Subject: Plan Review Delegation Request

Dear Mr. Jacobson:

This letter is in regards to your application dated May 8, 2015 to Matt Janzen of the Department requesting plan review delegation authority to review mound and at-grade system plans for residential use. Under s. SPS Table 383.22-2 (1) plan review authority under this delegation is limited and approved for POWTS that will completely utilize treatment and dispersal technologies or methods either approved under s. SPS 384.10 (2) or (3) or recognized under s. SPS 383.60 (1). Plans which do not completely meet a DSPS approved component manual otherwise known as "Individual Site Designs" or approved products or commercial systems must be submitted to the DSPS for review.

Please contact Brad Johnson, POWTS Program Section Chief at (920) 492-5605 if you have any questions and to discuss any training that is needed to successfully meet the objectives of this new delegation.

Sincerely,

Jeff Weigand, Administrator
Division of Industry Services
