RE: Variance Request per Wis. Stat. § 450.02(3m)

Dear Mr. Trapskin,

On April 15, 2020, the Wisconsin Pharmacy Examining Board granted a variance of Wis. Admin. Code § Phar 7.01(1)(e) and (em), to **temporarily relax the consulting and delivery requirements when delivering medications or devices to a patient**. The stated purpose of the request was to allow flexibility regarding consultation and delivery to help compensate for workforce and personal protective equipment shortages during the COVID-19 emergency. The Board later extended this variance to August 1, 2020.

The Board considered whether to extend this variance on July 23, 2020, and determined that the requirements of Wis. Stat. § 450.02(3m)(b) have been met. This variance is hereby **extended 90 days**, unless modified, rescinded, or extended by further action of the Pharmacy Examining Board pursuant to Wis. Stat. § 450.02(3m)(b).

Please feel free to contact me if you have any questions.

Sincerely,

  
Jameson R. Whitney
