CLEARINGHOUSE RULE 26-029

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]

1. Statutory Authority

In the “Statutes interpreted” section of the rule analysis, should additional statutes be listed? Section 448.695 (2), Stats., provides the authority to “promulgate rules to carry out the purposes of this subchapter”, which suggests that some other statute is relevant. Based on the content of the proposed rule, examples could include ss. 440.17, 448.61, 448.675 and 448.695 (1) (a), Stats. Also, consider including s. 15.085 (5) (b), Stats., as both a statute interpreted and a source of statutory authority.

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In the “Explanation of agency authority” section of the rule analysis, change “trader” to “trade”.

b. In the “Plain language analysis” section of the rule analysis, consider specifying the subject matter of ch. Pod 9. Also, add a space between “9” and “and”. Also, add a comma before “which” in the third sentence.

c. In SECTION 4, consider using “board” instead of “podiatry affiliated credentialing board” because “board” is defined as such.
