## Wisconsin Municipalities with Commercial Building Delegated Authority As of January 15, 2021

**NOTE: This list is under development. Please be patient as the Department continues to process requests and update municipal delegation records.**

### Wisconsin Administrative Code § SPS 361.60

This section establishes the manner under which cities, villages, towns and counties may examine building plans and inspect buildings under s. [101.12 \(3\)](#), [\(3c\)](#), and [\(3g\)](#), Stats. Municipalities delegated responsibilities under Wis. Admin. Code § SPS 361.60 may be delegated for one of the following:

- 1. Plan Review of Small Commercial Buildings and Inspections for Small Commercial Buildings.** This includes:
  - Plan review and inspections of new buildings containing less than 50,000 cubic feet total volume.
  - Plan review and inspections of additions to existing buildings where the total volume after construction of the addition is less than 50,000 cubic feet.
  - Plan review and inspections of additions to existing buildings containing no more than 2,500 square feet, no more than one floor level, 18-foot maximum roof span and 12-foot maximum exterior wall height.
  - Plan review and inspections of alterations to existing buildings where the altered space is less than 100,000 cubic feet of total volume.
- 2. Plan Review of Small Commercial Buildings and Inspections for Commercial Buildings of All Sizes.** This includes:
  - Plan review of new buildings containing less than 50,000 cubic feet total volume.
  - Plan review of additions to existing buildings where the total volume after construction of the addition is less than 50,000 cubic feet.
  - Plan review of additions to existing buildings containing no more than 2,500 square feet, no more than one floor level, 18-foot maximum roof span and 12-foot maximum exterior wall height.
  - Plan review of alterations to existing buildings where the altered space is less than 100,000 cubic feet of total volume.
  - Inspections for all commercial buildings, including those for which the Department performs the plan review.
- 3. Inspections for Commercial Buildings of All Sizes.** This includes projects for which the Department performs the plan review.
- 4. Second-Class City Plan Review and Inspections of All Commercial Buildings.** Municipalities that are determined to be a First- or Second-Class City have the authority to review and inspect commercial projects of all sizes. Per [Wis. Stat. § 101.12](#), an owner has the option of submitting projects that require plan review to either the city or the Department.
- 5. Special Delegation.** This includes any combination of delegation responsibilities not identified in one of the options above. See the municipality's linked PDF letter for specific delegation responsibilities.

-----  
Delegated Authority for Counties: These counties have been authorized jurisdiction over the plan review and/or inspections of commercial buildings in municipalities which do not have their own delegated authority.  
-----

The following table identifies the municipalities that are delegated the primary responsibility to perform commercial building plan review and/or inspections under Wis. Admin. Code § SPS 361.60. The list includes:

- Each municipality's responsibilities under its Wis. Admin. Code § SPS 361.60 delegation authority, as numbered above.
- A copy of each municipality's delegated authority approval letter from Wisconsin Department of Safety and Professional Services.
- Each delegated municipality's enforcement contact information.

-----  
Contact the municipalities listed below for commercial building plan review and inspections, as appropriate. For projects within municipalities not listed below, contact the Department.
