

2015-2017 Approved Funeral Director Courses

Every funeral director shall compete 15 hours of continuing education each biennial renewal period. Three hours are required in each of the four categories.

This is not a complete list of potential acceptable courses. It is your responsibility as a license holder to verify that the continuing education courses you complete for your license renewal are recognized under the Wisconsin Administrative Code. Courses approved by the APFSP or put on by a local, state, national, or international funeral director's association do not require department approval.
