Illinois:

The Illinois Statutes provide for the expedited licensure of service members and their spouses (20 ILCS 5/5-715). “Service member” includes a person whose active duty service concluded within the 2 years preceding application for licensure. A license issued to a service member or the spouse of a service member may be renewed.

Rules of the Professional Licensing and Regulation Bureau of the Iowa Department of Commerce provide for the expedited reciprocal licensure of a veteran or a spouse of an active duty service member (193 IAC 193.14.3). A reciprocal license issued to a veteran or a spouse of an active duty service member may be renewed.

Michigan:

The Michigan Statutes provide for temporary licensure of the spouse of an active duty service member (MCL 339.213). A temporary license is valid for 6 months and may be renewed for one additional 6-month term if it is determined the licensee continues to meet the requirements for temporary licensure and needs additional time to fulfill the requirements for initial licensure.

Minnesota:

The Minnesota Statutes provide for temporary licensure of an individual who is an active duty military member, the spouse of an active duty military member, or a veteran who has left service in the 2 years preceding the date of license application (2019 Minnesota Statutes, Section 197.4552). A temporary license allows a qualified individual to perform regulated professional services for a limited length of time as determined by the applicable licensing board. During the temporary license period, the individual must complete the full application procedure as required by applicable law.
