (12) is unauthorized and seeks to amend the rule to remove these entities from the definition under s. 227.26 (4), Stats.

Agency contact person:

Sharon Henes, Administrative Rules Coordinator, Department of Safety and Professional Services, Division of Policy Development, 4822 Madison Yards Way, P.O. Box 8366, Madison, Wisconsin 53708; telephone 608-261-2377; email at DSPSAdminRules@wisconsin.gov.

TEXT OF RULE

SECTION 1. Phar 13.02 (12) is amended to read:

Phar 13.02 (12) “Wholesale distributor” means a person engaged in the wholesale distribution of prescription drugs, including manufacturers; repackagers; own-label distributors; private-label distributors; jobbers; brokers; warehouses, including manufacturers’ and distributors’ warehouses; manufacturers’ exclusive distributors; manufacturers’ authorized distributors of record; prescription drug wholesalers and distributors; independent wholesale prescription drug traders; 3rd party logistics providers; retail pharmacies that conduct wholesale distribution; and chain pharmacy warehouses that conduct wholesale distribution.

SECTION 2. EFFECTIVE DATE. The rules adopted in this order shall take effect on the first day of the month following publication in the Wisconsin Administrative Register, pursuant to s. 227.22 (2) (intro.), Stats.

(END OF TEXT OF RULE)

Chapter Phar 6

PHARMACY LICENSES AND EQUIPMENT

Phar 6.01	Licenses; application.
Phar 6.02	Licenses; change of location or ownership.
Phar 6.03	Changes in managing pharmacist.
Phar 6.04	Floor design.
Phar 6.05	Sanitation.

Phar 6.06	Laws and other references.
Phar 6.07	Storage.
Phar 6.075	Temperature; Humidity.
Phar 6.08	Security.

Note: Chapter Phar 6 as it existed on January 31, 1983, was repealed and a new chapter Phar 6 was created effective February 1, 1983.

Phar 6.01 Licenses; application. Requirements and procedures for applying for a pharmacy license are specified in s. 450.06, Stats. Approved application forms are available from the board. Appointments for the required pharmacy inspection may be made by contacting the board office. A license application and fee shall be on file with the board at least 30 days prior to the granting of the pharmacy license. A pharmacy may not operate unless a pharmacy license has been granted. Board action shall be taken within 60 business days of receipt of a completed pharmacy application, as provided in s. SPS 4.03.

Note: Applications are available upon request to the board office located at 1400 East Washington Avenue, P.O. Box 8935, Madison, Wisconsin 53708.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; correction made under s. 13.93 (2m) (b) 7., Stats., Register, January, 1989, No. 397; am. Register, August, 1991, No. 428, eff. 9-1-91; am., Register, December, 1998, No. 516, eff. 1-1-99; correction made under s. 13.92 (4) (b) 7., Stats., Register November 2011 No. 671.

Phar 6.02 Licenses; change of location or ownership. (1) A pharmacy license authorizes a pharmacy to operate only at the location designated on the license. Licenses may not be transferred to another location.

(1m) A hospital which has a pharmacy area providing outpatient pharmacy services which is physically separate from, and not contiguous to the area from which inpatient pharmacy services are provided, shall have a pharmacy license for the outpatient pharmacy in addition to a license for the inpatient pharmacy.

(2) Any change in pharmacy ownership shall be reported to the board office and the pharmacy license of the former owner returned. A pharmacy license shall be granted to the new pharmacy owner before the pharmacy may operate.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; am. Register, August, 1991, No. 428, eff. 9-1-91; cr. (1m), Register, February, 1996, No. 482, eff. 3-1-96.

Phar 6.03 Changes in managing pharmacist. The pharmacy owner shall report to the board any change of managing pharmacist within 5 days following the change.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83.

Phar 6.04 Floor design. (1) PROFESSIONAL SERVICE AREA. The professional service area of a pharmacy shall not be less than 250 sq. ft. No more than 20% of the space may be used for storage of bulk pharmaceuticals. If the pharmacy is open at any time solely as a non-prescription or sundry outlet, without a pharmacist present, the professional service area shall be secured as specified in sub. (3). A variance to the 250 sq. ft. professional service area requirement may be authorized by the board upon submission of a specific plan describing the manner in which the proposed professional service area plan varies from the requirement.

(2) PRESCRIPTION COUNTER SPACE. A pharmacy shall have a prescription counter with a free working surface of 18 or more inches in width and at least 12 square feet in area. This free-working surface must be used only for the compounding and dispensing of prescriptions.

(3) PROFESSIONAL SERVICE AREA REQUIREMENTS WHERE PHARMACIST IS ABSENT. (a) Except as provided in par. (c), if no pharmacist is present in the professional service area, a pharmacy may convert to a non-prescription or sundry outlet if the following requirements are met:

1. A secured, physical barrier surrounds the professional service area of the pharmacy and precludes access to the area by unlicensed personnel. A secured barrier may be constructed of other than a solid material with a continuous surface. If constructed of other than a solid material, the openings or interstices in the material shall not be large enough to permit removal of items from the professional service area by any means. Any material used in the construction of the barrier shall be of sufficient strength and thickness that it cannot be readily or easily removed, penetrated or bent. The plans and specifications of the barrier shall be submitted to the board for approval.

2. The barrier is locked in the absence of the pharmacist.

3. A patient's telephone request to renew a certain prescription may be accepted, but a telephone message from a practitioner giving a new prescription order or renewal authority may not be accepted.

5. Signs of reasonable size are posted at the entrance of the building and the professional service area prominently displaying the hours the pharmacist will be on duty.

6. The manner in which the telephone is answered does not imply that the location is, at that time, operating as a pharmacy.

7. The pharmacy examining board office is notified of the hours during which the establishment is operated as a sundry outlet.

(b) The managing pharmacist is responsible for compliance with all professional service area security requirements.

(c) Where no pharmacist is present in the professional service area a pharmacy is not required to convert to a non-prescription or sundry outlet if the following requirements are met:

1. The pharmacist is absent for a time period of one half hour or less.

2. The pharmacist must be accessible for communication with the remaining pharmacy staff by phone, pager or other device.

3. The pharmacy must indicate that the pharmacist is not available in the professional service area and indicate the period of absence and the time of the pharmacist's return.

4. Pharmacy technicians may only perform duties allowed by s. Phar 7.015 (2).

(4) PROFESSIONAL SERVICE AREA REMODELING. Any modifications of the approved floor plan shall be submitted to and approved by the board or its designee. Board action must be taken within 60 days.

Phar 6.07 Storage. (1) The professional service area shall have a refrigerator adequate for the storage of biological and other drugs requiring refrigeration.

(2) The professional service area shall have sufficient shelf, drawer or cabinet space for the proper storage of a representative stock of prescription labels, an assorted stock of prescription containers, and an adequate stock of prescription drugs, chemicals and required pharmacy equipment.

(3) Controlled substances shall be stored in a securely locked, substantially-constructed cabinet or dispersed throughout the inventory of non-controlled substances in a manner that obstructs theft.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83.

Phar 6.075 Temperature; Humidity. (1) DEFINITIONS. In this section:

(a) “Business day” means a day the pharmacy is open for business.

(b) “Dry place” means a place that does not exceed 40% average relative humidity at 68 degrees Fahrenheit or the equivalent water vapor pressure at other temperatures.

(c) “Freezer” means a place in which the temperature is maintained between -13 and +14 degrees Fahrenheit.

(d) “Mean kinetic temperature” means the calculated temperature at which the total amount of degradation over a particular period is equal to the sum of the individual degradations that would occur at various temperatures.

(e) “Refrigerator” means a place in which the temperature is maintained between 36 and 46 degrees Fahrenheit.

(2) STORAGE. Drugs shall be stored at appropriate temperature and under appropriate conditions, including in a dry place, according to the manufacturer recommendation or an official pharmaceutical compendium.

(3) RECORDING DEVICES. Manual, electromechanical or electronic temperature and humidity recording devices shall be placed within the storage space to accurately determine the area’s temperature and humidity.

(4) FREQUENCY. The temperature of the refrigerator, freezer and pharmacy shall be monitored at least once during each business day. A minimum and maximum temperature over the course of the time a pharmacy is closed shall be obtained.

(5) RECORDS. Temperature and humidity records shall be maintained for a minimum of 5 years.

(6) DISPENSING OF SAFE DRUGS. The pharmacist shall use professional judgment, including consideration of the mean kinetic temperature, to determine whether a drug is safe to be dispensed.
