ANALYSIS

Statutes interpreted:

Section 440.09, Stats.

Statutory authority:

Sections 15.08 (5) (b) and 440.09 (5), Stats.

Explanation of agency authority:

Section 15.08 (5) (b), Stats., provides an examining board “[s]hall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains. . .”

Section 440.09 (5), Stats., provides “[t]he department or credentialing board, as appropriate, may promulgate rules necessary to implement this section.”

Related statute or rule:

Section 440.09, Stats., specifies the requirements for issuing reciprocal credentials to service members, former service members, and the spouses of service members and former service members.

Plain language analysis:

The proposed rule creates a provision to implement s. 440.09, Stats., as created by 2019 Wisconsin Act 143. Section 440.09, Stats., specifies the requirements for issuing reciprocal credentials to service members, former service members, and the spouses of service members and former service members. The proposed rule also updates and repeals obsolete notes, and makes other changes to provide clarity and meet current standards for drafting administrative code.

Summary of, and comparison with, existing or proposed federal regulation:

None.

Comparison with rules in adjacent states:**Illinois:**

The Illinois Statutes provide for the expedited licensure of service members and their spouses (20 ILCS 5/5-715). “Service member” includes a person whose active duty service concluded within the 2 years preceding application for licensure. A license issued to a service member or the spouse of a service member may be renewed.

Iowa:

Rules of the Professional Licensure Division of the Iowa Department of Public Health provide for the expedited reciprocal licensure of a veteran or a spouse of an active duty service member (645 IAC 645.20.3). A reciprocal license issued to a veteran or a spouse of an active duty service member may be renewed.

Michigan:

The Michigan Statutes provide for temporary licensure of the spouse of an active duty service member (MCL 339.213). A temporary license is valid for 6 months and may be renewed for one additional 6-month term if it is determined the licensee continues to meet the requirements for temporary licensure and needs additional time to fulfill the requirements for initial licensure.

Minnesota:

The Minnesota Statutes provide for temporary licensure of an individual who is an active duty military member, the spouse of an active duty military member, or a veteran who has left service in the 2 years preceding the date of license application (2019 Minnesota Statutes, Section 197.4552). A temporary license allows a qualified individual to perform regulated professional services for a limited length of time as determined by the applicable licensing board. During the temporary license period, the individual must complete the full application procedure as required by applicable law.

Summary of factual data and analytical methodologies:

The proposed rules were developed by reviewing the provisions of s. 440.09, Stats., as created by 2019 Wisconsin Act 143, and obtaining input and feedback from the Physical Therapy Examining Board.

Analysis and supporting documents used to determine effect on small business or in preparation of economic impact analysis:
