OATEY COMPANY
MICHAEL SCHMEIDA
4700 W. 160TH STREET
CLEVELAND OH 4135-2632

Re: Description: SOLVENT CEMENT
Manufacturer: OATEY COMPANY
Product Name: OATEY PVC LO-VOC ALL WEATHER CLEAR SOLVENT CEMENT
Model Number(s): 31132 (16 oz.), 31133 (32 oz.) and 31135 (gallon)
Product File No: 20130298

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. SPS 384.40 (14) (b) 1. based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of November 2018.

This approval supersedes the approval issued on August 27, 2008 under product file number 20080453.

This alternate approval is required because presently the code requires a two step (i.e. primer followed by solvent cement) process. This product allows for a one step process that covers both the priming and solvent cementing.

This alternate approval is contingent upon compliance with the following stipulation(s):

- This product may be used on PVC gravity flow DWV pipe without primer.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,

Glen W. Schlueter
