STATE OF WISCONSIN )
COUNTY OF _______________ ) SS.

I, __________________________________________ (print name), do solemnly swear or affirm Under penalty of perjury that:

I am a registered Professional Engineer in the State of Wisconsin, registration number _______________________________.

I make this Affidavit in conjunction with my request to renew my credential for the biennium running from August 1, 2020 to July 31, 2022 without having first met the continuing education requirements for the biennium which ran from August 1, 2018 to July 31, 2020.

I am seeking a waiver of the continuing education requirements because I am currently not practicing, or presently intend to no longer practice engineering in the State of Wisconsin during the biennial period running from August 1, 2020 and ending July 31, 2022.

That in exchange for such a waiver, I do acknowledge, affirm and agree as follows:

Pursuant to Wis. Stats. s. 443.02(2), no person may practice professional engineering in this state unless the person has been duly registered, is exempt under s. 433.14 or has in effect a permit under s. 443.10(1)(d).

During the biennial period noted in paragraph 3, above, I will not practice professional engineering (as defined in Wis. Stats. s. 443.01(2)) in the State of Wisconsin, whether for compensation or for no compensation.

If at any time during the biennial period noted in paragraph 3, I choose to resume practicing as a professional engineer in Wisconsin, the waiver will become null and void and I must first comply with the continuing education requirements set forth in Wis. Admin. Code ch. A-E 13 for the prior biennium and submit proof of compliance to the Department so that my licensure status can be noted accordingly.
