

CAMPING UNIT PERMIT & INSPECTIONS CONTACTS

There is statewide Camping Unit enforcement per SPS 327 for municipalities not exercising jurisdiction. This list (in alphabetical order by county) provides the current camping unit enforcement for municipalities not exercising jurisdiction. The list contains the current UDC Inspection Agency or Department (DSPS) representative conducting permitting and inspection services for the applicable county. Please contact the UDC Inspection Agency listed for your county for more information on permitting and inspection services for your camping unit(s).

UDC Inspection Agency Fees

- *Fee 1: Base price of permit for camping unit 400 square feet or less.*
- *Fee 2: Cost per square foot of non-finished areas to include crawl spaces, attics, garages, breezeways, porches, decks, and unfinished basements not included in base 400 square feet.*
- *Fee 3: Any required inspection trips in excess of two.*
- *Fee 4: Issue a Wisconsin pre-existing insignia. Includes cost of insignia.*

Informational Notes

- Permit applicants will also be charged a Wisconsin Camping Unit Insignia for new camping units not associated with Fee 4.
- Fees for any separate footing and foundation approval shall be \$100.
- If the UDC Inspection Agency is required to take over enforcement for camping units with a permit issued by another agency, fees and/or compensation will be determined by the Department.
- If the Department finds it necessary to review or inspect a dwelling or camping unit project within the scope of the contract due to a legitimate complaint or the UDC Inspection Agency's failure to fulfill its duties under this contract and fees have been collected, the UDC Inspection Agencies may be charged appropriate fees per ss. SPS 302.04(2) and SPS 302.34(2) of the Administrative Code.
