

2016-2018 Chiropractic Continuing Education Courses

Forty hours of Board approved continuing education is required of Chiropractors practicing in the State of Wisconsin for the December 15, 2016- December 14, 2018 biennium. Certification in cardiopulmonary resuscitation (CPR) is also required for renewal. One (1) credit of AED course work may be counted toward the continuing education requirement every biennium (CHI180000). Online CE courses are not approved by the state of Wisconsin. As indicated in Chiro 5.01(2)(b), approved courses taken in the current biennium to satisfy the requirements of a previous biennium, may not be applied to any other renewal period. A course may be repeated indefinitely under the same approval code after the initial approval date.

This is a list of approved courses ONLY, unless specifically noted.

2016-2018 Chiropractic Continuing Education Courses

Forty hours of Board approved continuing education is required of Chiropractors practicing in the State of Wisconsin for the December 15, 2016- December 14, 2018 biennium. Certification in cardiopulmonary resuscitation (CPR) is also required for renewal. One (1) credit of AED course work may be counted toward the continuing education requirement every biennium (CHI180000). Online CE courses are not approved by the state of Wisconsin. As indicated in Chiro 5.01(2)(b), approved courses taken in the current biennium to satisfy the requirements of a previous biennium, may not be applied to any other renewal period. A course may be repeated indefinitely under the same approval code after the initial approval date.

This is a list of approved courses ONLY, unless specifically noted.
