

## Substance Abuse Counseling Approved Training Programs

Programs listed have been reviewed and approved by the Wisconsin department of Safety and Professional Services Office of Education and Examinations. It is the responsibility of the program to ensure that approval timelines remain current by re-submitting reapproval applications. Changes to administration should be sent to The Office of Education and Examinations for updating at: [DSPEXaminationsOffice@wisconsin.gov](mailto:DSPEXaminationsOffice@wisconsin.gov)

Some programs listed have specifically outlined within their curriculum the 100-hrs of education for the beginning of the SAC-IT and requested that DSPS review and list the 100 hr programs separately. Those programs are marked.
