Fire Suppression and Fire Alarm Plan Review Delegated Agents October 19, 2026

Wisconsin Administrative Code Section SPS 361.60

This section establishes the manner under which cities, villages, towns and counties may examine building plans under Wis. Stat. sec. 101.12(3g). Municipalities or counties delegated responsibilities under SPS 361.60 may be delegated for one of the following:

1. **Fire Suppression and Fire Alarm Plan Review of Small Commercial Buildings.** This includes:
    a. New buildings containing less than 50,000 cubic feet total volume.
    b. Additions to existing buildings where the total volume after construction of the addition is less than 50,000 cubic feet.
    c. Additions to existing buildings containing no more than 2,500 square feet, no more than one floor level, 18-foot maximum roof span and 12-foot maximum exterior wall height.
    d. Alterations to existing buildings where the altered space is less than 100,000 cubic feet of total volume.
2. **Fire Suppression and Fire Alarm Plan Review of All Commercial Buildings without size limitation.**
3. **Special Delegation.** This includes a combination of delegation responsibilities not identified in one of the options above. See the agency's linked PDF letter for specific delegated authority.

Counties with delegated authority have been authorized jurisdiction over these inspections in cities, villages, and towns which do not have their own delegated authority.

How To Use This List

Review this list to determine if your municipality or county has authority to conduct fire suppression or fire alarm system plan reviews for commercial buildings.

1. Look for the municipality with jurisdiction over your project location.
2. If the municipality is not listed, look for the county of your project.
3. If neither the municipality nor county has this authority, submit plan review applications via esla.wi.gov. Note:
    a. The project owner has the option of submitting a plan review to either the Delegated Agent or DSPS.

b. Plan reviews for state-owned buildings must be submitted to DSPS.

Note that the list includes:

- Each Delegated Agent's responsibilities under its SPS 361.60 delegated authority, as numbered above.
- A link to each Delegated Agent's authority letter from DSPS. (Click on the number in the Delegation Authority column to view the approval letter.)
- Delegated Agent and plan reviewer contact information. Note that delegations are not contingent on the specific individuals identified on this list or in the linked letter.

Inspection of these systems and other types of plan reviews are delegated separately. Return to the Delegated Agents page for all delegated agent lists.
