Commercial Building/HVAC/FSFA Inspection Delegated Agents October 19, 2026

Wisconsin Administrative Code Section SPS 361.60

This section establishes the manner under which cities, villages, towns, and counties may perform commercial building inspections under Wis. Stat. 101.12(3)(g). Agencies delegated responsibilities under SPS 361.60 may be delegated for one of the following:

1. **Structural, HVAC, Fire Suppression, and Fire Alarm Inspection of Small Commercial Buildings.** This includes:
 - a. New buildings containing less than 50,000 cubic feet total volume.
 - b. Additions to existing buildings where the total volume after construction of the addition is less than 50,000 cubic feet.
 - c. Additions to existing buildings containing no more than 2,500 square feet, no more than one floor level, 18-foot maximum roof span and 12-foot maximum exterior wall height.
 - d. Alterations to existing buildings where the altered space is less than 100,000 cubic feet of total volume.
2. **Structural, HVAC, Fire Suppression, and Fire Alarm Inspection of All Commercial Buildings in a First- or Second-Class City.** Cities with a First- or Second-Class City status have the authority to review and inspect commercial projects of all sizes.
3. **Special Delegation.** This includes a combination of delegation responsibilities not identified in one of the options above. See the agency's linked PDF letter for specific delegated authority.

Counties: Counties with delegated authority have been authorized jurisdiction of these inspections in cities, villages, and towns which do not have their own delegated authority.

How To Use This List

Review this list to determine if your municipality or county has authority to inspect structures, HVAC, fire suppression, and fire alarm system installation in commercial buildings.

1. Look for the municipality with jurisdiction over your project location.
2. If the municipality is not listed, look for the county of your project. The county is not permitted to inspect the municipality is delegated.

3. If neither the municipality nor county has this authority, use the [Inspector Lookup Tool](#) to determine the DSPS-appointed inspector based on project county. Note that state-owned buildings must be inspected by DSPS.

Note that the list includes:

- Each Delegated Agent's responsibilities under its SPS 361.60 delegated authority, as numbered above.
- A link to each Delegated Agent's authority letter from DSPS. (Click on the number in the Delegation Authority column to view the approval letter.)
- Delegated Agent and p\\inspector contact information. Note that delegations are not contingent on the specific individuals identified on this list or in the linked letter.

Plan review of these systems and other types of inspection are delegated separately. Return to the [Delegated Agents](#) page for all delegated agent lists.
