State of Wisconsin
DEPARTMENT OF SAFETY AND PROFESSIONAL SERVICES
CORRESPONDENCE / MEMORANDUM

DATE: January 1, 2025

TO: Board, Council, and Committee Members

FROM: Legal Counsel

SUBJECT: Liaison Definitions and Delegations Explanations

Overall Purpose of Liaison Appointments

Each Board/Section (Board) has inherent authority that is established in our Wisconsin Statutes. This authority may change from Board to Board. Further information on your Board's authority can be found in Wis. Stat. ch. 15. Generally, each Board has authority to grant credentials, discipline credential holders, and set standards for education and examinations. In order to efficiently accomplish these tasks, Boards may appoint Liaisons. Liaisons assist with the operations of the Boards' purpose by weighing in on legislative matters, traveling to national conferences, or communicating with stakeholders.

The Department asks that each year the Boards make Liaison appointments to assist the Board and Department to accomplish these tasks in an efficient manner. Your practical knowledge and experience, as an appointed member of a professional board, are essential in making determinations regularly. The Liaison positions listed below assist the Department to complete operations between Board meetings. In most cases, Liaisons can make decisions for the full Board in their designated area. However, these areas are determined through the delegation process. Please note, a Liaison may also decide to send the delegated matter to the full Board for consideration as appropriate. Delegations assist the Board in defining the roles and authorities of each Liaison and other Board functions.

Liaison Definitions

Credentialing Liaison: The Credentialing Liaison is empowered by the Board to review and make determinations regarding certain credential applications. The Credentialing Liaison may be called on by Department staff to answer questions that pertain to qualifications for licensure, which may include whether a particular degree is suitable for the application requirements, whether an applicant's specific work experience satisfies the requirements in statute or rule for licensure, or

whether an applicant's criminal or disciplinary history is substantially related to the practice of the profession in such a way that granting the applicant a credential would create a risk of harm to the public. Questions will likely be sent by Department staff to the Credentialing Liaison via email and may include application materials. The Credentialing Liaison serves a very important role in the credentialing process.

Monitoring Liaison: The Monitoring Liaison is empowered by the Board to make decisions on any credential that is limited either through a disciplinary order or initial licensure. The Department Monitors will send requests from credential holders to the Monitoring Liaison. These requests vary wildly. A common request could be to remove a limitation that has been placed on a credential or to petition for full licensure. The Monitoring Liaison can review these requests and make decisions on behalf of the Board. The Board has the authority to grant decision making latitude to their liaison to any degree. If the Monitoring Liaison has a question on a request, it is advisable for the Liaison to consult further with Department staff or bring the matter to the full Board for consideration.

Professional Assistance Procedure (PAP) Liaison: PAP is a voluntary program open to credential holders with substance abuse issues who wish to seek help by being held accountable through treatment and monitoring by the Department and Board. As part of PAP, the credential holder enters into an agreement with the Department to undergo testing, counseling, or other rehabilitation. The PAP Liaison's role includes responding to credential holders' requests for modifications and terminations of provisions of the agreement. Similar to the Monitoring Liaison, the Department Monitors will send requests from credential holders to the PAP Liaison for further review.

Education and Examination Liaison: Some Boards are required by statute or rule to approve qualifying education and examinations. The Education and Examination Liaison provides guidance to Department staff to exercise authority of the Board to approve or decline examinations and educational programs. This determination requires a level of professional expertise and should be performed by a professional member of the Board. For some Boards, the Education and Examination Liaison will also be tasked with approving continuing education programs and courses.

Legislative Liaison: The Legislative Liaison is permitted to act and speak on the Board's behalf regarding pending and enacted legislation or actions being considered by the legislature outside of Board meetings. The Legislative Liaison is not the Board's designated lobbyist and should exercise their delegated authority carefully.

Travel Authorization Liaison: The Travel Authorization Liaison is authorized to approve a Board member to travel to events and speak or act on the Board's behalf between Board meetings. The Travel Authorization Liaison is called upon to make decisions when sufficient notice was not received, and the full Board could not determine a representative to travel. The Travel Authorization Liaison is tasked with making determinations if the Board appointed representative is not able to attend or if the Board becomes authorized to send additional members as scholarship and funding streams can be unpredictable.

Communication Liaison: The Communication Liaison responds to questions that arise on behalf of the Board. The Communication Liaison works with the Department to cultivate an appropriate response which will be sent by the Executive Director or Board Counsel. The Communication Liaison **can** be responsible for all types of communication on behalf of the Board. However, the Board can appoint a separate **Website Liaison** to work with DSPS staff to make changes and ensure the Board webpage contains updated and accurate information. Additionally, for the Boards that are required by statute to produce a newsletter or digest, the Board can appoint a separate **Newsletter/Digest Liaison** to assemble and approve content for those communications.

Screening Panel Members: Screening Panel Members review incoming complaints against credential holders and determine which complaints should be opened for investigation and which complaints should be closed without further action. The complexity and amount of work in this role depends substantially on your Board. As a member of the Screening Panel, you are asked to apply your professional expertise to determine if a complaint alleges unprofessional conduct.

Delegations Explanations

CREDENTIALING DELEGATIONS

The overall purpose of credentialing delegations is to allow the credentialing process to proceed as efficiently and effectively as possible.

Delegation of Authority to Credentialing Liaison (Generic)

MOTION EXAMPLE: to delegate authority to the Credentialing Liaison(s) to serve as a liaison between the Department and the Board and to act on behalf of the Board in regard to credentialing applications or questions presented to them, including the signing of documents related to applications.

PURPOSE: To allow a representative of the Board to assist Department staff with credentialing applications and eliminate the need for the entire Board to convene to consider credential application content or questions. Additionally, it is most efficient to have the designated liaison who has assisted with the credentialing process be able to effectuate decisions which require a signature.

Delegation of Authority to DSPS When Credentialing Criteria is Met

MOTION EXAMPLE: to delegate credentialing authority to the Department to act upon applications that meet all credentialing statutory and regulatory requirements without Board or Board liaison review.

PURPOSE: To permit Department staff to efficiently issue credentials and eliminate the need for Board/Section/Liaison review when all credentialing legal requirements are met in an application. This delegation greatly decreases workload on Board members and cuts down processing time on applications.

Delegation of Authority for Predetermination Reviews

MOTION EXAMPLE: to delegate authority to the Department Attorneys to make decisions regarding predetermination applications pursuant to Wis. Stat. § 111.335(4)(f).

PURPOSE: In general, the Wisconsin Fair Employment Act (codified in Wis. Stat. Ch. 111) prohibits licensing agencies from discriminating against applicants because of their arrest and/or conviction record. However, there are exceptions which permit denial of a license in certain circumstances. Individuals who do not possess a license have a legal right to apply for a determination of whether they are disqualified from obtaining a license due to their conviction record. This process is called “Predetermination.” Predetermination reviews must be completed within 30 days. This delegation allows Department Attorneys to conduct predetermination reviews and efficiently make these legal determinations without need for Board/Section/Liaison review.

Delegation of Authority for Conviction Reviews

MOTION EXAMPLE: to delegate authority to the Department Attorneys to review and approve applications with convictions which are not substantially related to the relevant professional practice.

PURPOSE: As used here, “substantially related” is a legal standard that is used in the Wisconsin Fair Employment Act. The concept of what is “substantially related” is informed by case law. This delegation permits Department Attorneys to independently conduct conviction reviews and efficiently approve applications if convictions are not substantially related to the practice of the profession. Applications that contain conviction records that may be substantially related to the practice of a profession will still be submitted to the Credentialing Liaison for input.

Delegation to DSPS When Applicant’s Disciplinary History Has Been Previously Reviewed

MOTION EXAMPLE: to delegate authority to Department staff to approve applications where Applicant’s prior discipline has been approved for a previous credential and there is no new discipline.

PURPOSE: Some Boards offer progressive levels of credentials. This delegation eliminates the need for a re-review of discipline that has already been considered and approved by the Board/Section/Liaison for a lower-level credential.

Delegation to DSPS When Applicant’s Conviction History Has Been Previously Reviewed

MOTION EXAMPLE: to delegate authority to Department staff to approve applications where criminal background checks have been approved for a previous credential and there is no new conviction record.

PURPOSE: Some Boards offer progressive levels of credentials. This delegation eliminates the need for a re-review of conviction history that has already been reviewed and approved for a lower-level credential.

Delegation of Authority for Reciprocity Reviews

MOTION EXAMPLE: to delegate authority to the Department Attorneys to review and approve reciprocity applications in which the out of state license requirements meet Wisconsin license requirements. (specific legal standards are referenced in the motion depending on credential/profession type).

PURPOSE: Applications via reciprocity or endorsement require comparison of Wisconsin licensing requirements to the licensing requirements of another jurisdiction. These reviews consider the legal standard for reciprocity, which varies by profession, as well as the specified legal requirements to obtain licensure in the profession. This delegation permits Department Attorneys to independently conduct reciprocity reviews and efficiently approve applications if legal standards and requirements are met for licensure. Applications for which reciprocity may not be available will still be submitted to the Credentialing Liaison for input.

Delegation of Authority for Military Reciprocity Reviews

MOTION EXAMPLE: to delegate authority to the Department Attorneys to review and approve military reciprocity applications in which the individual meets the requirements of Wis. Stat. § 440.09.

PURPOSE: The law permits service members, former service members, and their spouses to be licensed if they hold licensure in other jurisdictions that qualify them to perform acts authorized by the credential they are seeking in Wisconsin. This is a shortened path to licensure that does not require meeting the specific requirements/standards for licensure/reciprocity in a profession. By law, the Department/Board must expedite the issuance of a reciprocal license via military reciprocity. This delegation permits Department Attorneys to independently conduct military reciprocity reviews and efficiently approve applications if legal standards and requirements are met for licensure. Applications for which reciprocity may not be available will still be submitted to the Credentialing Liaison for input.

Delegation of Authority for Application Denial Reviews

MOTION EXAMPLE: to delegate authority to the Department's Attorney Supervisors to serve as the Board designee for purposes of reviewing and acting on requests for hearing as a result of a denial of a credential.

PURPOSE: When an application is denied, the applicant has a legal right to appeal the denial determination. Applicants must meet a specified legal standard in order to have an appeal granted. Additionally, Wisconsin law sets specific time frames for appeal decisions. This delegation permits Department Attorney Supervisors to independently review and efficiently act on requests for hearing as a result of a denial of a credential.

Delegation to Department Attorneys to Approve Duplicate Legal Issue

MOTION EXAMPLE: to delegate authority to Department Attorneys to approve a legal matter in connection with a renewal application when that same/similar matter was already addressed by the Board and there are no new legal issues for that credential holder.

PURPOSE: The intent of this delegation is to be able to approve prior discipline by the Board for the renewal applicant. This delegation eliminates the need for a re-review of discipline that has already been considered and approved by the Board/Section/Liaison.

Delegation to Department Attorneys to Approve Prior Discipline

MOTION EXAMPLE: to delegate authority to Department Attorneys to approve an applicant's prior professional discipline which resulted in a forfeiture/fine/other monetary penalty, remedial education, and/or reprimand, that is 10 years old or older, and the previously disciplined credential is currently in good standing.

PURPOSE: In order to continue improving processing application legal reviews in a timely matter, this delegation gives Department Attorneys authority to approve prior professional discipline which meets all of the following criteria: (1) it is at least ten years old; (2) it resulted in a monetary penalty, remedial education, and/or reprimand; and (3) the previously disciplined credential is currently in good standing.

MONITORING DELEGATIONS

The overall purpose of monitoring delegations is to be able to enforce the Boards orders and limited licenses as efficiently and effectively as possible. Monitoring delegations have two categories: delegations to the Monitoring Liaison and delegations to the Department Monitor.

Delegation of Authority to Department Monitor

MOTION EXAMPLE: to delegate authority to the Department Monitor:

- a. to grant full reinstatement of licensure if education is the only limitation and credential holder has submitted the required proof of course completion.
- b. to suspend the credential if the credential holder has not completed Board ordered education, paid costs, paid forfeitures, within the time specified by the Board Order.
- c. to lift a suspension when compliance with education and costs provisions have been met.

PURPOSE: These delegations allow for the Department Monitor to automatically act on requests when certain criteria are met or not met without needing to burden the Monitoring Liaison. The Board can set their own criteria for what actions they would like to be handled by the Department, the Monitoring Liaison, and the full Board.

Delegation of Authority to Monitoring Liaison

MOTION EXAMPLE: to delegate authority to the Monitoring Liaison to approve or deny all requests received by the credential holder.

PURPOSE: These delegations allow the Board to set criteria for what decisions can be made by the Board member(s) serving as the Monitoring Liaison and what matters should be decided by the full Board.

Education and Examination Delegations

MOTION EXAMPLE: to delegate authority to the Education and Examination Liaison(s) to address all issues related to qualifying education, continuing education and examinations. Motion carried unanimously. (Differs by Board)

PURPOSE: Some Boards are responsible for approving qualifying educational programs or continuing education courses. A delegation is executed in order for an Education and Examination Liaison to make these determinations on behalf of the Board and with assistance of the Department. Additionally, some Boards review examinations and individual scores to qualify for a credential.

MISCELLANEOUS DELEGATIONS

Document Signature

MOTION EXAMPLE: to delegate authority to the Chairperson (or in absence of the Chairperson, the highest-ranking officer or longest serving board member in that succession) to sign documents on behalf of the Board in order to carry out its duties. Motion carried unanimously.

MOTION EXAMPLE: in order to carry out duties of the Board, the Chairperson (or in absence of the Chairperson, the highest-ranking officer or longest serving board member in that succession) has the ability to delegate signature authority for purposes of facilitating the completion of assignments during or between meetings. The members of the Board hereby delegate to the Executive Director, Board Counsel, or DPD Division Administrator the authority to sign on behalf of a Board member as necessary. Motion carried unanimously.

PURPOSE: To take the action approved at Board meetings, the Department may need to draft correspondence and/or Orders after the meetings have adjourned. These actions then need to be signed by a Board Member. This interaction usually takes place over email and a Board member can authorize the use of his/her signature that is kept on file.

Urgent Matters

MOTION EXAMPLE: in order to facilitate the completion of urgent matters between meetings, the Board delegates its authority to the Chairperson (or, in the absence of the Chairperson, the highest-ranking officer or longest serving Board member in that succession), to appoint liaisons to the Department to act in urgent matters. Motion carried unanimously.

PURPOSE: Allows for quick responses to urgent matters that may need Board approval or for which the Department requires guidance from the Board.

Delegation to Chief Legal Counsel-Due to Loss of Quorum

MOTION EXAMPLE: to delegate the review and authority to act on disciplinary cases to the Department's Chief Legal Counsel due to lack of/loss of quorum after two consecutive meetings. Motion carried unanimously.

PURPOSE: Sometimes Boards can struggle to meet quorum necessary to conduct business. This happens for a multitude of reasons, but this delegation allows for the Boards to have disciplinary cases decided by Chief Legal Counsel if the Board fails to meet quorum for two consecutive meetings.

Delegation to Chief Legal Counsel-Stipulated Resolutions

MOTION EXAMPLE: to delegate to the Department's Chief Legal Counsel (CLC) the authority to act on behalf of the Board concerning stipulated resolutions providing for a surrender, suspension, or revocation of a credential, where the underlying merits involve serious and dangerous behavior, and where the signed stipulation is received between Board meetings. The Board further requests that CLC only act on such matters when the best interests of the Board, Department, and the Public are best served by acting upon the stipulated resolution at the time the signed stipulation is received versus waiting for the next Board meeting. Motion carried unanimously.

PURPOSE: For matters of public safety, it may be necessary to take immediate action on a stipulated agreement rather than allowing a credential holder to continue practicing unencumbered until the next scheduled meeting. This delegation allows CLC to act on behalf of the Board when there is a stipulated agreement. A stipulated agreement is an agreement to which all relevant parties have consented to the terms.

Voluntary Surrenders

MOTION: to delegate authority to the assigned case advisor to accept or refuse a request for voluntary surrender pursuant to Wis. Stat. § 440.19 for a credential holder who has a pending complaint or disciplinary matter.

MOTION: to delegate authority to the Department to accept the voluntary surrender of a credential when there is no pending complaint or disciplinary matter with the Department pursuant to Wis. Stat. § 440.19.

PURPOSE: Credential holders can ask the Boards to accept surrender of their credentials at any time. These delegations are in place for the different situations that arise from those requests. If a credential holder is seeking to surrender their credential because they wish to leave the profession, that can be processed with this delegation by the Department if they have no pending disciplinary complaints. If the credential holder wishes to surrender while they have a pending disciplinary complaint, that request is reviewed by the individual Board member assigned to the case.

DLSC Pre-screening

MOTION EXAMPLE: to delegate pre-screening decision making authority to the DSPS screening attorney for opening cases where the credential holder has failed to respond to allegations contained in the complaint when requested by intake (case will be opened on failure to respond and the merits of the complaint).

PURPOSE: Pre-screening delegations exist so the Board can define specific parameters where the Department can review disciplinary complaints and open those cases if they meet certain criteria. Boards also have the authority to set certain criteria that would allow the Department to review and close a case if the criteria is met.

Delegation to Handle Administrative Rule Matters

MOTION EXAMPLE: to delegate authority to the Chairperson (or, in the absence of the Chairperson, the highest-ranking officer or longest serving Board member in that succession), to act on behalf of the Board regarding administrative rule matters between meetings. Motion carried unanimously.

PURPOSE: In order to advance the administrative rules process, action may need to occur between meetings. This allows for quick responses to urgent matters that may need Board approval or for which the Department requires guidance from the Board.

Relating to: Podiatrists and Telehealth

Rule Type: Permanent

1. Finding/nature of emergency (Emergency Rule only): N/A

The Board intends to update the administrative code to include requirements for podiatrists and the practice of telehealth, as well as bring it into alignment with 2021 Wisconsin Act 121. Section 15.085 (5) (b), Stats., provides that an affiliated credentialing board “[s]hall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains, and define and enforce professional conduct and unethical practices not inconsistent with the law relating to the particular trade or profession.”

Section 448.695 (2), Stats., provides that “the affiliated credentialing board may promulgate rules to carry out the purposes of this subchapter.”

5. Estimate of amount of time that state employees will spend developing the rule and of other resources necessary to develop the rule:

120 hours

6. List with description of all entities that may be affected by the proposed rule:

STATE OF WISCONSIN
MEDICAL EXAMINING BOARD

IN THE MATTER OF RULEMAKING	:	PROPOSED ORDER OF THE
PROCEEDINGS BEFORE THE	:	MEDICAL EXAMINING BOARD
MEDICAL EXAMINING BOARD	:	ADOPTING RULES
	:	(CLEARINGHOUSE RULE 24-039)

PROPOSED ORDER

An order of the Medical Examining Board to repeal Med 24.01 (5) and repeal and recreate Med 24.02, relating to Telemedicine and Telehealth.

Analysis prepared by the Department of Safety and Professional Services.

ANALYSIS

Statutes interpreted: ss. 440.01 (1) (hm) and 440.17, Stats.

Statutory authority: ss. 15.08 (5) (b) and 448.40 (1), Stats.

Explanation of agency authority:

Section 15.08 (5) (b), Stats. states that “The Board shall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains, and define and enforce professional conduct and unethical practices not inconsistent with the law relating to the particular trade or profession.”

Section 448.40 (1), Stats., provides that “[t]he board may promulgate rules to carry out the purposes of this subchapter, including rules requiring the completion of continuing education, professional development, and maintenance of certification or performance improvement or continuing medical education programs for renewal of a license to practice medicine and surgery.”

Related statute or rule: None.

Plain language analysis: The objective of the proposed rules is to implement the statutory changes from 2021 Wisconsin Act 121. This was achieved by revising the definition of “telemedicine,” as well as removing a reference to the Physician Assistant Affiliated Credentialing Board by repealing section Med 24.05 (5). The new Telemedicine and Telehealth rules for Physician Assistants are listed in section PA 3.08, so the Board decided it was no longer necessary to have a reference included in chapter Med 24. The rules in section PA 3.08 align with the statute changes from 2021 Wisconsin Act 121 and the changes to Med 24 from this rule.

Summary of, and comparison with, existing or proposed federal regulation: The U.S. Code of Federal Regulations (CFR) includes requirements for Telehealth services in the context of Medicare patient and provider relationships. Definitions for terms in this section of the CFR include asynchronous store and forward technologies, distant site, interactive telecommunications system, and originating site. In general, these requirements allow for telehealth visits to be paid for through Medicare part B as long as the conditions in this section of the CFR are met [42 CFR 410.78].

Comparison with rules in adjacent states:

Illinois: The Illinois Department of Financial and Professional Regulation is responsible for the licensure and regulation of the practice of medicine in Illinois, with input from the Illinois State Medical Board. The Illinois Department is also responsible for the promulgation of rules to implement certain sections of the Illinois Medical Practice Act of 1987. This Act contains requirements for applications, licensure, and discipline for physicians. As outlined in Section 49.5, telemedicine may only be performed by someone who has an Illinois medical license or permit. Telemedicine includes, but is not limited to diagnosis and treatment of a patient in Illinois by a person in a different location than the patient via electronic means of communication. [225 Illinois Compiled Statutes ch. 60 s. 49.5].

Iowa: The Iowa Board of Medicine is responsible for the licensure and regulation of medicine and surgery in Iowa. Chapter 148 of the Iowa Code includes statutory requirements for licensure, composition and powers of the Iowa Board, and discipline for physicians [Iowa Code ch. 148]. The Iowa Administrative Code includes rules relating to medical practice, including Telemedicine. In Iowa, Telemedicine means the practice of medicine via electronic communications including asynchronous transmission. [653 Iowa Administrative Code ch. 13 s. 13.11].

Michigan: The Michigan Board of Medicine is responsible for the licensure and regulation of medical practice in Michigan. Act 368 Article 15 Part 170 of the Michigan Compiled Laws includes the regulations for medicine in Michigan, among several other occupations. Some of the requirements in this part include those for licensure, informed consent, and duties of the Michigan Board. [Michigan Compiled Laws ss. 333.17001-333.17097]. The statutory definition for Telehealth in Michigan is contained in Act 218 Chapter 34 Section 500 and includes the use of electronic media to link patients with health care professionals [Michigan Compiled Laws s. 500.3476 (2) (b)].

Minnesota: The Minnesota Board of Medical Practice is responsible for the licensure and regulation of medicine in Minnesota. Part 6800 of the Minnesota Administrative Code includes requirements for licensure, continuing education, and hearings before the Minnesota Board. [Minnesota Administrative Rules part 5600]. Chapter 147 of the Minnesota Statutes, or the Minnesota Medical Practice Act, also includes requirements for licensure, practice, and discipline for physicians, as well as Telehealth [Minnesota Statutes ch. 147]. In Minnesota, the statutory definition of Telehealth is included in the Minnesota Telehealth Act and means the delivery of healthcare services via two-way interactive communications [Minnesota Statutes ch. 62A s. 62A.673 (2) (h)].

Summary of factual data and analytical methodologies:

The Board reviewed 2021 Wisconsin Act 121 and made changes to Wisconsin Administrative Code Chapter Med 24 accordingly.
