September 12th-13th, 2024

EVENT SCHEDULE

"In the Public Interest"

Kevin Heling- Elevator Technical & Training Associates
Thursday, September 12th, 9:00 am- 10:30 am

BIO: Kevin Heling is the Principle of Elevator Technical & Training Associates, LLC since September of 2022. He was with Wurtec for 10 years where he had first contact with the new alternative te sting "idea" in 2012 during NAESA Conferences in Canada. He was President of Brugg Wire Rope for 9 years. Combined with an additional 19 years of various management positions with an elevator traveling cable manufacturer, Kevin has going on 40 years of experience supplying a range of components/products and technical support to the elevator industry. Building on his range of experiences, he has given numerous educational and now training presentations around the industry for the past 15 years, written continuing education articles for Elevator World, and joined ASME A17.1/B44 Code Committees over 5 years ago.

Brian Rausch- State of Wisconsin

Ed Sabo- State of Wisconsin

Mark Urban- State of Wisconsin

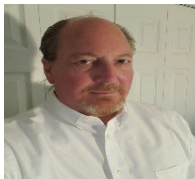

Thursday, September 12th, 11:00 am- 12:30 pm

BIO: Brian- State of Wisconsin DSPS Elevator Safety Code Consultant since 1997. Brian is a graduate of Milwaukee School of Engineering with a Bachelor of Science degree in Architectural Engineering and is a licensed professional engineer. He is responsible for reviewing the conveyance new installation and modernization plans and petitions for variance. He writes website articles and exam questions, maintains forms, assists in updating state codes and assists contractors, inspectors, architects and owners regarding codes related to conveyances.

Ed- He has been in the elevator industry since 1999. He has worked for Otis, Schindler and Thyssen Krupp as a construction and service mechanic in Locals 85 & 15. QEI certified since 2008 and has been an elevator safety inspector for the State of Wisconsin since 2013

Mark- State of Wisconsin DSPS Elevator Inspector. Mark is responsible for conveyance safety inspections for acceptance in southeast Wisconsin. In addition, he is tasked with performing field audits of third-party inspectors and accident investigations. During the pandemic, he initiated remote video inspections in Wisconsin, a necessary accommodation to a most unexpected crisis. Prior to joining the Department of Safety and Professional Services, he worked as Operations Manager for the Garaventa Branch Office which serves Illinois and Wisconsin. It was in this role that he gained greater familiarity with Accessibility products and codes as they relate to Inclined and Vertical platform lifts, Residential elevators and Limited - Use/ Limited-Application elevators. During this time, he also earned his Certified Elevator Technician (CET) designation and Chicago Supervisory Elevator Mechanic License. Prior to that he worked in construction, service, and maintenance for a Chicago Local 2 signatory company.

EVENT SCHEDULE

PRESENTATION DESCRIPTIONS AND SPEAKER BIOS

Jack Day, NAESA International, Host of the Event

BIQ: Jack has taken a position with NAESA International as the Educational Director and full-time instructor. Jack was appointed as Chief Elevator Inspector for the State of Washington on January 3, 2005, through December 2016. He had worked briefly as an Elevator Technical Specialist for Labor and Industries after moving from WA to Missouri. Jack took the position as an inspector working directly with the Chief Inspector with the State of Missouri to help further establish the Department of Elevator Safety as an inspector for the State. Jack has 17 years of previous work experience with Otis Elevator including Installation, Maintenance and Modernization Supervisor and Territory Manager.

Ken Smith- Ken Smith and Associates

Thursday, September 12th, 8:00 am-9:00 am

BIQ: Ken received a BS in Mechanical Engineering from the University of Iowa in 1985. He was a Project Engineer and then Senior Project Engineer for Montgomery Elevator Company designing escalators and moving walks. Briefly worked in R&D designing elevator components. After Montgomery, ran Product Engineering and then became Product Manager at Drives, Inc. producing escalator and moving walk components and other items. After Drives, he returned to KONE as Manager of Engineering Services and was their in-house escalator/walk expert for litigation and developed KONE's responses/compliance to the Code changes relating to the Step/Skirt Performance Index Requirements. For the last 20 plus years, Ken have been an escalator/walk consultant involved in new installations, maintenance, and litigation. Ken was involved in the A17.1 Code for 30 years.

EVENT SCHEDULE

"In the Public Interest"

Daniel Goldstein- Kings III

Friday, September 13th, 7:30 am- 8:30 am

BIO: Daniel is a seasoned product manager with over a decade of experience in bringing innovative solutions to market. With an understanding of consumer needs and market dynamics, he has led cross-functional teams to launch successful products across diverse industries, including elevators, specialty chemicals, and consumer goods. Daniel's strategic vision and collaborative approach have driven product innovation, resulting in tangible business growth and customer satisfaction. Leveraging his analytical skills and market insights, he excels in identifying emerging trends and translating them into actionable product strategies. Spending most of his elevator career at Rath-Janus, Daniel worked on developing one of the more prominent two-way video messaging products on the market today.

Joe McAnulty- ATIS

Friday, September 13th, 8:30 am- 9:30 am

BIO: Joe is presently employed by ATIS. After the merger of ATIS, Liberty Elevator Experts and KJA, Joe became the Chief Operating Officer of US Consulting which oversees Consulting, Design, Expert Services and Asset Management. Joe currently holds a QEI-S and CET along with inspection, mechanics, and electrical licenses in multiple states.

Cody Utke- TKE

Friday, September 13th, 10:00 am- 11:30 am

BIO: TKE Codes and Standards
USAF, Field superintendent and working for TK about 5 years

Kevin Cunningham- Hydrasafe Brake

Friday, September 13th, 12:30pm-1:30pm

BIO: Started in the field as a helper for Fujitec in 1985. Became a mechanic in 1990 for Westinghouse/Schindler and worked in modernization/construction/service/maintenance for over 20 years. Became a superintendent for an independent elevator company before moving over to Schindler as a superintendent. Became a consultant in 2015 until November 2023. I have been QEI certified since 2015 and hold licenses in several states including my mechanics license in Illinois.
