DISCLOSURE TO CLIENTS # BROKER DISCLOSURE TO CLIENTS:

- 110 Under Wisconsin law, a brokerage firm (hereinafter firm) and its brokers and salespersons (hereinafter agents) owe 111 certain duties to all parties to a transaction:
  - 2 (a) The duty to provide brokerage services to you fairly and honestly.

- (b) The duty to exercise reasonable skill and care in providing brokerage services to you. 113
- 114 The duty to provide you with accurate information about market conditions within a reasonable time if you request it, 115 unless disclosure of the information is prohibited by law
- The duty to disclose to you in writing certain Material Adverse Facts about a property, unless disclosure of the 116 information is prohibited by law. (see lines xxx-xxx) 117
- The duty to protect your confidentiality. Unless the law requires it, the firm and its agents will not disclose your 118 confidential information or the confidential information of other parties. (see lines xxx-xxx) 119

### BECAUSE YOU HAVE ENTERED INTO AN AGENCY AGREEMENT WITH A FIRM, YOU ARE THE FIRM'S CLIENT. A FIRM OWES ADDITIONAL DUTIES TO YOU AS A CLIENT OF THE FIRM:

- (a) The firm or one of its agents will provide, at your request, information and advice on real estate matters that affect your transaction, unless you release the firm from this duty.
- (b) The firm or one of its agents must provide you with all material facts affecting the transaction, not just Adverse Facts.
- 128 (c) The firm and its agents will fulfill the firm's obligations under the agency agreement and fulfill your lawful requests 129 that are within the scope of the agency agreement.
- 130 (d) The firm and its agents will negotiate for you, unless you release them from this duty.
  - (e) The firm and its agents will not place their interests ahead of your interests. The firm and its agents will not, unless required by law, give information or advice to other parties who are not the firm's clients, if giving the information or advice is contrary to your interests.
  - If you become involved in a transaction in which another party is also the firm's client (a "multiple representation relationship"), different duties may apply.

#### MULTIPLE REPRESENTATION RELATIONSHIPS AND DESIGNATED AGENCY

- A multiple representation relationship exists if a firm has an agency agreement with more than one client who is a party in the same transaction. If you and the firm's other clients in the transaction consent, the firm may provide services through designated agency, which is one type of multiple representation relationship.
- Designated agency means that different agents with the firm will negotiate on behalf of you and the other client or clients in the transaction, and the firm's duties to you as a client will remain the same. Each agent will provide information, opinions, and advice to the client for whom the agent is negotiating, to assist the client in the negotiations. Each client will be able to receive information, opinions, and advice that will assist the client, even if the information, opinions, or advice gives the client advantages in the negotiations over the firm's other clients. An agent will not reveal any of your confidential information to another party unless required to do so by law.
- If a designated agency relationship is not authorized by you or other clients in the transaction you may still authorize or reject a different type of multiple representation relationship in which the firm may provide brokerage services to more than one client in a transaction but neither the firm nor any of its agents may assist any client with information, opinions, and advice which may favor the interests of one client over any other client. Under this neutral approach, the same agent may represent more than one client in a transaction.
- If you do not consent to a multiple representation relationship the firm will not be allowed to provide brokerage services 151 to more than one client in the transaction. 152

### **CHECK ONLY ONE OF THE THREE BELOW:**

The same firm may represent me and the other party as long as the same agent is not representing us both (multiple representation relationship with designated agency).
The same firm may represent me and the other party, but the firm must remain neutral regardless if one or more different agents are involved (multiple representation relationship without designated agency).
The same firm cannot represent both me and the other party in the same transaction (I reject multiple representation relationships)

NOTE: All clients who are parties to this agency agreement consent to the selection checked above. You may 162 modify this selection by written notice to the firm at any time. Your firm is required to disclose to you in your 163 agency agreement the commission or fees that you may owe to your firm. If you have any guestions about the 164 commission or fees that you may owe based upon the type of agency relationship you select with your firm, you should ask your firm before signing the agency agreement.

#### SUBAGENCY

Your firm may, with your authorization in the agency agreement, engage other firms (subagent firms) to assist your firm by providing brokerage services for your benefit. A subagent firm and the agents with the subagent firm will not put their own interests ahead of your interests. A subagent firm will not, unless required by law, provide advice or opinions to other parties

170 if doing so is contrary to your interests.

171 PLEASE REVIEW THIS INFORMATION CAREFULLY. An agent can answer your questions about brokerage 172 services, but if you need legal advice, tax advice, or a professional home inspection, contact an attorney, 17\$ advisor, or home inspector.

Buyer agrees to be reasonably available for showings of properties. #### 101 DISCLOSURE TO CLIENTS

102 Under Wisconsin law, a brokerage firm (hereinafter firm) and its brokers and salespersons (hereinafter agents) owe 103 certain duties to all parties to a transaction:

- 104 (a) The duty to provide brokerage services to you fairly and honestly.
- 105 (b) The duty to exercise reasonable skill and care in providing brokerage services to you.
- 106 (c) The duty to provide you with accurate information about market conditions within a reasonable time if you request it, unless disclosure of the information is prohibited by law.
- 108 (d) The duty to disclose to you in writing certain Material Adverse Facts about a property, unless disclosure of the information is prohibited by law. (See lines xxx-xxx.)
- 110 (e) The duty to protect your confidentiality. Unless the law requires it, the firm and its agents will not disclose your confidential information or the confidential information of other parties. (See lines xxx-xxx.)

- 112 (f) The duty to safeguard trust funds and other property the firm or its agents holds.
- 113 (g) The duty, when negotiating, to present contract proposals in an objective and unbiased manner and disclose the advantages and disadvantages of the proposals.

# 115 BECAUSE YOU HAVE ENTERED INTO AN AGENCY AGREEMENT WITH A FIRM, YOU ARE THE FIRM'S CLIENT. 116 A FIRM OWES ADDITIONAL DUTIES TO YOU AS A CLIENT OF THE FIRM:

- 117 (a) The firm or one of its agents will provide, at your request, information and advice on real estate matters that affect your transaction, unless you release the firm from this duty.
- 119 (b) The firm or one of its agents must provide you with all material facts affecting the transaction, not just Adverse Facts.
- 120 (c) The firm and its agents will fulfill the firm's obligations under the agency agreement and fulfill your lawful requests
  121 that are within the scope of the agency agreement.
- 122 (d) The firm and its agents will negotiate for you, unless you release them from this duty.
- 123 (e) The firm and its agents will not place their interests ahead of your interests. The firm and its agents will not, unless required by law, give information or advice to other parties who are not the firm's clients, if giving the information or advice is contrary to your interests.
- 126 If you become involved in a transaction in which another party is also the firm's client (a "multiple representation 127 relationship"), different duties may apply.

### MULTIPLE REPRESENTATION RELATIONSHIPS AND DESIGNATED AGENCY

- A multiple representation relationship exists if a firm has an agency agreement with more than one client who is a party in the same transaction. If you and the firm's other clients in the transaction consent, the firm may provide services through designated agency, which is one type of multiple representation relationship.
- Designated agency means that different agents with the firm will negotiate on behalf of you and the other client or clients in the transaction, and the firm's duties to you as a client will remain the same. Each agent will provide information, opinions, and advice to the client for whom the agent is negotiating, to assist the client in the negotiations. Each client will be able to receive information, opinions, and advice that will assist the client, even if the information,
- opinions, or advice gives the client advantages in the negotiations over the firm's other clients. An agent will not reveal any of your confidential information to another party unless required to do so by law.
- If a designated agency relationship is not authorized by you or other clients in the transaction you may still authorize or reject a different type of multiple representation relationship in which the firm may provide brokerage services to more than one client in a transaction but neither the firm nor any of its agents may assist any client with information, opinions, and advice which may favor the interests of one client over any other client. Under this neutral approach, the same agent
- may represent more than one client in a transaction.
  If you do not consent to a multiple representation relationship the firm will not be allowed to provide brokerage services
  to more than one client in the transaction.

CUECK ONLY ONE OF THE THREE BELOW.

145	CHECK ONLY ONE OF THE THREE BELOW:
146 147	The same firm may represent me and the other party as long as the same agent is not representing us both (multiple representation relationship with designated agency).
148 149 150	The same firm may represent me and the other party, but the firm must remain neutral regardless if one or more different agents are involved (multiple representation relationship without designated agency).
151 152	The same firm cannot represent both me and the other party in the same transaction (I reject multiple representation relationships).

NOTE: All clients who are parties to this agency agreement consent to the selection checked above. You may modify this selection by written notice to the firm at any time. Your firm is required to disclose to you in your agency agreement the commission or fees that you may owe to your firm. If you have any questions about the commission or fees that you may owe based upon the type of agency relationship you select with your firm, you should ask your firm before signing the agency agreement.

#### SUBAGENCY

158

Your firm may, with your authorization in the agency agreement, engage other firms (subagent firms) to assist your firm by providing brokerage services for your benefit. A subagent firm and the agents with the subagent firm will not put their own interests ahead of your interests. A subagent firm will not, unless required by law, provide advice or opinions to other parties if doing so is contrary to your interests.

PLEASE REVIEW THIS INFORMATION CAREFULLY. An agent can answer your questions about brokerage services, but if you need legal advice, tax advice, or a professional home inspection, contact an attorney, tax advisor, or home inspector.

166 This disclosure is required by section 452.135 of the Wisconsin statutes and is for information only. It is a plain language

167 summary of the duties owed to you under section 452.133(2) of the Wisconsin statutes.

- CONFIDENTIALITY NOTICE TO CLIENTS: The Firm and its agents will keep confidential any information given to the
  Firm or its agents in confidence, or any information obtained by the Firm and its agents that a reasonable person would
  want to be kept confidential, unless the information must be disclosed by law or you authorize the Firm to disclose
  particular information. The Firm and its agents shall continue to keep the information confidential after the Firm is no
  longer providing brokerage services to you.
- 173 The following information is required to be disclosed by law:
- 174 1) Material Adverse Facts, as defined in § 452.01 (5g) of the Wisconsin statutes (see lines xxx-xxx).
- Any facts known by the Firm and its agents that contradict any information included in a written inspection report on the property or real estate that is the subject of the transaction.

To ensure that the Firm and its agents are aware of what specific information you consider confidential, you may list that information below (see lines xxx-xxx). At a later time, you may also provide the Firm with other information you consider to be confidential.

MAIVER OF CONFIDENTIALITY

An example of this type of information might be financial qualification information which may be disclosed to strengthen Buyer's offer to purchase in the eyes of prospective sellers. Buyer's authorization to disclose may be indicated at lines xxx-xxx. Unless otherwise provided at lines xxx-xxx, the Firm and its agents have permission to disclose Buyer's identity to an owner, owner's agents and other third parties without prior consent from Buyer. Buyer acknowledges that pursuant to Wis. Stat. §706.03(1)(b)(1m) a conveyance, such as an offer to purchase, is not binding if it is signed by a representative properly authorized by Buyer (e.g., with a power of attorney) until such time as Buyer is identified in the conveyance.

194 **NON-EXCLUSIVE RELATIONSHIP** Buyer acknowledges and agrees that the Firm and its agents may act for other buyers in connection with the location of properties and may negotiate on behalf of such buyers with the owner or owner's agent. In the event that the Firm or its agents undertake to represent and act for other buyers, the Firm and its agents shall not disclose to Buyer, or any other buyer, any confidential information of any buyer, unless required by law.

PROPERTY DIMENSIONS Buyer acknowledges that property dimensions, total square footage and total acreage information provided to Buyer may be approximate due to rounding and may vary due to different formulas which can be used to calculate these figures. Unless otherwise indicated, property dimension figures have not been verified by survey.

201 CAUTION: Buyer should verify any property dimension or total square footage/acreage calculation which is 202 material to Buyer.

#### **WB-36 REVISIONS**

To: DSPS Real Estate Contractual Forms Advisory Committee

From: WRA Forms Committee

Date: June 28, 2016

RE: WB-36 Buyer Agency Agreement

The following are possible revisions to the WB-36 Buyer Agency Agreement (mandatory use date 7-1-08). The line numbers in this memo refer to either DRAFT 1 or DRAFT 2, as stated. Draft 1, file 20160518 WB-36 Draft1, is the draft as it was left after the last meeting of the DSPS Real Estate Contractual Forms Advisory Committee on May 18. Draft 2, file wb-36 DRAFT2\_June2016d, labeled DRAFT 2, was created to show language adopted by this Committee without the tracking down through line 10, shows the proposals of the WRA forms Committee down through line 185 as well as some language under discussion or consideration thereafter – an idea board, if you will. Draft 1 more closely resembles the current WB-36 and is in tracking.

**DISCUSSION ITEMS:** At present the WB-36 is used for buyers, both residential and commercial and everything in between, as well as for both residential and commercial tenants. The question is whether having one approved form for this is sufficient. If there were to be more than one form, would there be one just for tenants and one just for buyers, or one just for commercial and one for residential?

The WRA Forms Committee favors leaving the WB-36 for purchases and creating a separate approved form for tenant representation designed primarily for commercial situations but also capable of being used in residential situations. The DSPS Real Estate Contractual Forms Advisory Committee has agreed to create a second form for tenant representation. They noted that the WB-36 revisions and the new tenant representation agreement would need to be released at the same time since the two agreements would be replacing the functions of the current WB-36. A few commercial brokers say the WB-36 cannot be used for commercial tenants (which technically is not true), but it is easy to see why a business looking for commercial rental space would decline to enter into the WB-36 because the majority of the form is focused on buyers. In addition, using the WB-36 for tenant representation may be problematic in the Compensation section because the WB-36 is not structured to readily describe commission based upon a lease rather than a sale.

The WRA Forms Committee will soon begin work on a tenant representation. WRA staff is putting together a group of tenant representation practitioners who will contribute their insight, expertise and experience to help this Committee develop a draft of a tenant representation agreement. If anyone has any suggested provisions or tenant representation forms that have some good items in them, please forward them to <a href="mailto:dconrad@wra.org">dconrad@wra.org</a>

<u>Note</u>: In beginning to reach out to commercial practitioners, a couple of them have responded that they use the WB-36 and modify it to make it work, using additional provisions and addenda. They write in a general description of what the client is looking for under the belief that the client wants to know what the broker is being hired to do. One uses exclusions to exclude market areas. They modify items like the term of the agreement, add email delivery, lengthen the time to provide protected property and do extensive modification of the commission provisions. They fill out the WB-36 to provide for both leases and

purchases because a client may need a particular type of space or facility and intend that it would be leased but sometimes it turns out that a purchase works out better. These brokers are about providing service to the client and finding whatever works best for the client.

As the WB-36 is worked on, please keep in mind that the form needs to comply with **Wis. Stat. § 240.10(1)**:

"Every contract to pay a commission to a real estate agent or broker or to any other person for selling or buying real estate shall be void unless such contract or note or memorandum thereof <u>describes that real estate</u>; expresses the price for which the same may be sold or <u>purchased</u>, the commission to be paid and the period during which the agent or broker shall procure a buyer or <u>seller</u>; is in <u>writing</u>; and is <u>subscribed</u> by the person agreeing to pay such commission, except that a contract to pay a commission to a person <u>for locating a type of property need not describe the property</u>."

Similarly, the tenant representation agreement will need to comply with **Wis. Stat. § 240.10(2)**: "Every contract to pay a commission to any real estate agent or broker or to any person <u>for leasing</u> real estate for <u>a term exceeding 3 years</u> shall be void unless such contract, note or memorandum thereof <u>describes that real estate</u>; <u>expresses the rent to be paid or a method to determine</u> the same, the <u>length of the lease</u>, the <u>commission</u> to be paid, and <u>the period during which said person shall procure a tenant</u>; is in <u>writing</u>; and is <u>subscribed by the person agreeing to pay</u> such commission, <u>except that a contract to pay a commission to a person for locating a type of property need not describe the property."</u>

### Wis. Admin. Code § REEB 24.02 definitions:

- (2) "Agency agreement" means a written agreement between a broker and a client in which the client authorizes the broker to provide brokerage services to the client.
- (3) "Brokerage service" means any service described under s. 452.01 (2), Stats., provided by a broker to another person.
- (5) "Buyer's brokerfirm" means a licensee firm who has an agency agreement with a buyer.
- (6) "Client" means a party to a transaction who has an agency agreement with a broker for brokerage services.

# WB-36 Buyer Agency Agreement RECAP

- Update the top of the form to say Approved by the Wisconsin Real Estate Examining Board.
- ♦ Chapter 452 Terminology. The terminology throughout this form is modified in anticipation of the Wis. Stat. chapter 452 revisions wherein the proposed terminology would refer to a Firm to mean either a broker entity or a sole proprietor broker. Those revisions additionally refer to salespersons, licensed individual brokers, and licensed broker entities, but here the choice was to refer to the Firm and the agents of the Firm. A definition of "Firm" was added to the draft.

#### **RECAP -- AUTHORIZATION**

In the broadest sense, what is needed is an authorization from Buyer to the Firm to provide brokerage services. Additional considerations are whether this is exclusive –and what properties are being looked for – what is fair game?

**★**MAJOR FUNDAMENTAL ISSUE: Should the WB-36 Continue with the Firm Serving as the Exclusive Buyer's Agent and the Buyer Being Able to Work with Owners or Other Firms?

The WRA Forms Committee was in favor of continuing with the exclusive buyer's agent model, rather than changing to an exclusive agent to locate and negotiate the acquisition of an interest in property. The

latter would be the 24/7 model where the buyer client would need to always work with the buyer's agent and not with any owners, other agents or attorneys (depending upon how this was expressed). The existing model is not an exclusive right to locate and negotiate arrangement – the buyer is not prohibited from personally contacting sellers or seller's agents regarding properties he or she may be interested in. The buyer is not prohibited from working with his or her attorney to assist with negotiations and is not prohibited from getting business strategies and acquisition advice from his or her cousin Henry, the real estate tycoon. The only prohibition regarding the people the buyer may work with is that the buyer cannot hire another buyer's agent with respect to the properties subject to the WB-36. Note that this was qualified a touch on line of the DRAFTS to acknowledge there may be prior buyer agency agreements with protected properties in play.

In the current WB-36 the Firm's tasks are broken down into locating properties and negotiating for properties. The drafters can modify this by lining out language within lines 1-5. Should this be made more apparent, for example, separate lines or check boxes for location and for negotiation?

- ★ If the buyer client is not selecting/waiving negotiation, then the documentation of a waiver of duties would be needed per Wis. Stat. § 452.133(6): "... a waiver under this subsection is not effective unless the Firm or licensees associated with the Firm provide to the client a written disclosure containing all of the following: (a) A copy of the text of sub. (2)(d) and § 452.01(5m), and, and a statement that, as a consequence of the client's waiver, the Firm or licensees associated with the Firm will have no legal duty to perform the duty imposed by sub.(2)(d). (b) A statement that as a consequence of the client's waiver, the client may require the assistance of an attorney or another service provider to fulfill the client's goals and contractual duties in the transaction."
- ★ If the buyer client is not seeking services to locate a property and the Firm will negotiate to acquire an interest in property, there is also a concern that simply writing the offer without providing any other brokerage services would violate license law and leave the broker in the position of engaging in the unauthorized practice of law per Wis. Admin. Code § REEB 16.05(3), § REEB 16.04(1) and § REEB 16.05(3). Taken all together a licensee may not enter into an agency agreement like a WB-36 just to draft the agreement between the parties because it would be considered the unlicensed practice of law. The drafting must be incidental to the practice of real estate and involve other real estate brokerage tasks such as inspections, disclosures, notices, amendments, assisting with appropriate contingencies, etc. If the parties to the transaction have come to an agreement about the terms of the purchase of real property (but this is rarely actually the case because there will be several issues they have not contemplated), perhaps it would be better if they were referred to legal counsel to draft their contract.

Is it safer to leave the language as it is now given these concerns that are seemingly highlighted when broken out? WRA Forms Committee found it was better to retain the style of the existing section – no check boxes. The DSPS Committee agreed.

# Are there better ways to express the authorization that are clearer for the buyer client and all involved? Some ideas from other agreements:

Looking at some other buyer agency forms, other ways to say this: "Buyer grants the Firm the exclusive right to act as [buyer's] agent for Buyer for the purpose of acquiring property in the market area." This type of language would tend to disallow the others from acting as agent for the buyer unless modified to say "buyer's agent", but the key would be for the buyer to understand that. The agreement goes on to define the market area by describing the perimeters of the area and defines property as any interest in real estate.

#### -OR-

"The Firm is hereby granted the right to represent Buyer in the purchase of property" and the agreement later broadly defines this as residential or commercial property within broad areas – a state or metropolitan area – for the WB-36, it would be within Wisconsin, etc. using check boxes.

WRA Forms Committee found it was better to retain the language and style of the existing sections. The language (with some terminology changes) is in tracking in Draft 1 and regular text in Draft 2.

♦ First caption (line 1) and Agency Authorization on lines 1-5, Draft 2; lines 1-6, Draft 1: The paragraph heading was simplified: BROKER THE SOLE EXCLUSIVE AUTHORITY TO ACT FOR BUYER AS A BUYER'S AGENT. There also is some new terminology in the section at lines 1-5.

Should this refer to "buyer's broker" because that is a defined term (see above) or are we accustomed to saying "buyer's agent?" WRA Forms Committee said no, leave it as buyer's agent –DSPS agreed.

- EXCLUSIVE AUTHORITY TO ACT AS BUYER'S AGENT: Buyer (see lines xxx-xxx) gives the Firm and its agents the exclusive right to act as Buyer's Firm (hereinafter referred to as Buyer's Agent) to Locate an Interest in Property and to Negotiate the Acquisition an Interest in Property for Buyer, except as excluded under lines xx-xx. Buyer agrees that during the term of this Agreement, Buyer will not enter into any other agreements to retain any other buyer's agent(s), except for the excluded properties described in lines xx-xx.
- ⇒ Is this acceptable or are there additional changes?

  ★[This was agreed to by the DSPS Real Estate Contractual Forms Advisory Committee but it was not reflected in Draft 1 see Draft 2 which shows this modification in tracking]
- ♦ Note (Lines 6-9 in Draft 2, lines 8-11 in Draft 1): The DSPS Committee reworked and reformatted the Note taking different passages and phrases from various suggestions that had been made after the WRA Forms Committee's last meeting.

#### **PRICE**

♦ Purchase Price Range (Line 10 of Draft 2, line 13 of Draft 1): This item is necessary to meet the requirements of Wis. Stat. § 240.10(1) for an enforceable real estate contract that supports actions for the payment of fees or commissions: "Every contract to pay a commission to a real estate agent or broker or to any other person for selling or buying real estate shall be void unless such contract or note or memorandum thereof describes that real estate; expresses the price for which the same may be sold or purchased, the commission to be paid and the period during which the agent or broker shall procure a buyer or seller; is in writing; and is subscribed by the person agreeing to pay such commission, except that a contract to pay a commission to a person for locating a type of property need not describe the property." WRA Forms Committee found this to be acceptable the way it is. The DSPS Committee agreed.

#### TYPE OF PROPERTIES/EXCLUDED PROPERTIES/SEARCH PARAMETERS

♦ Property Types Not Included/Excluded Properties (Draft 1, Lines 14-31; Draft 2 lines 11-26): In the current form this section attempts to perform numerous functions all in one relatively small section. The language begins in a manner similar to the listing contract language where a seller excludes certain buyers form the listing, up until a certain date. These may be properties seen by the buyer already with another buyer's broker (protected property), properties seen with listing or subagents (to avoid procuring cause disputes), or properties under contract with an option or offer.

It also describes the type of properties the buyer's agent is authorized to look for -- by identifying those types or specific properties the buyer's agent is not authorized to search for or negotiate for. Note above that § 240.10(1) refers to the **type of property** the buyer's agent is trying to locate, so that arguably (all legal minds are not in concurrence on this point) needs to be indicated (unless there is a specific property identified) if the buyer's agent wants to have an enforceable contract for commission or fees.

The following ideas have been under consideration in the search to describe what is the firm's authority to act and what will earn commission.

1. CURRENT WB-36: ■ EXCLUDED PROPERTIES: The following properties are excluded from this Agreement until			
——————————————————————————————————————			
Many residential brokers seem to find the current structure with its backwards logic workable, perhaps because they have simply learned to work with it and have become used to it. One way they work with it is to exclude few properties or none at all and then have a conversation to identify what the buyer is looking for. Sometimes the buyer will look online and come to the agent when they have a list of a few properties they are interested in. In other cases the WB-36 is not executed until the offer is written. In previous years there was a concern that agents would enter into a WB-36 and draft the offer without providing other brokerage services: would this practice raise these issues?

#### Feedback:

XXX-XXX.

- 1) There is <u>objection to automatically excluding protected properties</u> because the buyer will know what properties he or she is still interested in, if any. The buyer should not be restricted in choosing whatever agent the buyer wishes to work with including with regard to properties already seen with another agent. A second buyer's agent should be allowed to provide services upon request.
  - a) This does make a certain amount of sense, but what if the buyer later changes his or her mind?
  - b) Wouldn't that same logic apply to a seller who doesn't want to work with the first listing broker? The listing contract protects the seller from paying double commission automatically so the question is why would the buyer agency agreement not extend the same protection to buyers?
  - c) Standard of Practice 16-14 says that, "REALTORS® are free to enter into contractual relationships or to negotiate with sellers/landlords, buyers/tenants or others who are not subject to an exclusive agreement but shall not knowingly obligate them to pay more than one commission except with their informed consent. (Amended 1/98)" If the buyer may choose whether to exclude

- protected properties is that a knowing decision made with information about the possible double commission? Or is that not a concern because at least one of the buyer's agents presumably will be paid in the transaction leaving the buyer client to pay the other only pay out of pocket once?
- d) Unless protected properties are identified how would the second buyer's agent know what properties those are so that the agent does not waste time duplicating prior efforts? Does it not happen sometimes that the buyer might shop around and then decide that a property the buyer already looked at is the best after all? For example, maybe the price is dropped. Does the second buyer's agent have to work on faith that the buyer is going to tell him or her if they circle around and come back to a property protected under another WB-36?

### 3. Protected Buver Caution:

Some still want this section to remain substantially as it is. One suggestion made:

■ EXCLUDED PROPERTIES: The following properties are excluded from this Agreement until \_\_\_\_\_\_ [INSERT DATE] Note: Identify any specific excluded properties or limitations on the scope of this Agreement including geographic limitations, or limitations on property type included under this Agreement.

CAUTION: If Buyer does not want this Agreement to apply to a property that may be "protected" under a prior buyer agency agreement, Buyer should identify such property or properties at lines xxx, to be excluded only to the extent of the prior broker's/Firm's legal rights, unless otherwise stated.

The reasoning given is "If it ain't broke, don't fix it" and because we've noticed no problems. The whole Excluded property discussion and drafts are becoming too complicated and the currently drafted proposal seems to invite or prompt that something to be written in each of the blanks, whereas previously it did not.

# 4. Affirmative Statements (REJECTED): (modified with further thoughts)

We heard from one commercial broker on the WRA Forms Committee during the meeting and from a couple outside of the meeting (still reaching out for input from some others) and they want the WB-36 to indicate what the client looking for in an affirmative statement, perhaps a functional statement, such as a home, or a retail property to operate as a grocery store, etc. There also is concern that the client should have a statement of what it is the broker is hired to do. But there seems to be substantial concern by residential brokers that if the buyer says he is looking for a home and buys a vacation property as well that the broker will lose out on the vacation home commission.

In this version -- for discussion -- the line references for excluded properties would be the lines for EXCLUDED PROPERTIES and LIMITED EXCLUDED PROPERTIES and the fact that the LIMITED EXCLUDED PROPERTIES have an end date would be allowed to speak for itself without repeating it numerous times. Under LIMITED EXCLUDED PROPERTIES the language about the expiration of any protection time period was removed because it is not clear how the firm and the buyer would know what that is. If they knew the time period they would write that in. This version assumes that Protected Properties will be a defined term (once we get there). The statement at the end about no advice was added to because the Buyer might ask for interpretation or time limits.

If there is authority for all properties, then why can there not be affirmatively stated initial search parameters? Why not have basic general parameters for type, geography, etc. be initial search parameters but not have such described property categories excluded from the scope of authority? The idea of the scope of authority may be a good one because some practitioners seem to be uncomfortable with properties/items that are not within the buyer's agent's authority or that would not then earn commission if the property was acquired. If the authority – and the ability to earn commission are broad, can there then not be initial search instructions with price and basic exclusions by type, location, etc. that are for searching but do not limit the agent's authority?

# There also was language submitted for Search Parameters (after prior WRA Forms Committee meeting):

Search Parameters: Purchase Price Range provides the initial Search Parameters. Buyer agrees to inform Broker of the property type, property characteristics, and any other material features or terms sought by Buyer, to allow Broker to search more efficiently. Buyer agrees to inform Broker in writing of all properties of interest to Buyer which may be outside the original Search Parameters, and Buyer agrees that the Purchase Price Range of this Agreement is amended upon such notification to include those properties.

This language seems to suggest a separate document used as a supplement to the Buyer Agency Agreement but not as an incorporated addendum, yet the written notice of properties of interest apparently outside of the price range is said to amend the price range. In other words it suggests a separate procedure for search parameter feedback and modifications outside of the WB-36 that need not be in writing unless

there are properties outside of the price range. Would this mean that a buyer could forward property listings from the MLS or Zillow that they might be interested in and that this would be considered an amendment to the price range should the listed property's price fall outside the range?

Care must be taken to make sure enough is in the Excluded Properties section to establish a property type as required for an enforceable contract and payment of commission under Wis. Stat. § 240.10 and to withstand any challenge by a buyer hoping to not pay the buyer's broker's fee. Whether this would be defensible may be dependent upon what is written in as excluded and if it says "none" would a judge be likely to agree that a property type has been established?

 $\Rightarrow$  NOT INCLUDED by DSPS.

#### **FOOD FOR THOUGHT:**

The Search Parameters proposal above apparently is premised on the belief that a property acquired must be within the purchase price range in the WB-36 in order for the buyer's broker to be paid compensation.

When we look at Wis. Stat. § 240.10(1) it may be helpful to consider how this works for the listing contracts and then look at the WB-36. In particular, § 240.10 must be complied with to have an enforceable listing contract or buyer agency agreement, but what must be done to earn the commission?

Wis. Stat. § 240.10(1): "Every contract to pay a commission to a real estate agent or broker or to any other person for selling or buying real estate shall be void unless such contract or note or memorandum thereof describes that real estate; expresses the price for which the same may be sold or purchased, the commission to be paid and the period during which the agent or broker shall procure a buyer or seller; is in writing; and is subscribed by the person agreeing to pay such commission, except that a contract to pay a commission to a person for locating a type of property need not describe the property."

The listing contract describes the property because that is the property for sale and that is usually the property that is sold – or part thereof. It gives a list price which is used in marketing, but that may not be the sales price – getting paid the commission in the listing contracts is not dependent upon price. The commission expressed applies if the property is sold and the time frame also applies. The contract is in writing and is signed.

With a **buyer agency agreement**, there usually is not a property description, but to have a contract to pay commission "for locating a type of property," that begs the question: a type of property arguably needs to be indicated. The WB-36 expresses a price range, but is receiving a commission dependent upon the buyer purchasing a property within that price range? The same is not true with the listing contact (the property does not need to be sold at the list price), so why would it be true here? Admittedly it was been said before nine years ago when the WB-36 was last revised that earning the broker's success fee required that a property be purchased within the price range, but is it true? Why would that be? What is there within the law or the contract that makes that so? The commission expressed applies if the property is purchased and time frame also applies. The contract is in writing and is signed.

**Note**: that in the current WB-36 the type of property/excluded properties is a limitation upon the property purchased to earn the success fee because of the definition of "interest in property," and because all exclusions are lumped together, but the success fee language says the property may be purchased at any terms and price acceptable to the buyer and the owner. So how and why would the price the buyer pays have to be tied to the price range?

If the following provisions are used in the WB-36 does that take away that concern if the only properties excluded from the ability to earn commission are the specific properties excluded, not property types?

- SCOPE OF AGREEMENT: This Agreement applies to all property within the state of Wisconsin except for Excluded Properties on lines xx-xx, regardless of property type or the initial Search Request on lines xx-xx.
- INTEREST IN PROPERTY: "Interest in Property" includes a purchase, option, exchange or any other interest in <u>any</u> real <u>property property within the state of Wisconsin</u> unless <u>restricted specifically excluded</u> at lines xx-xx, in additional provisions (lines xxx-xxx) or elsewhere in this Agreement. This does not include any rental or leasehold interests.

#### **COMMISSION**

♦ Compensation (Draft 1, Lines 32-49, Draft 2, Lines 27-45): The DSPS Real Estate Contractual Forms Advisory Committee adopted a version of the Compensation section that is a combination of the following two proposals:

In Option 1 the Buyer and the Firm must choose whether the Firm may be paid by the owner or owner's agent with a default that yes they can.

<b>COMPENSATION ■ COMPENSATION:</b> Broker's The Firm's	compensation shall be: CHECK ONE OR
BOTH AS APPLICABLE Check "SUCCESS FEE", "OTHER COMPI	ENSATION", OR BOTH, as applicable]
SUCCESS FEE: % of the purchase pri	ce or
whichever is greater.	
OTHER COMPENSATION:

INDICATE WHEN DUE

[INSERT THE AMOUNT AND TYPE OF OTHER FEE, E.G. RETAINER FEE, OR HOURLY FEE]

If this Agreement calls for a success fee, it is agreed that Broker the Firm has earned the success fee if, during the term of this Agreement (or any extension of it), Buyer or any Person Aacting on Behalf of Buyer acquires an Interest in Peroperty or enters into an enforceable written contract between owner and Buyer to acquire an Interest in Peroperty, at any terms and price acceptable to owner and Buyer. Broker's The Firm's compensation remains due and payable if an enforceable written contract entered into by Buyer per lines 26-29xx-xx fails to close. Once earned, Broker's the Firm's compensation is due and payable at the earlier of closing or the date set for closing, even if the transaction does not close, unless otherwise agreed in writing.

Broker Buyer shall pay the Firm's compensation, reduced by any amounts the Firm receives from owner or owner's agent.

The Firm (may) (may not) STRIKE ONE ("may" if neither is stricken) accept compensation from owner or owner's agent. (Broker may accept compensation from owner or owner's agent if neither is struck.) Broker's compensation from Buyer will be reduced by any amounts received from owner or owner's agent.

Option 2 assumes the Firm may be paid by the owner or owner's agent and provides that buyer would have to pay only if the amount received from the owner or owner's agent is not enough and buyer must pay the balance. Option 2 clarifies the payment of compensation, and is structured along the lines of the WB-1 to facilitate understanding and transparency. This draft seeks to try to avoid any possible challenges along the lines of those raised in the *Ash Park* case. It is believed there has not been any litigation with regard to the WB-36 at the appellate levels. Option 2 drops the use of the term "Success Fee" and instead refers to commission, adding an additional blank line to assist commercial brokers. It eliminates the check boxes. It addresses what should happen if the commission received, for instance, from the listing broker, is less than or more than the designated commission (attempting to create transparency and better understanding by all).

It also attempts to emphasize that Purchase Price Range, Initial Search Request and excluded property types do not impact the ability to receive commission. **UNRESOLVED ISSUE/LANGUAGE**

The Committee moved the Other Compensation subsection to the end of the Commission section so that those amounts would not be confused with commission. Note that if a fee is not due at closing that should

be specified, for example, "\$500 retainer fee due upon signing of this Agreement."

Rather than placing just blank lines for Commission, there was concern if just a percentage was written in there is no Calculation subsection as there is in the WB-1 – no direction to what the percentage applies to. On the other hand, by making the commission expressed as a percentage of the purchase price, what happens if there is an option, an exchange or some other arrangement? That may have to be written in and it is unlikely the buyer and the firm would be aware of that possibility or likelihood at the outset

to is difficulty the outper and the firm would be a water of that possibility of intermood at the outper.
The WRA Forms Committee discussed this version (may not be exact, no language was crafted during meeting) (shown in Draft 2):

■ <u>COMMISSION EARNED</u> : The Firm has earned the Firm's commission—if—if during the term of this Agreement (or any extension of it), Buyer or any Person Acting on Behalf of Buyer acquires an Interest in Property or enters into an enforceable written contract to acquire an Interest in Property, at any terms and price acceptable to owner and Buyer, regardless of the purchase price range and excluded property types. - COMMISSION DUE AND PAYABLE: Once earned, the Firm's commission is due and payable at the earlier of closing or the date set for closing, even if the transaction does not close, unless otherwise agreed in writing. A percentage commission shall be calculated based on the total consideration paid by Buyer for a purchase or option, or the list price if an exchange or an effective change in ownership or control.

■ OTHER COMPENSATION:	

# INSERT AMOUNTS AND TYPES OF FEES, E.G. RETAINER, ADVANCE, HOURLY, ETC. AND INDICATE WHEN DUE AND PAYABLE

This would mean that commission may be earned despite the price range or the excluded property types – the only restriction would be the specific excluded properties. That also could be modified as well. The definition of Interest in Property currently excludes the specific excluded properties which would make sense because if they are excluded to protect against double commissions (protected properties, etc., it would not seem to be helpful to put them back in.

If draft is favored then it may make sense to restructure the excluded properties to have excluded property types in one area and excluded specific properties in another – some with a date limitation.

- ⇒ Is this acceptable or are there additional suggestions or ideas?
- ◆ Lien Notice (Draft 1, Lines 50-55; Draft 2, lines 46-51): The language needed as foundation for any claim for a commission lien has been added so as to preserve the broker's ability to complete the process in Wis. Stat. § 779.32 and have a lien for unpaid commission filed and preserved. The question was asked if the terminology in this notice should be changed to make it consistent with the new changes in Wis. Stat. chapter 452.

Wis. Stat. § 779.32(2m) states,

"NOTICE OF LIEN RIGHTS. (a) To claim a lien under sub. (2), the broker shall notify the person who owes the commission or compensation described in sub. (2) (a), (b), or (c) in writing of the right to claim a lien under this section. A broker shall include the notice required under this subsection in the

commercial real estate listing contract, commercial real estate buyer agreement, tenant representation agreement, or written agreement for the lease or management of commercial real estate.

(b) The notice required under this subsection **shall be in substantially the following form**:

NOTICE: A broker has the authority under section 779.32 of the Wisconsin Statutes to file a broker lien for commissions or compensation earned but not paid when due against the commercial real estate, or the interest in the commercial real estate, that is the subject of this agreement." (emphasis added)

It would seem the language could be modified as follows (shown in Draft 2):

BROKER LIEN NOTICE: Broker The Firm has the authority under section 779.32 of the Wisconsin Statutes to file a broker lien for commissions or compensation earned but not paid when due against the commercial real estate, or the interest in the commercial real estate, if any, that is the subject of this Agreement. "Commercial real estate" includes all real estate except (a) real property containing 8 or fewer dwelling units, (b) real property that is zoned for residential purposes and that does not contain any buildings or structures, and (c) real property that is zoned for agricultural purposes.

- Firm's Duties (Draft 1, Lines 79-96; Draft 2, lines 75-78): Do we want or need the long description of what negotiate means included in the Firm's Duties description as is the case in the current WB-36? The language used is based on the statutes, but the Disclosure to Clients section covers much of this and lists the Firm's duties. Also see two variations of a proposed definition of "Negotiate the Acquisition an Interest in Property" which incorporate the statutory definition of negotiate. It is believed that this section is included to help establish what performance is required by the Firm in order to establish adequate performance justifying the commission. There is no similar section in the WB-1.

#### **CURRENT WB-36:**

⇒ Is the definition of "Negotiate the Acquisition an Interest in Property" a better place to enumerate what is involved in negotiation – or should that be included at all? DSPS Real Estate Contractual Forms Advisory Committee thought yes

If you strip out any details of what the definition of negotiate is – and move any such detail to the definitions section, you would be left with something more like the following description of the Firm's duties.

**FIRM'S DUTIES** In consideration for Buyer's agreements, the Firm and its agents agree to use professional knowledge and skills, and reasonable efforts, in accordance with applicable law, to:

- A. Assist Buyer to Locate an Interest in Property and Negotiate the Acquisition of an Interest in Property, as applicable.
- B. Comply with other provisions of this Agreement and the duties stated herein.

### Another proposal not seen by either Committee:

FIRM'S DUTIES: In consideration for Buyer's agreements, Broker agrees to use professional knowledge and skills, and reasonable efforts within the scope of licensure duties to assist Buyer to Locate an Interest in Property and Negotiate the Acquisition of an Interest in Property, as applicable.

The following change was adopted by the DSPS Real Estate Contractual Forms Advisory Committee, although it is formatted below a touch differently than what is shown in Draft 1 – it is shown in Draft 2:

# FIRM'S DUTIES

- 1. To do those acts reasonably necessary to fulfill the Firm's responsibilities under this Agreement including retaining subagents
- 2. To use professional knowledge and skills, and reasonable efforts, in accordance with applicable law, to:
  - a. To assist Buyer to Locate an Interest in Property and Negotiate the Acquisition of an Interest in Property, as applicable.
  - b. To comply with other provisions of this Agreement and the duties stated herein.

# The following change was adopted by the DSPS Real Estate Contractual Forms Advisory Committee – the thought was to remove the numbering/outline format and condense it into one paragraph:

To do those acts reasonably necessary to fulfill the Firm's responsibilities under this Agreement including retaining subagents; to use professional knowledge and skills, and reasonable efforts, in accordance with applicable law, to assist Buyer to Locate an Interest in Property and Negotiate the Acquisition of an Interest in Property, as applicable, and to comply with other provisions of this Agreement and the duties stated herein.

⇒ Is this acceptable or are there additional changes?

# **BUYER RESPONSIBILITIES** – rejected by the DSPS Real Estate Contractual Forms Advisory Committee and WRA Forms Committee concurred

When looking at other buyer agency agreements, there is a basic short section for the broker's duties and a section of the buyer's duties which seemingly addresses some of the concerns expressed at times about the lack of understanding on the part of the buyer regarding the exclusive nature of the relationship. This is a section that includes specific examples emphasizing where the buyer should not stray and work with others. A couple of examples:

#### **BUYER'S RESPONSIBILITIES:**

- A. Exclusive Relationship with Firm: Buyer will work exclusively with the Firm and its agents during the term of this Agreement. (exclusive agent 24/7 not what we currently have in the WB-36). Could be modified to say, "Buyer will work with the Firms and its agents as the buyer's exclusive buyer's agent and with no other Firm in the capacity of buyer's agent."
- B. <u>Financial Information</u>: Buyer will furnish the Firm with necessary financial and personal information to reasonably establish Buyer's ability to purchase property.
- C. <u>Signs or Advertisements for Property</u>: If Buyer sees any signs or advertisements for Property being offered for sale, Buyer will not contact the owner or the owner's agent but will first contact the Agent named herein who will provide information about the property and make arrangements to see them.
- D. <u>Public Open Houses</u>: In the event buyer elects to visit an open house without the Agent named herein, Buyer agrees to notify the party representing the owner of this signed buyer agency agreement.
- E. New Home Builders and Open Houses: In order to avoid the possibility of confusion over the agency relationship and misunderstandings about liability for compensation, Buyer agrees not to make a first visit to any new home builder's model nor contact any agents representing the owner or builder without being accompanied by the Agent.

### Another option for

### BUYER'S RESPONSIBILITIES. Buyer will:

- F. Work exclusively through the Firm when acquiring property in the market area and negotiate acquisition of the property in the market area only through the Firm (exclusive agent 24/7 not what we currently have in the WB-36) modify to say "will work with the Firm and no other buyer's broker and negotiate acquisition of property through no other buyer's broker"
- G. Inform other firms, agents, sellers, property owners, etc. that the Firm exclusively represents Buyer for the purpose of acquiring property in the market area and refer all such persons to the Firm and
- H. Comply with all provisions of this agreement

**BUYER'S DUTIES** In consideration for the agreements of the Firm and its agents, Buyer agrees as follows:

- A. <u>Signs or Advertisements for Property</u>: If Buyer sees any signs or advertisements for Property being offered for sale, Buyer will not contact the owner or the owner's agent but will first contact the Firm or its agents who will provide information about the property and make arrangements for Buyer to see them.
- B. <u>Public Open Houses</u>: In the event Buyer elects to visit an open house without the Firm or its agents, Buyer agrees to notify the party representing the owner of this Agreement.
- C. New Home Builders and Open Houses: In order to avoid the possibility of confusion over the agency relationship and misunderstandings about liability for compensation, Buyer agrees not to make a first visit to any new home builder's model nor contact any agents representing the owner or builder without being accompanied by the Firm or its agents
- D. <u>Advise Others of Buyer Agency Relationship</u>: Buyer will inform other firms, agents, sellers, property owners, etc. that the Firm represents Buyer as buyer's agent for the purpose of acquiring property and refer all such persons to the Firm.

These were all rejected by the DSPS Real Estate Contractual Forms Advisory Committee and WRA Forms Committee concurred.

Another suggestion which has similarities:

Buyer will submit all showing requests and property inquiries through Buyer's Agent. If Buyer contacts, or is contacted by, other real estate agents or private owners, or attends "Open Houses," Buyer must explain that Buyer is under a Buyer Agency agreement with the Firm, and that Buyer will be working with the Firm in the purchase of any real estate (including scheduling showings, negotiations, and information requests). Buyer understands that to do otherwise, or to accept brokerage services from other agents, including showings, open houses, and information requests, or involving other real estate agents or brokers in the process, could create an obligation to another broker, or a "procuring cause" issue, such that the Firm does not receive compensation from the owner or owner's agent, in which event, any commission not collected from owner or owner's agent will be paid by Buyer.

- ⇒ Should there be a buyer's duties section and if so, what language or combination of provisions would be best? The DSPS Real Estate Contractual Forms Advisory Committee was not in favor of that idea and WRA Forms Committee concurred.
- ♦ Cooperation (Draft 1, Lines 209-215; Draft 2, moved to lines 79-86): This is somewhat of a parallel counterpart to the similar section in the WB-1. Below the cooperation section is shown with the terminology changes made you can see this in tracking in Draft 1. Should there be modifications to the last sentence which reads, "Buyer shall also notify the Firm of the identity of all persons making inquiries concerning Buyer's objectives stated in this Agreement." Should the buyer be notifying the Firm or referring the persons to the Firm?

**COOPERATION** Buyer agrees to cooperate with the firm and its agents and to provide them accurate copies of all relevant records, documents and other materials in Buyer's possession or control which are required in connection with the purchase, option, or exchange of property. Buyer agrees to be reasonably available for showings of properties. Buyer authorizes the Firm and its agents to do those acts reasonably necessary to fulfill the Firm's responsibilities under this Agreement including retaining subagents. Buyer shall promptly notify the Firm in writing of the description of any property Buyer locates. Buyer shall also notify the Firm of the identity of all persons making inquiries concerning Buyer's objectives stated in this Agreement.

⇒ See the paragraph at the bottom of the next page -- is there anything in yellow there that should be added to the Cooperation section? How about this one: Buyer will inform other firms, agents, sellers, property owners, etc., that the Firm represents Buyer as buyer's agent for the purpose of acquiring property and refer all such persons to the Firm. WRA Forms Committee favored this addition.

#### Another possible addition (see italics) similar to what is in vellow:

Buyer shall also notify the Firm of the identity of all persons making inquiries concerning Buyer's objectives stated in this Agreement and Buyer shall inform any such persons, whether agents or potential sellers, of the applicability of this Agreement.

⇒ Should this be moved to appear after the Firm's duties section or left where it is now? (not addressed) (shown that way in Draft 2).

Below are two preliminary combination of the duties sections and the Cooperation section, one includes lists while the other is all in one paragraph. Are any of these – or a modification thereof – desirable? The DSPS Real Estate Contractual Forms Advisory Committee rejected this idea and WRA Forms Committee concurred.

**COOPERATION** In consideration of their mutual agreements, Buyer and the Forms and its agents agree as follows:

**Buyer's Responsibilities:** 

- A. <u>Signs or Advertisements for Property</u>: If Buyer sees any signs or advertisements for property being offered for sale, Buyer will not contact the owner or the owner's agent but will first contact the Firm or its agents who will provide information about the property and make arrangements for Buyer to see it. Buyer agrees to be reasonably available for showings of properties.
- B. <u>Public Open Houses</u>: In the event Buyer elects to visit an open house without the Firm or its agents, Buyer agrees to notify the party representing the owner of this Agreement.
- C. New Home Builders and Open Houses: In order to avoid the possibility of confusion over the agency relationship and misunderstandings about liability for compensation, Buyer agrees not to make a first visit to any new home builder's model nor contact any agents representing the owner or builder without being accompanied by the Firm or its agents
- D. <u>Advise Others of Buyer Agency Relationship</u>: Buyer will inform other firms, agents, sellers, property owners, etc. that the Firm represents Buyer as buyer's agent for the purpose of acquiring property and refer all such persons to the Firm. Buyer shall also notify the Firm of the identity of all persons making inquiries concerning Buyer's objectives stated in this Agreement.
- E. <u>Accurate Copies of Records</u>: Buyer agrees to cooperate with the firm and its agents and to provide them accurate copies of all relevant records, documents and other materials in Buyer's possession or control which are required in connection with the purchase, option, or exchange of property.

#### Firm's Duties:

- B. To do those acts reasonably necessary to fulfill the Firm's responsibilities under this Agreement including retaining subagents
- C. To use professional knowledge and skills, in accordance with applicable law, to:
  - a. To assist Buyer to Locate an Interest in Property and Negotiate the Acquisition of an Interest in Property, as applicable.
  - b. To comply with other provisions of this Agreement and the duties stated herein.

- ♦ Earnest Money (Draft 1, Lines 97-104; Draft 2, lines 87-91): The terminology was changed and the provision was made to mirror part of the Earnest Money provision in the WB-1 residential listing contract so that disbursement may be authorized in accordance with the law, especially Wis. Admin. Code § REEB 18.09(1), and not limited to a disbursement agreement. Line 104 in Draft 1 is in error and should be removed.

**EARNEST MONEY** If the Firm holds trust funds in connection with the transaction, they shall be retained by the Firm in the Firm's trust account. The Firm may refuse to hold earnest money or other trust funds. Should the Firm hold the earnest money, the Firm shall hold and disburse earnest money funds in accordance with Wis. Stat. Ch. 452 and Wis. Admin. Code Ch. REEB 18. If the transaction fails to close and the earnest money is disbursed to Buyer, then upon disbursement to Buyer the earnest money shall be paid first to reimburse the Firm for cash advances made by the Firm on behalf of Buyer.

- ♦ Non Discrimination (Draft 1, Lines 105-108; Draft 2, lines 92-95): This was made to read the same as the provision in the WB-1 with regard to terminology and adding the additional protected class for status as a victim.

**NON DISCRIMINATION** Buyer and the Firm and its agents agree that they will not discriminate based on race, color, sex, sexual orientation as defined in Wisconsin Statutes § 111.32(13m), disability, religion, national origin, marital status, lawful source of income, age, ancestry, family status, status as a victim of domestic abuse, sexual assault, or stalking, or in any other unlawful manner.

- Dispute Resolution (Draft 2, lines 96-100): This is the provision from the WB-1. It is not in Draft 1.

- ♦ Disclosure to Clients (Draft 1, Lines 109-194; Draft 2, lines 101-185):

This section now shows in tracking the new language from the statutes that goes into effect on July 1, 2016. This section has been tweaked to make it the same as the same section in the WB-1 draft, including formatting, capitalization, etc. (would recommend copying this into the working draft).

- ⇒ Is this acceptable or are there additional changes? The WRA Forms Committee found this acceptable.
- ♦ Waiver of Confidentiality (Draft 1, Lines 195-203; Draft 2, lines 186-193): This information is nice but not sure whether it is helpful or essential. Terminology and formatting changes were made in the drafts.

**WAIVER OF CONFIDENTIALITY** Buyer may wish to authorize the Firm and its agents to disclose information which might otherwise be considered confidential. An example of this type of information might be financial qualification information which may be disclosed to strengthen Buyer's offer to purchase in the eyes of prospective sellers. Buyer's authorization to disclose may be indicated at lines xxx-xxx. Unless otherwise provided at lines xxx-xxx, the Firm and its agents have permission to disclose Buyer's identity to an owner,

owner's agents and other third parties without prior consent from Buyer. Buyer acknowledges that pursuant to Wis. Stat. §706.03(1)(b)(1m) a conveyance, such as an offer to purchase, is not binding if it is signed by a representative properly authorized by Buyer (e.g., with a power of attorney) until such time as Buyer is identified in the conveyance.

#### Another variation:

WAIVER OF CONFIDENTIALITY Certain information may otherwise be considered confidential, but it is agreed for purposes of negotiation of a potential Aacquisition of Property, that unless expressly declined at lines xxx, the Firm and its agents may disclose to prospective sellers, owner's agents and other third parties all information reasonably calculated to facilitate Acquisition of an Interest in Property including, but not limited to, Buyer's identity, profession and financial qualification information. Buyer acknowledges that pursuant to Wis. Stat. §706.03(1)(b)(1m) a conveyance, such as an offer to purchase, is not binding if signed by an authorized representative of Buyer (e.g., with a power of attorney) unless Buyer is identified in the conveyance.

If the idea is to suggest that financial information might be shared, that could be mentioned in the parentheses for Non-Confidential Information:

NON-CONFIDENTIAL INFORMATION	(The following may b	be disclosed by the	ne Firm and its agents <u>, for</u>
example, financial qualification information):			

The identity of the buyer is not really confidential unless that specific request is made. When using a power-of-attorney, that is not really a matter of confidentiality but rather of having another person sign documents for the buyer. It is not clear if it should be rewritten or eliminated or restructured – is it better as instructions for the completion of the confidential information and non-confidential information lines?

- ⇒ Should this section be retained? The WRA Forms Committee was in favor but did not decide on language.
- ⇒ What is acceptable -- are there additional changes?

### 

♦ Non-Exclusive Relationship (Draft 1, Lines 204-208; Draft 2, lines 194-197):

This information is nice but not sure whether it is helpful or essential. Terminology changes made.

NON-EXCLUSIVE RELATIONSHIP Buyer acknowledges and agrees that the Firm and its agents may act for other buyers in connection with the location of properties and may negotiate on behalf of such buyers with the owner or owner's agent. In the event that the Firm or its agents undertake to represent and act for other buyers, the Firm and its agents shall not disclose to Buyer, or any other buyer, any confidential information of any buyer, unless required by law.

- ⇒ Should this section be retained? Is it necessary?
- ⇒ Is this acceptable or are there additional changes?
- ◆ Property Dimensions (Draft 1, Lines 216-221; Draft 2, lines 198-202): Not sure if this is necessary or helpful, but it does no harm.

**PROPERTY DIMENSIONS** Buyer acknowledges that property dimensions, total square footage and total acreage information provided to Buyer may be approximate due to rounding and may vary due to different formulas which can be used to calculate these figures. Unless otherwise indicated, property dimension figures have not been verified by survey.

CAUTION: Buyer should verify any property dimension or total square footage/acreage calculation which is material to Buyer.

### ♦ Definition of Adverse Fact (Draft 1, Lines 223-229; Draft 2, lines 204-210):

This is the same as before and the same as the definition in the WB-1.

- ⇒ Is this acceptable or are there additional changes?
- ♦ <u>Definition of Buyer (Draft 1, Lines 230-231; Draft 2, lines 211-212)</u>: This is the same as before except that the word "lease" was removed since there is going to be a separate tenant representation agreement.
  - $\Rightarrow$  Is this acceptable or are there additional changes?

### ♦ Definition of Deadlines-Days (Draft 1, Lines 232-236; Draft 2, lines 213-214):

This is the same as before and the same as the definition in the WB-1.

- **⇒** Is this acceptable or are there additional changes?
- ♦ <u>Definition of Firm (Draft 1, Line 240; Draft 2, line 215)</u>: This was added and is the same as the definition in the WB-1.
  - ⇒ Is this acceptable or are there additional changes?

# **◆** <u>Definition of Interest in Property (Draft 1, Lines 241-243; Draft 2, lines 216-218):</u>

This is the same as before except that the word "leasehold" was deleted and a sentence indicating this is not referring to rentals and leaseholds was added. Note that this definition is how the excluded properties factor into many provisions

■ INTEREST IN PROPERTY: The "Linterest in Property" to be obtained by Buyer includes a purchase, leasehold, option, exchange agreement or any other procured interest in real property unless restricted at lines 11-2xx-xx0, in additional provisions (lines 182-190xxx-xxx) or elsewhere in this Agreement. This does not include any rental or leasehold interests.

This version appears in Draft 2 at lines 216-218 – it emphasizes that any property would be included in this term except for excluded properties.

- INTEREST IN PROPERTY: "Interest in Property" includes a purchase, option, exchange or any other interest in <u>any</u> real <u>property property within the state of Wisconsin</u> unless <u>restricted specifically excluded</u> at lines xx-xx, in additional provisions (lines xxx-xxx) or elsewhere in this Agreement. This does not include any rental or leasehold interests.
  - ⇒ Are either of these acceptable or are there additional changes?

# ♦ <u>Definition of Locate an Interest in Property (Draft 1, Lines 244-246; Draft 2, lines 219-220):</u> This is mostly the same as before.

■ LOCATE AN INTEREST IN PROPERTY: "Locate an Interest in Property" shall mean, as used in this Agreement, to identify, evaluate according to the standards set by Buyer, and determine the availability of the Interest in Property sought by Buyer in a property.

### **Another possibility:**

- LOCATE AN INTEREST IN PROPERTY: "Locate an Interest in Property" shall mean to identify, evaluate, and determine, with the cooperation of Buyer, the availability of the Interest in Property sought by Buyer.
  - ⇒ Is either acceptable or are there additional changes?
- ♦ <u>Definition of Material Adverse Fact (Draft 1, Lines 247-250; Draft 2, lines 221-224)</u>: This is the same as before and the same as the definition in the WB-1.
  - ⇒ Is this acceptable or are there additional changes?

# ♦ <u>Definition of Negotiate the Acquisition of an Interest in Property (Draft 1, Lines 251-263; Draft 2, lines 225-235):</u>

The term was changed to substitute the word acquisition because that is the term used in other buyer and tenant agency agreements. Also the definition was modified to add the details of the definition of "negotiation" from the statutes as opposed to having it in the Firm's Duties section. The parenthetical within (a) from the definition might be eliminated or this could be rephrased a bit to make it shorter and more user friendly.

#### **CURRENT WB-36:**

**NEGOTIATE THE PROCUREMENT OF AN INTEREST IN PROPERTY:** "Negotiate the procurement of an interest in property" shall mean, as used in this Agreement, to contact the owner of the property or the owner's agent to ascertain the terms and conditions upon which the interest may be obtained and to otherwise assist Buyer in reaching an agreement to procure the interest sought by Buyer in the property as may be specified in this Agreement.

- NEGOTIATE THE ACQUISITION OF AN INTEREST IN PROPERTY: "Negotiate the Acquisition of an Interest in Property" shall mean to provide the Buyer assistance within the scope of the knowledge, skills, and training required under chapter 452 of the statutes in developing a proposal or agreement relating to a transaction, including: (a) acting as an intermediary by facilitating or participating in communications between parties related to the parties' interests in a transaction (providing advice or opinions on matters that are material to a transaction in which a person is engaged or intends to engage or showing a party real estate does not, in and of itself, constitute acting as an intermediary by facilitating or participating in communications between parties); (b) completing, when requested by Buyer, appropriate board-approved forms or other writings to document the Buyer's proposal consistent with the Buyer's instructions; (c) presenting to Buyer the proposals of other parties to the transaction and giving Buyer a general explanation of the provisions of the proposal; and (d) otherwise assisting Buyer in reaching an agreement to acquire the Interest in Property sought by Buyer.

# Another possible variation that has language at the beginning like the definition in the current WB-36:

■ NEGOTIATE THE ACQUISITION OF AN INTEREST IN PROPERTY: "Negotiate the Acquisition of an Interest in Property" shall mean to assist in ascertaining terms and conditions upon which an Interest in Property may be acquired and to provide the Buyer assistance within the scope of the knowledge, skills, and training required under chapter 452 of the statutes in developing a proposal or agreement relating to a transaction, including: (a) acting as an intermediary by facilitating or participating in communications between parties related to the parties' interests in a transaction (providing advice or opinions on matters that are material to a transaction in which a person is engaged or intends to engage or showing a party real estate does not, in and of itself, constitute acting as an intermediary by facilitating or participating in communications between parties); (b) completing, when requested by Buyer, appropriate board-approved

forms or other writings to document the Buyer's proposal consistent with the Buyer's instructions; (c) presenting to Buyer the proposals of other parties to the transaction and giving Buyer a general explanation of the provisions of the proposal; and (d) otherwise assisting Buyer in reaching an agreement to acquire the Interest in Property sought by Buyer.

#### **Another proposal:**

■ NEGOTIATE THE ACQUISITION OF AN INTEREST IN PROPERTY: "Negotiate the Acquisition of an Interest in Property" shall mean to assist a Buyer within the scope of this Agreement in ascertaining terms and conditions upon which an Interest In Property may be acquired, facilitate or participate in the discussions of the terms of a potential contract, complete appropriate contractual forms, present either party's contractual proposal with an explanation of the proposal's advantages and disadvantages, and otherwise assist Buyer in reaching an agreement to acquire the Interest in Property sought by Buyer, and other efforts including but not limited to the following: \_\_\_\_\_\_\_.

This one is unusual because there normally are not blank lines in the definitions section of a form

- **⇒** What version is preferred?
- ♦ <u>Definition of Person Acting on Behalf of Buyer (Draft 1, Lines 264-269; Draft 2, lines 226-258)</u>: This is the same as before with additions made that come from the WB-6 and the WB-1. Is the last phrase "whether created before or after expiration of this Agreement" needed in the WB-36?
- PERSON ACTING ON BEHALF OF BUYER: "Person Acting on Behalf of Buyer" In this Agreement "Person acting on behalf of Buyer" shall mean any person joined in interest with Buyer, or otherwise acting on behalf of Buyer, including but not limited to Buyer's immediate family, agents, servants, employees, directors, managers, members, officers, owners, partners, incorporators and organizers, as well as any and all corporations, partnerships, limited liability companies, trusts or other entities controlled by, affiliated with or owned by Buyer in whole or in part whether created before or after expiration of this Agreement (?).

This term is used in the Commission Earned subsection and in the Extension of Agreement Term section. Based on use the last phrase may not be needed in the WB-36.

- ⇒ Is this acceptable or are there additional changes?
- ◆ <u>Term of the Agreement (Draft 1, Lines 281-285; Draft 2, lines 271-274)</u>: This is the same as before with some formatting changes.
  - $\Rightarrow$  Is this acceptable or are there additional changes?
- ◆ Termination of Agreement (Draft 1, 286-296; Draft 2, lines 255-263): This has been modified to make it like the similar provision in the WB-1.

Firm has the legal right to unilaterally terminate this Agreement absent a material breach of contract by the other party. Buyer understands that the parties to this Agreement are Buyer and the Broker-E(firm). Agents (salespersons) for Broker-the F(firm) do not have the authority to terminate this Agreement, amend the compensation terms or shorten the term of this Agreement, without the written consent of the Aagent(s)' supervising broker. Buyer and Broker-the Firm agree that any termination of this Agreement by either party before the date stated on lines 1941—xxx-xxx shall be effective by Buyer only if stated in writing and delivered to the Firm in accordance with lines xx-xx and effective by the Firm only if stated in writing by the supervising broker and delivered to Buyer in accordance with lines xx-xx.indicated to the other party in writing and shall not be effective until delivered to the other party in accordance with lines 158-163.

- ⇒ Is this acceptable or are there additional changes?
- ⇒ Would it be advisable to revise the WB-47 Amendment to Buyer Agency/Tenant Representation Agreement since there will be two separate contracts and to make modifications as were done in the WB-42 Amendment to Listing Contract to facilitate a

termination by the Firm under the signature of the supervising broker? See the WB-47 copy showing the changes in tracking

♦ Extension of Agreement Term (Draft 1, Lines 297-303; Draft 2, lines 264-270): This is the "property protection" provision and it is same as before with additions made that come from the WB-6 and the WB-1.

New Construction Issue: there is an issue in those situations when the buyer purchases a vacant lot and enters into a building/construction contract with a builder with the contract attached to the vacant land offer. Should the broker be paid based on the lot price or the total package price? Brokers have no authority to negotiate a construction contract which raises the question of why they should be paid based on a price that includes the construction price. Brokers can enter into a referral agreement with a builder and receive a referral fee outside of the WB-36, but some brokers assert they should be paid a success fee based upon the total price. One observation: when the contract is attached should be only as an attachment but not included in the total price for compensation? Any way to address this issue in the WB-36?
