Tattoo and Body Art Establishment Delegated Agents
October 19, 2026

Wisconsin Statute Section 463.16

This section establishes the manner under which a local health department or other government agency may regulate tattoo and body art establishments under Wis. Stat. sec. 463.16.

How To Use The Delegated Agent List

Review this list to determine if your government agency has authority to issue licenses to, and inspect, tattoo and body art establishments.

1. Look for the municipality with jurisdiction over your establishment location.

2. If the municipality is not listed, look for the county of your establishment. You are not permitted to submit a license application to the county if the municipality is delegated.

3. If neither the municipality nor county has this authority, submit license applications and renewals to DSPS via https://myhealthdepartment.com/dsps. You are not permitted to submit to DSPS if there is a Delegated Agent. For DSPS contacts in non-delegated counties, use the DSPS Inspectors section at the end of the list.

Some agencies contract with a secondary agency to perform services and are noted in the list below.

Contact DSPSSBDelegations@wisconsin.gov with updates to this list.
