Page 2 of 14, WB-12 56 ACCEPTANCE Acceptance occurs when all Buyers and Sellers have signed one copy of the Offer, or separate but identical 58 CAUTION: Deadlines in the Offer are commonly calculated from acceptance. Consider whether short term 59 Deadlines running from acceptance provide adequate time for both binding acceptance and performance. **CLOSING** This transaction is to be closed on at the place selected by Seller, 61 62 unless otherwise agreed by the Parties in writing. If the date for closing falls on a Saturday, Sunday, or a federal or a state 63 holiday, the closing date shall be the next Business Day. 64 CAUTION: To reduce the risk of wire transfer fraud, any wiring instructions received should be independently 65 verified by phone or in person with the title company, financial institution, or entity directing the transfer. The real 66 estate licensees in this transaction are not responsible for the transmission or forwarding of any wiring or money 67 transfer instructions. **EARNEST MONEY** 69 ■ EARNEST MONEY of \$ accompanies this Offer. 70 If Offer was drafted by a licensee, receipt of the earnest money accompanying this Offer is acknowledged. 71 ■ EARNEST MONEY of \$ will be mailed, or commercially, electronically 72 or personally delivered within days ("5" if left blank) after acceptance. 73 All earnest money shall be delivered to and held by (listing Firm) (drafting Firm) (other identified as) STRIKE THOSE NOT APPLICABLE 75 (listing Firm if none chosen; if no listing Firm, then drafting Firm; if no Firm then Seller). 76 CAUTION: If a Firm does not hold earnest money, an escrow agreement should be drafted by the Parties or an 77 attorney as lines xx-xx do not apply. If someone other than Buyer pays earnest money, consider a special 78 disbursement agreement. THE BALANCE OF PURCHASE PRICE will be paid in cash or equivalent at closing unless otherwise agreed in writing. DISBURSEMENT IF EARNEST MONEY HELD BY A FIRM: If negotiations do not result in an accepted offer and the 81 earnest money is held by a Firm, the earnest money shall be promptly disbursed (after clearance from payer's depository 82 institution if earnest money is paid by check) to the person(s) who paid the earnest money. At closing, earnest money shall 83 be disbursed according to the closing statement. If this Offer does not close, the earnest money shall be disbursed according 84 to a written disbursement agreement signed by all Parties to this Offer. If said disbursement agreement has not been 85 delivered to the Firm holding the earnest money within 60 days after the date set for closing, that Firm may disburse the 86 earnest money: (1) as directed by an attorney who has reviewed the transaction and does not represent Buyer or Seller: 87 (2) into a court hearing a lawsuit involving the earnest money and all Parties to this Offer; (3) as directed by court order; (4) 88 upon authorization granted within this Offer; or (5) any other disbursement required or allowed by law. The Firm may retain 89 legal services to direct disbursement per (1) or to file an interpleader action per (2) and the Firm may deduct from the 90 earnest money any costs and reasonable attorneys' fees, not to exceed \$250, prior to disbursement. 91 • LEGAL RIGHTS/ACTION: The Firm's disbursement of earnest money does not determine the legal rights of the Parties 92 in relation to this Offer. Buyer's or Seller's legal right to earnest money cannot be determined by the Firm holding the earnest 93 money. At least 30 days prior to disbursement per (1), (4) or (5) above, where the Firm has knowledge that either Party 94 disagrees with the disbursement, the Firm shall send Buyer and Seller written notice of the intent to disburse by certified 95 mail. If Buyer or Seller disagrees with the Firm's proposed disbursement, a lawsuit may be filed to obtain a court order 96 regarding disbursement. Small Claims Court has jurisdiction over all earnest money disputes arising out of the sale of 97 residential property with one-to-four dwelling units. Buyer and Seller should consider consulting attorneys regarding their 98 legal rights under this Offer in case of a dispute. Both Parties agree to hold the Firm harmless from any liability for good 99 faith disbursement of earnest money in accordance with this Offer or applicable Department of Safety and Professional Services regulations concerning earnest money. See Wis. Admin. Code Ch. REEB 18. 100 TIME IS OF THE ESSENCE "Time is of the Essence" as to: (1) earnest money payment(s); (2) binding acceptance; (3) 101 102 occupancy; (4) date of closing; (5) contingency Deadlines STRIKE AS APPLICABLE and all other dates and Deadlines in 103 this Offer except: . If "Time is of the Essence" applies to a date or Deadline, 104 105 failure to perform by the exact date or Deadline is a breach of contract. If "Time is of the Essence" does not apply to a date 106 or Deadline, then performance within a reasonable time of the date or Deadline is allowed before a breach occurs. REAL ESTATE CONDITION REPORT Wisconsin law requires owners of property that includes one-to-four dwelling units 107 108 to provide Buyers with a Real Estate Condition Report. Excluded from this requirement are sales of property that has never 109 been inhabited, sales exempt from the real estate transfer fee, and sales by certain court-appointed fiduciaries, (for example, 110 personal representatives who have never occupied the Property). The form of the Report is found in Wis. Stat. § 709.03. 111 The law provides: "§ 709.02 Disclosure . . . the owner of the property shall furnish, not later than 10 days after acceptance 112 of the contract of sale . . . , to the prospective Buyer of the property a completed copy of the report . . . A prospective Buyer 113 who does not receive a report within the 10 days may, within two business days after the end of that 10-day period, rescind the contract of sale . . . by delivering a written notice of rescission to the owner or the owner's agent." Buyer may also have certain rescission rights if a Real Estate Condition Report disclosing defects is furnished before expiration of the 10 days, but after the Offer is submitted to Seller. Buyer should review the report form or consult with an attorney for additional information regarding rescission rights.

MANAGED FOREST LAND: If all, or part, of the Property is managed forest land under the Managed Forest Law (MFL) program, this designation will continue after closing. Buyer is advised as follows: The MFL is a landowner incentive program that encourages sustainable forestry on private woodlands by reducing and deferring property taxes. Orders designating lands as managed forest lands remain in effect for 25 or 50 years. When ownership of land enrolled in the MFL program changes, the new owner must sign and file a report of the change of ownership on a form provided by the Department of Natural Resources and pay a fee. By filing this form, the new owner agrees to the associated MFL management plan and the MFL program rules. The DNR Division of Forestry monitors forest management plan compliance. Changes a landowner makes to property that is subject to an order designating it as managed forest land, or to its use, may jeopardize benefits under the program or may cause the property to be withdrawn from the program and may result in the assessment of penalties. For more information call the local DNR forester or visit https://dnr.wi.gov/topic/forestry.html.

USE VALUE ASSESSMENTS: The use value assessment system values agricultural land based on the income that would be generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural land to a non-agricultural use (e.g., residential or commercial development), that person may owe a conversion charge. To obtain more information about the use value law or conversion charge, contact the Wisconsin Department of Revenue's Equalization Bureau or visit http://www.revenue.wi.gov/.

FARMLAND PRESERVATION: The early termination of a farmland preservation agreement or removal of land from such an agreement can trigger payment of a conversion fee equal to 3 times the per acre value of the land. Contact the Wisconsin Department of Agriculture, Trade and Consumer Protection Division of Agricultural Resource Management or visit http://www.datcp.state.wi.us/ for more information.

CONSERVATION RESERVE PROGRAM (CRP): The CRP encourages farmers, through contracts with the U.S. Department of Agriculture, to stop growing crops on highly erodible or environmentally sensitive land and instead to plant a protective cover of grass or trees. CRP contracts run for 10 to 15 years, and owners receive an annual rent as well as certain incentive payments and cost share assistance for establishing long-term, resource- conserving ground cover. Removing lands from the CRP in breach of a contract can be quite costly. For more information call the state Farm Service Agency office or visit http://www.fsa.usda.gov/.

SHORELAND ZONING ORDINANCES: All counties must adopt uniform shoreland zoning ordinances in compliance with Wis. Admin. Code Chapter NR 115. County shoreland zoning ordinances apply to all unincorporated land within 1,000 feet of a navigable lake, pond or flowage or within 300 feet of a navigable river or stream and establish minimum standards for building setbacks and height limits, cutting trees and shrubs, lot sizes, water runoff, impervious surface standards (that may be exceeded if a mitigation plan is adopted and recorded) and repairs to nonconforming structures. Buyers must conform to any existing mitigation plans. For more information call the county zoning office or visit https://dnr.wi.gov/. Buyer is advised to check with the applicable city, town or village for additional shoreland zoning or shoreland-wetland zoning restrictions, if any.

FENCES: Wis. Stat. § 90.03 requires the owners of adjoining properties to keep and maintain legal fences in equal shares where one or both of the properties is used and occupied for farming or grazing purposes.

246 CAUTION: Consider an agreement addressing responsibility for fences if Property or adjoining land is used and 247 occupied for farming or grazing purposes.
248 REVIEW OF RECORDS: CAUTION: If surveys, soil analysis, acreage calculations, government program contracts

533	(even if subject to conditions) that is:
534	(1) signed by Buyer; or,
535	(2) accompanied by Buyer's written direction for delivery.
	Delivery of a loan commitment by Buyer's lender or delivery accompanied by a notice of unacceptability shall not satisfy
	this contingency.
	CAUTION: The delivered loan commitment may contain conditions Buyer must yet satisfy to obligate the lender to
	provide the loan. Buyer understands delivery of a loan commitment removes the Financing Commitment
	Contingency from the Offer and shifts the risk to Buyer if the loan is not funded.
	■ <u>SELLER TERMINATION RIGHTS</u> : If Buyer does not deliver a loan commitment on or before the Deadline on line xxx.
	Seller may terminate this Offer if Seller delivers a written notice of termination to Buyer prior to Seller's Actual Receipt of
	written loan commitment from Buyer. • FINANCING COMMITMENT UNAVAILABILITY: If a financing commitment is not available on the terms stated in this

552	in full force and effect, with the time for closing extended accordingly.
553	If Seller's notice is not timely given, the option for Seller to provide financing shall be considered waived. Buyer agrees to
554	cooperate with and authorizes Seller to obtain any credit information reasonably appropriate to determine Buyer's credit
555	worthiness for Seller financing.
556	IF THIS OFFER IS NOT CONTINGENT ON FINANCING COMMITMENT Within days ("7" if left blank) after
	acceptance, Buyer shall deliver to Seller either:

562	If such written verification or documentation is not delivered, Seller has the right to terminate this Offer by delivering written
	notice to Buyer prior to Seller's Actual Receipt of a copy of Buyer's written verification. Buyer may or may not obtain
	mortgage financing but does not need the protection of a financing commitment contingency. Seller agrees to allow Buyer's
	appraiser access to the Property for purposes of an appraisal. Buyer understands and agrees that this Offer is not subject
	to the appraisal meeting any particular value, unless this Offer is subject to an appraisal contingency, nor does the right of
	access for an appraisal constitute a financing commitment contingency.
	APPRAISAL CONTINGENCY: This Offer is contingent upon Buyer or Buyer's lender having the Property appraised
	at Buyer's expense by a Wisconsin licensed or certified independent appraiser who issues an appraisal report dated
	subsequent to the date stated on line 1 of this Offer, indicating an appraised value for the Property equal to or greater than

	price to the value shown on the appraisal report within days ("5" if left blank) after Buyer's delivery of the appraisal
	report and the notice objecting to the appraised value. Seller and Buyer agree to promptly execute an amendment initiated
	by either party after delivery of Seller's notice, solely to reflect the adjusted purchase price.
	This Offer shall be null and void if Buyer makes timely delivery of the notice objecting to appraised value and the written

632	the actual tax bill for the year of closing, with Buyer and Seller each owing his or her pro-rata share. Buyer shall, within 5
633	days of receipt, forward a copy of the bill to the forwarding address Seller agrees to provide at closing. The Parties shall
634	re-prorate within 30 days of Buyer's receipt of the actual tax bill. Buyer and Seller agree this is a post-closing obligation
635	and is the responsibility of the Parties to complete, not the responsibility of the real estate Firms in this transaction.
	■ CONVEYANCE OF TITLE: Upon payment of the purchase price, Seller shall convey the Property by warranty deed
	(trustee's deed if Seller is a trust, personal representative's deed if Seller is an estate or other conveyance as

	the documents necessary to record the conveyance and pay the Wisconsin Real Estate Transfer Fee. WARNING: Municipal and zoning ordinances, recorded building and use restrictions, covenants and easements may
	prohibit certain improvements or uses and therefore should be reviewed, particularly if Buyer contemplates making

If a gap endorsement or equivalent gap coverage is not available, Buyer may give written notice that title is not acceptable for closing (see lines xxx).
- <u>DELIVERY OF MERCHANTABLE TITLE</u>: The required title insurance commitment shall be delivered to Buyer's attorney
 or Buyer [not more than _____ days after acceptance ("15" if left blank)], <u>OR- [WB-11:not less than 5 business days before</u>

- TITLE NOT ACCEPTABLE FOR CLOSING: If title is not acceptable for closing, Buyer shall notify Seller in writing of objections to title within ______days ("15" if left blank) after delivery of the title commitment to Buyer or Buyer's attorney. In such event, Seller shall have _____ days ("15" if left blank) from Buyer's delivery of the notice stating title objections, to deliver notice to Buyer stating Seller's election to remove the objections by the time set for closing. If Seller is unable to remove said objections, Buyer shall have five days from receipt of notice thereof, to deliver written notice waiving the objections, and the time for closing shall be extended accordingly. If Buyer does not waive the objections, Buyer shall deliver written notice of termination and this Offer shall be null and void. Providing title evidence acceptable for closing does not extinguish Seller's obligations to give merchantable title to Buyer.
- 675 WB-11: TITLE NOT ACCEPTABLE FOR CLOSING: If title is not acceptable for closing, Buyer shall notify Seller in writing
 676 of objections to title by the time set for closing. Seller shall have a reasonable time, but not exceeding 15 days, to remove
 677 the objections, and the time for closing shall be extended as necessary for this purpose. If Seller is unable to remove said
 678 objections, Buyer shall have five days from receipt of notice thereof, to deliver written notice waiving the objections, and the
 679 time for closing shall be extended accordingly. If Buyer does not waive the objections, this Offer shall be null and void.
 680 Providing title evidence acceptable for closing does not extinguish Seller's obligations to give merchantable title to Buyer.
- <u>SPECIAL ASSESSMENTS/OTHER EXPENSES</u>: Special assessments, if any, levied or for work actually commenced prior to the date stated on line 1 of this Offer shall be paid by Seller no later than closing. All other special assessments shall be paid by Buyer. "Other expenses" are 687 one-time charges or ongoing use fees for public improvements (other than those resulting in special assessments) 688 relating to curb, gutter, street, sidewalk, municipal water, sanitary and storm water and storm sewer (including all 689 sewer mains and hook-up/connection and interceptor charges), parks, street lighting and street trees, and impact 690 fees for other public facilities, as defined in Wis. A "Foreign Person" is a nonresident alien individual, foreign corporation, foreign partnership, foreign trust, or foreign estate. The "Amount Realized" is the sum of the cash paid, the fair market value of other property transferred, and the amount of any liability assumed by Buyer.

776 CAUTION: Under this law if Seller is a Foreign Person, and Buyer does not pay or withhold the tax amount, Buyer 777 may be held directly liable by the U.S. Internal Revenue Service for the unpaid tax and a tax lien may be placed 778 upon the Property.

779 Seller hereby represents that Seller is a non-Foreign Person, unless (1) Seller represents Seller is a Foreign Person in a report incorporated in this Offer per lines xx-xx, or (2) no later than 10 days after acceptance, Seller delivers notice represents that Seller is a Foreign Person, in which cases the provisions on lines xxx-xxx apply.

787 **IF SELLER IS A FOREIGN PERSON.** If Seller has represented that Seller is a Foreign Person, Buyer shall withhold the 788 amount required to be withheld pursuant to IRC § 1445 at closing unless the Parties have amended this Offer regarding 789 amounts to be withheld, any withholding exemption to be applied, or other resolution of this provision.

790 **COMPLIANCE WITH FIRPTA.** Buyer and Seller shall complete, execute, and deliver, on or before closing, any instrument, 791 affidavit, or statement needed to comply with FIRPTA, including withholding forms. Vertical Separation

Matt conformed the Vertical Separation Requirement: Operating POWTS must maintain a 3-foot vertical separation, except if the POWTS was installed before December 1, 1969, it may have only a 2-foot separation (grandfathered).

If the POWTS does not meet the applicable vertical separation standard it is failing and noncompliant and illegal. Only the state or a county can condemn a POWTS as non code compliant/illegal.

Contractor Inspections and Reports

Other contractors who inspect POWTS are just giving their opinion and they will inspect and explore as much as they want. There are no inspection standards for POWTS when the property is being sold, like there are for wells/well water. It is like when you buy a used car, and you have your friendly neighborhood mechanic look it over – they say it looks like a good deal but if they don't conduct a full inspection you don't really have much reassurance and are taking a risk.

POWTS Records

The counties have records on the POWTS installed, at least the newer ones. County records include things like the sanitary permit for the POWTS installation or modifications, the results of soil borings done to determine vertical separation, and records of county enforcement actions and orders. For POWTS installed over the last 30-40 years the counties generally have records – many online – so the information may be readily found and confirmed, in a few minutes if it is online. At times contractors can look at the soils maps and databases in an area and know if a POWTS likely has appropriate separation, for instance, deep sandy soils mean it is most likely fine.

Soil Borings to Confirm Vertical Separation

If there are no records regarding installation one can confirm vertical separation with a soil boring. The trick is you have to know where the system is located so you can take one soil boring with an auger at the edge of the system. Contractors can take a metal rod to find the POWTS – probe/poke around until they find the parameters and then take auger borings. Matt is from Marathon County and says you can get a certified soils tester to come out and do the boring for \$50. Sometimes it may be better to bring in the soils tester if the contractor hired for the inspection does not have expertise/training/experience with soil borings. There is no need for excavation. If they are hitting bedrock with auger, for example, that is a serious problem or the POWTS is located elsewhere.

Buyer Risks if Vertical Separation Not Confirmed

If the POWTS does not have the required vertical separation the buyer will be taking risks. One risk is that the POWTS will contaminate the groundwater, potentially contaminating their own well or leading to potential litigation if the contamination travels to neighboring properties or they are cited by the DNR, county or some other agency. Another risk is that if the owner wants to add a bedroom or make other improvements, the county comes out to inspect. If there is not proper vertical separation the POWTS is not code compliant and will likely have to be replaced. Also, if there are periodic county inspections of POWTS the buyer may be caught then and possibly have to replace the POWTS. Some counties have programs to try to establish baseline records if there are no existing installation records, so they come around and inspect to build an inventory of POWTS records.

The object of the code is to provide for adequate treatment and for the waste to leave the site.

Wis. Admin. Code chapter SPS 383 at https://docs.legis.wisconsin.gov/code/admin_code/sps/safety_and_buildings_and_environment/380_387/3
83.pdf

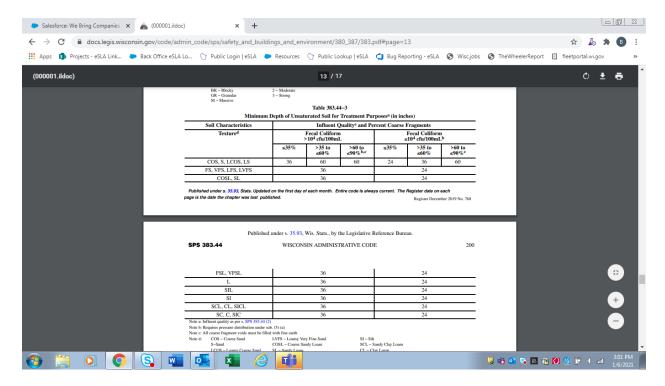

It's more complicated that the 3' and not sure that I can shorten it up for you. I'll provide excerpts of the applicable code sections. The current code requires somewhere between 2 feet and as much as 5 feet depending upon the installation date and soil types.

SPS 383.03(2)(b)2.2.

- a. An existing POWTS installed prior to December 1, 1969 with an infiltrative surface of a treatment and dispersal component that is located 2 feet or more above groundwater or bedrock shall be considered to discharge final effluent that is not sewage, unless proven otherwise.
- b. An existing POWTS installed prior to December 1, 1969 with an infiltrative surface of a treatment and dispersal component that is located less than 2 feet above groundwater or bedrock shall be considered to discharge final effluent that is sewage, unless proven otherwise.

SPS 383.44(4)(b) The treatment capability of a POWTS treatment component consisting of unsaturated soil shall be limited to that specified

in Table 383.44-3, unless otherwise approved by the department.

- 1. Is it true operating POWTS must maintain a 3-foot vertical separation? Normally this is the case. Exceptions include systems that were installed prior to December 1, 1969. Is there somewhere it says that in the statutes or rules or somewhere else (website, memo, etc.)? Specific code language and citations are provided above. When did the 3-foot standard go into effect? December 1, 1969.
- 2. If an inspection says the POWTS conforms to the code when it was installed and is hydraulically functional and structurally sound, is that enough or must the vertical separation be established? What if vertical separation is not established? The vertical separation is important for proper treatment but since there's no code requirement to

- establish vertical separation for real estate transactions, it's up to you whether or not to include it.
- 3. Can vertical separation be established with soil borings? Yes they can but it's more difficult as the handles only extend only so far and some systems, especially older systems may be deeper than what a soil boring can go. Does that require a certified soils tester? When a soil test is required under the code, it must be done by someone who is a certified soil tester. There are no credentialing requirements for someone inspecting a POWTS for a real estate transaction. However, if your contract will require an inspection, wouldn't you want someone who has demonstrated the ability to correctly perform one?
- 4. Is it realistic to expect an older system to meet current code? Older systems have to meet the code in effect at the time they were installed. The only retroactive portion of the code is as spelled out in the first paragraph above.

I had a really great conversation with a local septic builder/plumber and Walworth Counties inspector last week. Both basically had the same story, that it would be great to be able to prove vertical separation however, it is basically impossible due to the fact the inspector can't pin point with accuracy where the septic field is located. If the inspector is incorrect in there guess, they could disturb the septic field and ruin it. Neither the Walworth County inspector or the septic builder/plumber mentions vertical separation in the reports they use.

ABANDONED WELLS If there is an abandoned well on the Property, Seller shall, prior to closing, close the well at Seller's expense and provide Buyer with documentation of closure in compliance with applicable codes or provide Buyer with documentation evidencing that the well has been previously closed in compliance with the applicable codes in effect at the time of closure.

MSPECTIONS AND TESTING Buyer may only conduct inspections or tests if specific contingencies are included as a part of this Offer. An "inspection" is defined as an observation of the PropertyAssets, which does not include an appraisal or testing of the PropertyAssets, other than testing for leaking carbon monoxide, or testing for leaking LP gas or natural gas used as a fuel source, which are hereby authorized. A "test" is defined as the taking of samples of materials such as soils, water, air or building materials from the Property—Assets for laboratory or other analysis of these materials. Seller agrees to allow Buyer's inspectors, testers and appraisers reasonable access to the Property—Assets upon advance notice, if necessary, to satisfy the contingencies in this Offer. Buyer or licensees or both may be present at all inspections and testing. Except as otherwise provided, Seller's authorization for inspections does not authorize Buyer to conduct testing of the PropertyAssets.

469 NOTE: Any contingency authorizing testing should specify the areas of the Property Assets to be tested, the 470 purpose of the test, (e.g., to determine if environmental contamination is present), any limitations on Buyer's testing and any other material terms of the contingency.

486	independent inspector or independent qualified third party.
487	Buyer shall order the inspection (s) and be responsible for all costs of inspection(s).
	CAUTION: Buyer should provide sufficient time for the primary inspection and/or any specialized inspection(s),
489	as well as any follow-up inspection(s).
490	This contingency shall be deemed satisfied unless Buyer, within days ("30" if left blank) after acceptance, delivers
491	to Seller a copy of the inspection report(s) dated after the date on line 1 of this Offer and a written notice listing the
492	Defect(s) and Deficiencies identified in the inspection report(s) to which Buyer objects (Notice of Defects).
493	CAUTION: A proposed amendment is not a Notice of Defects and will not satisfy this notice requirement.
494	For the purpose of this contingency, Defects (see lines xxx-xxx) and Deficiencies (see lines xxx-xxx) do not include
495	conditions the nature and extent of which Buyer had actual knowledge or written notice before signing the Offer.

	value of the Property; that would significantly impair the health or safety of future occupants of the Property; or

	of the premises. "Deficiency" as defined on lines xxx-xxx means an imperfection that materially impairs the

	■ <u>SATISFACTION OF FINANCING COMMITMENT CONTINGENCY</u> : If Buyer qualifies for the loan described in this Offer
	or another loan acceptable to Buyer, Buyer agrees to deliver to Seller a copy of a written loan commitment.

	Delivery of a loan commitment by Buyer's lender or delivery accompanied by a notice of unacceptability shall not satisfy
	this contingency.
	CAUTION: The delivered loan commitment may contain conditions Buyer must yet satisfy to obligate the lender
	to provide the loan. Buyer understands delivery of a loan commitment removes the Financing Commitment
	Contingency from the Offer and shifts the risk to Buyer if the loan is not funded. ■ SELLER TERMINATION RIGHTS: If Buyer does not deliver a loan commitment on or before the Deadline on line xxx
	Seller may terminate this Offer if Seller delivers a written notice of termination to Buyer prior to Seller's Actual Receipt of
	written loan commitment from Buyer.

	written notice to Buyer prior to Seller's Actual Receipt of a copy of Buyer's written verification. Buyer may or may not
	obtain mortgage financing but does not need the protection of a financing commitment contingency. Seller agrees to allow
	Buyer's appraiser access to the Property for purposes of an appraisal. Buyer understands and agrees that this Offer is not
	subject to the appraisal meeting any particular value, unless this Offer is subject to an appraisal contingency, nor does the
	right of access for an appraisal constitute a financing commitment contingency.
