RE: DSPS 327

To Whom It May Concern:

SPS 327 requires that all municipalities exercising jurisdiction over the UDC for one- and two- family dwellings shall, by ordinance, adopt SPS 327 in its entirety. Per SPS 327.06(1)(a) and 320.06, inspections of camping units will be performed by the certified UDC inspector employed or contracted with the municipality in which the camping unit is located. SPS 327.06(1)(b) provides an exception to this requirement for municipalities that notify the department, in writing, within 90 days of the effective date of this code that they are choosing to "opt out" from enforcing SPS 327. It is our understanding that municipalities that exercise this exception under sub. (1), the Department of SPS will oversee enforcement and inspection services for new camping units.

Chippewa county will be "Opting Out" of this enforcement. If you have any questions, please contact me at (715) 726-7941.
