Roles and Authorities Delegated to the Monitoring Liaison and Department Monitor

The Monitoring Liaison ("Liaison") is a Board/Section designee who works with department monitors to enforce Board/Section orders as explained below.

Current Authorities Delegated to the Monitoring Liaison

The Liaison may take the following actions on behalf of the Board/Section:

- 1. Grant a temporary reduction in random drug screen frequency upon Respondent's request if he/she is unemployed and is otherwise compliant with Board/Section order. The temporary reduction will be in effect until Respondent secures employment in the profession. The Department Monitor ("Monitor") will draft an order and sign on behalf of the Liaison.
- 2. Grant a stay of suspension if Respondent is eligible per the Board/Section order. The Monitor will draft an order and sign on behalf of the Liaison.
- 3. Remove the stay of suspension if there are repeated violations or a substantial violation of the Board/Section order. In conjunction with removal of any stay of suspension, the Liaison may prohibit Respondent from seeking reinstatement of the stay for a specified period of time. The Monitor will draft an order and sign on behalf of the Liaison.
- 4. Grant or deny approval when Respondent proposes continuing/remedial education courses, treatment providers, mentors, supervisors, change of employment, etc. unless the order specifically requires full-Board/Section approval.
- 5. Grant a maximum of <u>one 90-day extension</u>, if warranted and requested in writing by Respondent, to complete Board/Section-ordered continuing education.
- 6. Grant a maximum of one extension or payment plan for proceeding costs and/or forfeitures if warranted and requested in writing by Respondent.
- 7. Grant full reinstatement of licensure if Respondent has fully complied with all terms of the order without deviation. The Monitor will draft an order and obtain the signature or written authorization from the Liaison.
- 8. Grant or deny a request to appear before the Board/Section in closed session.
- 9. Board Monitoring Liaison may determine whether Respondent's petition is eligible for consideration by the full Board/Section.
- 10. (Except Pharmacy) Accept Respondent's written request to surrender credential. If accepted by the Liaison, Monitor will consult with Board Counsel to determine if a stipulation is necessary. If a stipulation is not necessary, Monitor will draft an order and sign on behalf of the Liaison. If denied by the Liaison, the request to surrender credential will go to the full Board for review.
- 11. (Except Pharmacy) Grant Respondent's petition for a reduction in drug screens per the standard schedule, below. If approved, Monitor will draft an order and sign on behalf of the Liaison.
 - a. Year 1: 49 screens (including 1 hair test, if required by original order)
 - b. Year 2: 36 screens (plus 1 hair test, if required by original order)
 - c. Year 3: 28 screens plus 1 hair test

<u>Current Authorities Delegated to the Department Monitor</u>

The Monitor may take the following actions on behalf of the Board/Section, draft an order and sign:

- 1. Grant full reinstatement of licensure if CE is the <u>sole condition</u> of the limitation and Respondent has submitted the required proof of completion for approved courses.
- 2. Suspend the license if Respondent has not completed Board/Section-ordered CE and/or paid costs and forfeitures within the time specified by the Board/Section order. The Monitor may remove the suspension and issue an order when proof completion and/or payment have been received.
- 3. Suspend the license (or remove stay of suspension) if Respondent fails to enroll and participate in an Approved Program for drug and alcohol testing within 30 days of the order, or if Respondent ceases participation in the Approved Program without Board approval. May 2019

Dear State of Wisconsin Boards, Councils and Committee Member,

As you may already know, operation of the Department of Safety and Professional Services (DSPS) is self-funded by the fees associated with the occupation or business credentials it issues and regulates under chapters 440 to 480 of Wisconsin Statutes.

Wisconsin State Statute § 440.03(9)(a) requires DSPS to conduct a professional licensure fee study every two years to adjust fees for the succeeding fiscal biennium. The purpose of the fee study is to reflect the approximate administrative and enforcement costs of the department that are attributable to the regulation of the referenced credentials.

On February 20, 2019, the Joint Finance Committee approved the FY 2019-2021 professional licensure fee study conducted by the DSPS. I am pleased to provide you with the new fee schedule that will take effect on July 1, 2019.

The new fees are based on actual operating costs and revenues for DSPS for fiscal years 2017 and 2018 (July 1, 2016 to June 30, 2018). A detailed explanation how the fees were recalculated, including licensure/credential participation rates, complaints and investigations, and adjustments for inflation can be found in the Frequently Asked Questions document.

For all regulated professional and medical licenses and credentials (except the renewal fee for one profession noted in the enclosed fee schedule), initial application and renewal fees will be reduced or maintained at the current level, including the following:

- Maintaining initial and renewal fees for 43 licenses/credentials (approximately 25 percent)
- Reducing initial fees for 82 licenses/credentials (approx. 48 percent) with an average reduction of \$26.78
- Reducing renewal fees for 121 licenses/credentials (approx. 71 percent) with an average reduction of \$57.42
- Reducing both the initial and renewal fees for 80 licenses/credentials (approx. 47 percent)
- Providing a fee reduction to at least one of the fees (initial and/or renewal) for 127 licenses/credentials (approx. 75 percent)
- Establishing equal fees for both initial applications and renewals with a maximum fee of \$75 for 163
 licenses/credentials (approx. 96 percent) (exceptions per state statute for fees related to Appraisal
 Management Companies and Transportation Network Companies; exception per administrative code for
 fees related to Unarmed Combat Sports)
- Providing a reduced fee to an estimated 361,000 Wisconsin licensure/credential applicants over the next biennium, (approx. 96 percent of all applicants)

The new fee schedule will take effect beginning with initial license applications received in the Department and/or postmarked on or after July 1, 2019, and for license renewals that have an effective date of July 1, 2019 or later. It should be noted that if a license holder receives a notice of renewal prior to July 1, 2019, for a renew-by date of after July 1, 2019, the new fees will apply regardless of when the notice is received or when payment is made. If a license holder's renewal-by date is before July 1, 2019, and the payment is made after July 1, 2019, the fee noted on the notice of renewal will still apply. If the license holder's renew-by date is on or after July 1, 2019, the new fees will apply.
