May 2019

Dear State of Wisconsin Boards, Councils and Committee Member,

As you may already know, operation of the Department of Safety and Professional Services (DSPS) is self-funded by the fees associated with the occupation or business credentials it issues and regulates under chapters [440](#) to [480](#) of Wisconsin Statutes.

Wisconsin State Statute § 440.03(9)(a) requires DSPS to conduct a professional licensure fee study every two years to adjust fees for the succeeding fiscal biennium. The purpose of the fee study is to reflect the approximate administrative and enforcement costs of the department that are attributable to the regulation of the referenced credentials.

On February 20, 2019, the Joint Finance Committee approved the FY 2019-2021 professional licensure fee study conducted by the DSPS. I am pleased to provide you with the new fee schedule that will take effect on July 1, 2019.

The new fees are based on actual operating costs and revenues for DSPS for fiscal years 2017 and 2018 (July 1, 2016 to June 30, 2018). A detailed explanation how the fees were recalculated, including licensure/credential participation rates, complaints and investigations, and adjustments for inflation can be found in the Frequently Asked Questions document.

For all regulated professional and medical licenses and credentials (except the renewal fee for one profession noted in the enclosed fee schedule), initial application and renewal fees will be reduced or maintained at the current level, including the following:

- Maintaining initial and renewal fees for 43 licenses/credentials (approximately 25 percent)
- Reducing initial fees for 82 licenses/credentials (approx. 48 percent) with an average reduction of \$26.78
- Reducing renewal fees for 121 licenses/credentials (approx. 71 percent) with an average reduction of \$57.42
- Reducing both the initial and renewal fees for 80 licenses/credentials (approx. 47 percent)
- Providing a fee reduction to at least one of the fees (initial and/or renewal) for 127 licenses/credentials (approx. 75 percent)
- Establishing equal fees for both initial applications and renewals with a maximum fee of \$75 for 163 licenses/credentials (approx. 96 percent) (exceptions per state statute for fees related to Appraisal Management Companies and Transportation Network Companies; exception per administrative code for fees related to Unarmed Combat Sports)
- Providing a reduced fee to an estimated 361,000 Wisconsin licensure/credential applicants over the next biennium, (approx. 96 percent of all applicants)

The new fee schedule will take effect beginning with initial license applications received in the Department and/or postmarked on or after July 1, 2019, and for license renewals that have an effective date of July 1, 2019 or later. It should be noted that if a license holder receives a notice of renewal prior to July 1, 2019, for a renew-by date of after July 1, 2019, the new fees will apply regardless of when the notice is received or when payment is made. If a license holder's renew-by date is before July 1, 2019, and the payment is made after July 1, 2019, the fee noted on the notice of renewal will still apply. If the license holder's renew-by date is on or after July 1, 2019, the new fees will apply.

If you have any questions regarding the information provided, please do not hesitate to contact Yolanda McGowan, Division Administrator, Division of Policy Development.

Sincerely,

A handwritten signature in cursive script that reads "Dawn B. Crim". The signature is written in black ink and is positioned above the typed name and title.
