RE: Variance Request per Wis. Stat. § 450.02(3m)

Dear Mr. Trapskin,

On April 16, 2020, the Wisconsin Pharmacy Examining Board granted a variance of Wis. Stat. § 450.072(2)(b) to **temporarily allow wholesale distributors to deliver prescription drugs and devices to addresses approved by the board**. The stated purpose of the request was to enable the creation and use of “surge sites” to help respond to the COVID-19 emergency. The Board later extended this variance to August 1, 2020.

The Board considered whether to extend this variance on July 23, 2020, and determined that the requirements of Wis. Stat. § 450.02(3m)(b) have been met. This variance is hereby **extended 90 days**, unless modified, rescinded, or extended by further action of the Pharmacy Examining Board pursuant to Wis. Stat. § 450.02(3m)(b).

Please feel free to contact me if you have any questions.

Sincerely,

Jameson R. Whitney
