TRIANGLE TUBE
KURT BAUER
1 TRIANGLE LANE
BLACKWOOD NJ 08012

Re: Description: WATER HEATER
Manufacturer: TRIANGLE TUBE
Product Name: SMART SERIES INDIRECT WATER HEATERS
Model Number(s): SMART 20, SMART 30, SMART 40, SMART50, SMART 60, SMART 80, SMART 100 AND
SMART 120
Product File No: 20130156

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. SPS 384.20 (5) (p) 2. c. based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of July 2018.

This approval supersedes the approval issued on September 10, 2008 under product file number 20080469.

This alternate approval is contingent upon compliance with the following stipulation(s):

- The unit must be installed in accordance with the manufacturer's instructions.
- The temperature and pressure relief valve shall be listed by AGA, UL or ASME and be installed in strict accordance with the manufacturer's published instructions.

This alternate approval was required because these water heaters lack a drain valve installed at the lowest point of each water heater/storage tank.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,

Glen W. Schlueter
