134	Parties to complete, not the responsibility of the real estate brokers in this transaction.		
135	TITLE EVIDENCE		
136	■ FORM OF TITLE EVIDENCE: Grantor shall give evidence of title in the form of an owner's policy of title insurance on a current ALTA		
137	form issued by an insurer licensed to write title insurance in Wisconsin. Grantor shall pay all costs of providing title evidence to

146 147	present use of the Property), which constitutes merchantable title for purposes of this transaction. Grantor further agrees to complete and execute the documents necessary to record the conveyance at Grantor's cost and pay the Wisconsin Real Estate Transfer Fee.		
148	WARNING: If Grantee contemplates improving or developing Property, or a change in use, Grantee may need to address		
149	municipal and zoning ordinances, recorded building and use restrictions, covenants and easements which may prohibit		
150 151	some improvements or uses. The need for building permits, zoning variances, environmental audits, etc. may need to be investigated to determine feasibility of improvements, development or use changes for Property. Contingencies for		
152	investigation of these issues may be added to this Agreement. See lines 261-288 and 563-584.		
153	■ GAP ENDORSEMENT: Grantor shall provide a "gap" endorsement or equivalent gap coverage at (Grantor's) (Grantee's) STRIKE

156 157	Grantee may give written notice that title is not acceptable for closing (see lines 163-170).		
158	■ PROVISION OF MERCHANTABLE TITLE: For purposes of closing, title evidence shall be acceptable if the required title insurance		
159	commitment is delivered to Grantee's attorney or to Grantee not more than days after acceptance ("15" if left blank),		
160 161	showing title to the Property as of a date no more than days before delivery ("15" if left blank) of such title evidence to be merchantable per line 140-147, subject only to liens which will be paid out of the proceeds of closing and standard title		
	insurance requirements and exceptions, as appropriate.		
163			
164 165	title within days ("15" if left blank) after delivery of the title commitment to Grantee or Grantee's attorney. In such event, Grantor shall have a reasonable time, but not exceeding days ("5" if left blank) from Grantee's delivery of the		
166	notice stating title objections, to deliver notice to Grantee stating Grantor's election to remove the objections by the time set for closing.		
	In the event that Grantor is unable to remove said objections, Grantee may deliver to Grantor written notice waiving the objections, and		
	the time for closing shall be extended accordingly. If Grantee does not waive the objections, Grantee shall deliver written notice of termination and this Agreement shall be null and void. Providing title evidence acceptable for closing does not extinguish Grantor's		
170	obligations to give merchantable title to Grantee.		
171	SPECIAL ASSESSMENTS/OTHER EXPENSES Special assessments, if any, levied or for work actually commenced prior to date of		
	this Agreement shall be paid by Grantor no later than closing. All other special assessments shall be paid by Grantee.		
173	CAUTION: Consider a special agreement if area assessments, property owners association assessments, special charges for current services under Wis. Stat. § 66.0627 or other expenses are contemplated. "Other expenses" are one-time charges or		
175	ongoing use fees for public improvements (other than those resulting in special assessments) relating to curb, gutter, street,		
	sidewalk, municipal water, sanitary and storm water and storm sewer (including all sewer mains and hook-up/connection and		
177 178	interceptor charges), parks, street lighting and street trees, and impact fees for other public facilities, as defined in Wis. Stat. § 66.0617(1)(f).		
179	FAIR MARKET VALUE NOTE: Fair Market Value must be determined prior to completion of the transfer fee return per Wis.		
180			
	treatment and with regard to appraised values, financing, insurance and title insurance. Fair Market Value is defined in Wis.		
	Stat. § 77.21 as: "The estimated price the property would bring in an open market and under the then prevailing market conditions in		
184	a sale between a willing seller and a willing buyer, both conversant with the property and at prevailing general price levels." If Fair Market Value is available on the date of this agreement, state the Fair Market Value of the Properties:		
185	Property One: \$ Property Two: \$		
	If Fair Market Values are not stated in this Agreement, the Parties shall agree on the Fair Market Values of the Properties, in writing,		
188	no later than days before closing ("10" if left blank). If the Parties cannot agree on Fair Market Values by the deadline either Party may, within 5 days following the deadline, deliver written notice to terminate this Agreement and any earnest money shall		
189	be returned to Grantee. If no notice is delivered by either party within such 5 day period, the Parties agree to proceed to closing and		
	separately establish Fair Market Value.		
191 192	CAUTION: Failure of the parties to agree on Fair Market Values prior to closing may have tax implications. The Parties should consult accountants, legal counsel or other appropriate experts, as necessary.		
193	PROPERTY DIMENSIONS AND SURVEYS Each Party acknowledges that any land, building or room dimensions, or total acreage		
194	or building square footage figures, provided to that Party by the Other Party or by a broker may be approximate because of rounding,		

195 formulas used or other reasons, unless verified by survey or other means.

196 CAUTION: Each Party should verify total square footage or acreage figures and land, building or room dimensions, if 197 material to the Party's decision to purchase.

INSPECTIONS AND TESTING Grantee may only conduct inspections or tests if specific contingencies are included as a part of this
Agreement. An "inspection" is defined as an observation of the Property which does not include an appraisal or testing of the
Property, other than testing for leaking carbon monoxide, or testing for leaking LP gas or natural gas used as a fuel source, which are
hereby authorized. A "test" is defined as the taking of samples of materials such as soils, water, air or building materials from the
Property and the laboratory or other analysis of these materials. Grantor agrees to allow Grantee's inspectors, testers, appraisers
and qualified third parties reasonable access to the Property upon advance notice, if necessary to satisfy the contingencies in this
Agreement. Grantee and licensees may be present at all inspections and testing. Except as otherwise provided, Grantor's
authorization for inspections does not authorize Grantee to conduct testing of the Property.

NOTE: Any contingency authorizing testing should specify the areas of the Property to be tested, the purpose of the test, (e.g., to determine if environmental contamination is present), any limitations on Grantee's testing and any other material terms of the contingency.

Grantee agrees to promptly restore the Property to its original condition after Grantee's inspections and testing are completed unless otherwise agreed to with Grantor. Grantee agrees to promptly provide copies of all inspection and testing reports to Grantor. Grantor acknowledges that certain inspections or tests may detect environmental pollution which may be required to be reported to the Wisconsin Department of Natural Resources.

PROPERTY DAMAGE BETWEEN ACCEPTANCE AND CLOSING Grantor shall maintain the Property until the earlier of closing or occupancy by Grantee in materially the same condition as of the date of acceptance of this Agreement, except for ordinary wear and tear. If, prior to the earlier of closing or occupancy by Grantee, the Property is damaged in an amount of not more than five per cent (5%) of the Fair Market Value, Grantor shall be obligated to repair the Property and restore it to the same condition that it was in on the day of this Agreement. No later than closing, Grantor shall provide Grantee with lien waivers for all lienable repairs and restoration. If the damage shall exceed such sum, Grantor shall promptly notify Grantee in writing of the damage and this Agreement may be canceled at the option of Grantee. Should Grantee elect to carry out this Agreement despite such damage. Grantee shall be entitled to any insurance proceeds, if any, relating to the damage to the Property, plus a credit at closing equal to the amount of Grantor's deductible on such policy, if any. However, if this exchange is financed by a land contract or a mortgage to Grantor, any insurance proceeds shall be held in trust for the sole purpose of restoring the Property.

PRE-CLOSING WALK-THROUGH At a reasonable time, preapproved by Grantor or Grantor's agent, within 3 days prior to closing,
Grantee shall have the right to walk through the Property to determine that there has been no significant change in the condition of
the Property, except for ordinary wear and tear and changes approved by Grantee, and that any Defects Grantor has agreed to cure
have been repaired in the manner agreed to by the Parties.

OCCUPANCY Occupancy of the entire Property shall be given to Grantee at time of closing unless otherwise provided in this
Agreement at lines 641-653 or in an addendum per line 640. At time of Grantee's occupancy, Property shall be in broom swept
condition and free of all debris and personal property except for personal property belonging to current tenants, or that sold to
Grantee or left with Grantee's consent. Occupancy shall be given subject to tenant's rights, if any.

231 CAUTION: Consider an agreement which addresses responsibility for removal of personal property and debris prior to occupancy, if applicable.

ENTIRE CONTRACT This Agreement, including any amendments, contains the entire agreement of the Parties regarding the transaction. All prior negotiations and discussion have been merged into this Agreement. This Agreement binds and inures to the benefit of the Parties to this Agreement and their successors in interest.

236 BROKER'S COMPENSATION

The Parties acknowledge, agree and consent that each broker may receive compensation from persons other than the broker's client in the transaction.

- 344 The Parties agree that the 5 business days begin upon the earlier of: (1) Grantee's Actual Receipt of the disclosure materials or requested missing documents or (2) upon the deadline for Grantor's delivery of the documents.
- 346 NOTE: GRANTEE SHOULD READ ALL DOCUMENTS CAREFULLY. BROKERS MAY PROVIDE A GENERAL EXPLANATION OF THE PROVISIONS OF THE DOCUMENTS BUT ARE PROHIBITED BY LAW FROM GIVING LEGAL ADVICE OR OPINIONS.
- ADDITIONAL CONDOMINIUM ISSUES: In addition to review of the disclosure materials required to be provided by Wis. Stat. § 349 703.33, Grantee may wish to consider reviewing other Condominium materials as may be available, such as copies of: the 350 Condominium Association's financial statements for the last two years, the minutes of the last 3 Unit owners' meetings, the minutes of 351 Condominium board meetings during the 12 months prior to acceptance, information about contemplated or pending Condominium special assessments, the Association's certificate of insurance, a statement from the Association indicating the balance of reserve 352 353 accounts controlled by the Association, a statement from the Association of the amount of any unpaid assessments on the Unit (per 354 Wis. Contingencies for review and approval of those additional 357 materials which may be available may be provided for in additional contingencies per lines 641-653 or in an addendum per line 640. 358 Because not all of these materials may exist or be available from the Condominium Association, Grantor may wish to verify availability 359 prior to acceptance if the Agreement is contingent upon Grantor providing these materials to Grantee.
