Mr. Edmund M. Henschel, Manager
Village of Whitefish Bay
5300 N. Marlborough Dr.
Whitefish Bay, WI 53217

Dear Mr. Henschel:

Per your request, we are amending our delegation of authority to your municipality to include the authorization per state statute 101.12(3)(g) to provide inspections in lieu of the state for all commercial building projects, regardless of size, in your municipality. However, plan review for projects beyond the certified municipality size limits will still be done by our agency.

An exception to the above is that our agency retains jurisdiction for plan review and inspection authority for all state-owned buildings.

Our inspection deputy for the area will be meeting with your inspector to discuss our procedures for state inspections in your municipality.

The Division of Safety and Buildings looks forward to working with you.

Sincerely,

Michael Corry
Administrator
