Re: City of Marinette Jurisdiction Request for Commercial Building Inspections

Dear Lana Bero,

I am pleased to inform you that your municipality has been delegated commercial building code enforcement authority per your request. Per Wis. Stat. § 101.12(3)(g), I delegate your municipality the primary responsibility to do commercial building inspections of all size buildings in lieu of the Department. This letter does not delegate your municipality for commercial electrical or plumbing inspections.

As a condition of the delegation, you are required to comply with the following:

- Provide the Department with a copy of any revisions to the ordinance adopting this code.
- Apply the corresponding requirements in Wis. Admin. Code § SPS 361.60(6).
- Notify the department, in writing, immediately of any personnel changes to inspection staff.
- Notify the Department, in writing, at least 30 days prior to the date upon which the municipality intends to relinquish the responsibilities assumed under this section.

The Department will periodically monitor municipalities and request activity reports to ensure that the delegated responsibilities are being properly fulfilled by the municipality. We do require that delegated municipal code officials hold the Wisconsin Commercial Building Inspector certification and attend agency-approved continuing education to maintain their certification.

In accordance with 2017 Wisconsin Act 198, the Department will be implementing a five-year electronic renewal process. Please continue to monitor department correspondence as further details regarding this process are communicated.

If your municipality decides to relinquish jurisdiction, please follow the provisions of Wis. Admin. Code § SPS 361.60(2)(b)4 by providing the Department with a 30-day notice prior to the day upon which your municipality intends to relinquish jurisdiction.

I understand that the primary enforcement contact for your municipality, Curt Demlow, has the proper certification to do so.

For your convenience, I am providing a link to the Department's Delegated Agent Welcome Packet. This packet contains links to the Wisconsin Administrative Code, plan review application, submission and inspection checklists, sample letters, petition for variance application, and a list of FAQs that may be helpful in your new delegated agent role. <https://dsps.wi.gov/Documents/Programs/CommercialBuildings/WelcomePacket2020.pdf>

Our commercial building inspector for your area, Ryan Geiger, at (608) 235-7405, is available to assist in any questions or concerns your municipality may have with implementing these commercial building services and may contact your primary code official to discuss transitional and coordination items.

The Division of Industry Services looks forward to working with you.

Sincerely,

Lucas Dederich
