Air Admittance Valves

55.  **SPS 382.31(3) - 11/19/97**  
*Are air admittance valves approved in Wisconsin?* The approval of specific air admittance valves is included among the product evaluations.

151.  **SPS 384.10(1) - 10/4/05**  
*May air admittance valves be installed to serve chemical waste systems?* No. If chemical resistant piping is installed to serve a fixture, an air admittance valve is not permitted as a vent termination.
