History of PSYPACT

4

Designed to regulate:

- The day-to-day practice of **telepsychology across state boundaries** and/or
- The **temporary in-person, face-to-face** practice of psychology for up to 30 days annually

5

- Increases client/patient access to care
- Facilitates continuity of care when client/patient relocates, etc.
- Certifies that psychologists have met acceptable standards of practice
- Promotes cooperation across PSYPACT states in the area of licensure and regulation
- Offers a higher degree of consumer protection across state lines

6

PSYPACT: Starting Point

PSYPACT became operational when seven states enacted PSYPACT into law.

The Commission, the governing body of PSYPACT, was formed. The Commission is a Joint Governmental Agency of Member States

As new states enact, they join the Commission.

Each PSYPACT participating state has one representative.

Bylaws, Rules and Policies are created by Commission.

PSYPACT states communicate and exchange information including verification of licensure and disciplinary sanctions.

7

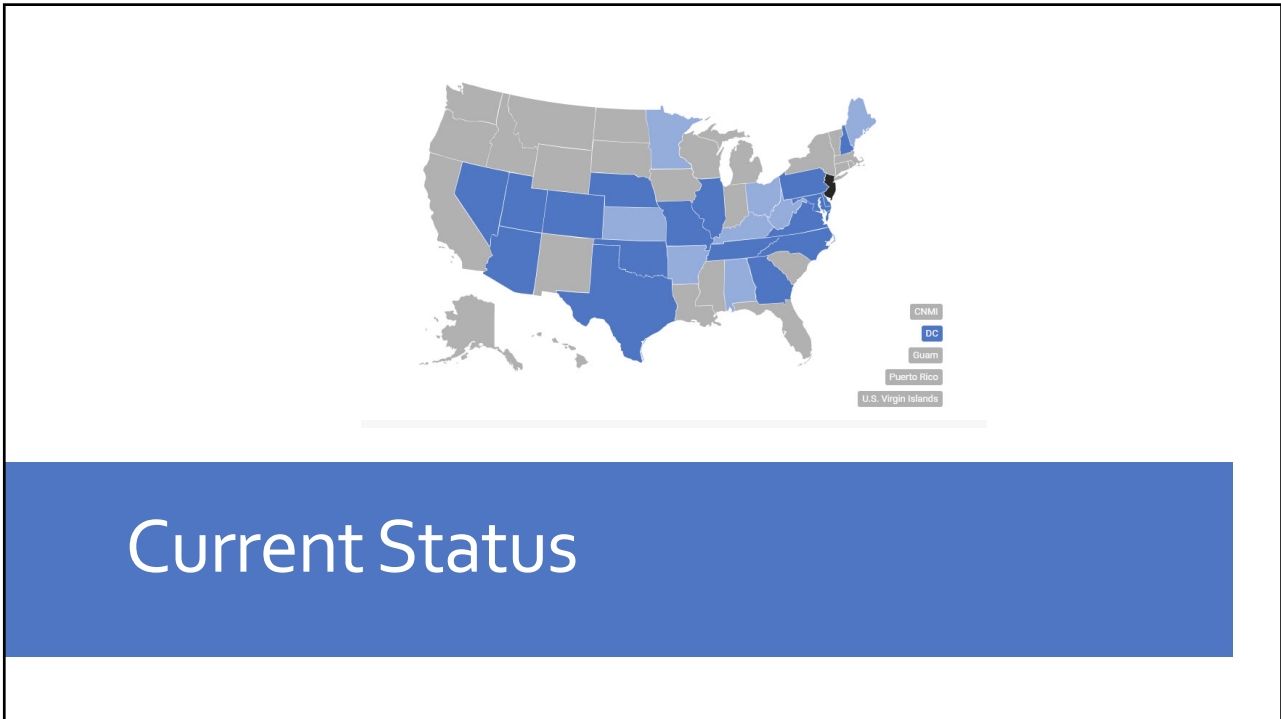

Continued Work of the Commission

- Adopted Bylaws
- Promulgated Rules
- Policies and Procedures
- Approved 2021 Budget
- Drafted and Adopted Commission Code of Ethics
- Elected 2021 Executive Board
- Established standing committees
