- SPS 341.41(1) Boiler or pressure vessel INSTALLATION REGISTRATION. (a) Except as provided in par. (b), the installation of any boiler or pressure vessel shall be registered with the department by the installer before the operation of the boiler or pressure vessel. Registration shall be in writing on form SBD-6314.
- SPS 341.16 (1) Installation inspections.
  1. Except as provided in par. (b), boilers and pressure vessels shall be inspected by a certified inspector before they are placed in operation.
  1. The inspections specified in par. (a) are not required for boilers and pressure vessels exempted from periodic inspections in s. SPS 341.18
    2. Installation inspections for boilers and pressure vessels installed at one- and 2-family dwellings shall be performed by the municipality.

**Inspection must be completed prior to operation by a Wisconsin licensed boiler inspector.  
If insured: contact your insurance company to inquire if they employ boiler inspectors.  
DSPS inspector information may be found at <http://www.dsps.wi.gov> and [www.esla.wi.gov](http://www.esla.wi.gov)**
