Dear Municipal Official:

We have reviewed your ordinance for the municipal adoption of the Uniform Dwelling Code (UDC) and found it acceptable. You may begin enforcing the UDC per its administration and enforcement requirements of Ch. Comm 20, for all new one- and two-family dwellings as well as new alterations and additions to dwellings originally built since June 1, 1980. Note that all inspections must be performed by properly certified inspectors.

Enclosed is an order form for purchasing forms and UDC seals, one of which must be assigned to each new dwelling. (Please note your municipality number above when completing the order form.) The yellow copy of the building permit application, on which the seal number is indicated, must be forwarded to us within 30 days of issuance.

By copy of this letter, we are also informing your county because it had previously issued the Administrative UDC Permits for your municipality. There is no longer a need for them to do so.

Feel free to contact me if you have any questions.

Sincerely,

Duane Hubeler  
UDC Consultant
