

2021-2022 Chiropractic Continuing Education Courses

Forty hours of Board approved continuing education is required of Chiropractors practicing in the State of Wisconsin for the December 15, 2020- December 14, 2022 biennium. Eight of these hours may be in a distance format. Certification in cardiopulmonary resuscitation (CPR) is also required for renewal. One (1) credit of AED course work may be counted toward the continuing education requirement every biennium (CHI220000). As indicated in Chiro 5.01(2)(b), approved courses taken in the current biennium to satisfy the requirements of a previous biennium, may not be applied to any other renewal period. A course may be repeated indefinitely under the same approval code after the initial approval date.

This is a list of approved courses ONLY, unless specifically noted.

2021-2022 Chiropractic Continuing Education Courses

Forty hours of Board approved continuing education is required of Chiropractors practicing in the State of Wisconsin for the December 15, 2020- December 14, 2022 biennium. Eight of these hours may be in a distance format. Certification in cardiopulmonary resuscitation (CPR) is also required for renewal. One (1) credit of AED course work may be counted toward the continuing education requirement every biennium (CHI220000). As indicated in Chiro 5.01(2)(b), approved courses taken in the current biennium to satisfy the requirements of a previous biennium, may not be applied to any other renewal period. A course may be repeated indefinitely under the same approval code after the initial approval date.

This is a list of approved courses ONLY, unless specifically noted.
